He reminded Board members that they could request more information, if necessary, as well recuse themselves if they saw any conflicts of interest. He opened the floor for discussion.

Counsel asked for clarification on whether the Finance Committee made a recommendation to the full Board to accept the Financial and Payables reports. Chairman Torelli confirmed that they had and noted that the same was true for the Governance Committee. He stated that each line item on the payables report was addressed and would be presented to the full Board in an abbreviated version unless a Board member has a specific question.

Royal Wine - Goshen Developer JV, LLC.

Mr. Fioravanti introduced Mr. Ginsberg and Mr. Gross of Royal Wine and noted the Public Hearing and Transcript. Counsel reviewed the Final Resolution, the details of the project, the SEQRA review, the financial assistance award, the tax exemptions, the 15-year PILOT agreement as per the IDA's UTEP, and the execution and delivery of all necessary lease documents. He summarized Royal Wine's incentives request and the payments that would be made over the term of the PILOT. The Chairman asked what the project was being paid currently. Counsel explained the PILOT program and noted that the applicant continues to pay 100% of the Real Property taxes they are currently paying and the only thing the applicant will get an abatement on are the improvements they make over a period. Mr. Fioravanti reviewed the current taxes on the property, the number of new full and part-time construction jobs, estimated earnings on new jobs and other economic benefits and noted that the Village and Town of Goshen are both in support of the project but asked that the OCIDA re-levy

unpaid water and sewage charges. Counsel reviewed the normal protocol if projects go into default and what the recapture process entails. The Chairman commented on influence and the process the OCIDA uses to decide what projects to approve and noted that he is full support of the project. All Board members voiced their support of the project. A MOTION TO ACCEPT THE ROYAL WINE - GOSHEN DEVELOPER JV, LLC RESOLUTION AS WRITTEN WAS MADE BY CHAIRMAN TORELLI, SECONDED BY MS. WALSKI, AND PASSED BY A UNANIMOUS ROLL CALL.

Mr. Fioravanti reviewed the goals of economic development and the opportunities to realize different projects. He noted plans to develop an inventory of available sites and sites that are ready to be developed that can be accessed online by partners as well as the public.
