Board of Directors Meeting Minutes
Wednesday, April 15th, 2026

Meeting Location: 4 Crotty Lane, Suite 100, New Windsor, NY 12553

Board Members Present: Jeffrey Crist (Chair), Dean Tamburri, Leigh Benton, Linda Muller, Marc Greene, Giovanni Palladino

Board Members Absent: Dr. Vincent Odock

Staff Present: Bill Fioravanti, Kelly Reilly, Billy Ibberson (AV), Rudy Zodda (General Counsel)

Others Present: Brian Sanvidge (NYS Monitor)

I. Call Meeting to Order

The Chairman called the meeting to order at 5:06 p.m.

II. Roll Call

Mr. Fioravanti acknowledged the Board, staff, and guest present.

III. Proof of Notice

The Chairman acknowledged that notice of this meeting was properly provided.

IV. Minutes

A MOTION TO APPROVE THE MARCH 18TH, 2026, OCIDA BOARD OF DIRECTORS MEETING MINUTES AS PRESENTED WAS MADE BY MS. MULLER, SECONDED BY MR. PALLADINO, AND PASSED UNANIMOUSLY.

V. Reports

Chairman's Report: The Chairman noted his attendance at the EPA Brownfields assessment meetings as well as the Regional Food Bank's event to connect farmers and the food insecure, and his attendance at the Alliance for Balanced Growth meeting where state regulatory topics were discussed.

CEO Report: Mr. Fioravanti stated that the EPA Brownfield Assessment Grant was in full swing and the second phase was about to begin. He stated that future public events would be planned. He noted that the PARIS report was submitted in advance of the deadline and that Julie

Marshall provided an in-person PARIS training for the Board and staff. He also noted upcoming ABO training dates and would email the link to any Board member that has not yet taken the training. He discussed his participation at the SEQR Reform press conference and his upcoming attendance of the NYSEDC annual meeting in Cooperstown which resulted in the rescheduling of the May 2026 Board meeting. Mr. Greene referenced the new Orange County tourism commercial and asked that Port Jervis be included in plans for the next commercial.

Governance Committee Report: Ms. Muller discussed plans to revisit the list of paid holidays for options to switch float holidays. She discussed the request from the Department of Labor to update the lease agreement and project application with the proper agency name. Mr. Sanvidge confirmed that the updated name for the agency where jobs are to be posted is National Labor Exchange “NLX”. The State will then retrieve the information from that site. Ms. Muller also noted that the Committee will review how the Full Time Employee numbers are calculated to include remote employees.

A MOTION TO RECOMMEND UPDATING THE OCIDA LEASE AGREEMENT AND PROJECT APPLICATION WITH THE CORRECT AGENCY NAME TO READ, NATIONAL LABOR EXCHANGE – NLX – WAS MADE BY MR. TAMBURRI, SECONDED BY MR. PALLADINO, AND PASSED UNANIMOUSLY.

Finance Committee Report: Mr. Greene gave an overview of the earlier discussion and noted the T-Bill that matured in March 2026, the monthly management fee, the Brownfield Assessment Grant pass-through, and an IT invoice for the annual subscription for GoDaddy. He clarified that line items that could be documented and justified by Anchin on the October and November 2025 invoices had, in fact, been paid. He stated that Anchin had failed to provide additional documentation or justification for other line items, and that the OCIDA would continue to only pay invoices that can be justified. He stated that the Committee reviewed and recommended approval of \$4,069.63 of the December 2025 invoice and that until further documentation was provided for the January 2026 invoice, it will remain unpaid.

A MOTION TO ACCEPT THE MARCH 2026 FINANCIAL REPORT AND THE MARCH 2026 PAYABLES REPORT WAS MADE BY MS. MULLER, SECONDED BY MR. PALLADINO, AND PASSED UNANIMOUSLY

Personnel Policy: Mr. Fioravanti stated that this be brought back to the Board for a decision.

Reschedule May 2026 Meeting: Rescheduled for May 13th, 2026.

A MOTION TO APPROVE THE RESCHEDULED MEETING DATE OF MAY 13TH, 2026 WAS MADE BY MR. BENTON, SECONDED BY MS. MULLER, AND PASSED UNANIMOUSLY.

VI. Adjournment

A MOTION TO ADJOURN THE MEETING WAS MADE BY MR. TAMBURRI, SECONDED MS. MULLER, AND PASSED UNANIMOUSLY.

The meeting closed at 5:23 p.m.

Report to the Board of Directors

Bill Fioravanti, CEO

May 2026

I. Key Item on the May 13th Board Meeting Agendas

1. **Silverlake Ridge Apartments** – We received a new application for incentives this week, our first for a housing development. This is for a 124-unit apartment complex off Silverlake-Scotchtown Road in the Town of Wallkill. They are seeking sales tax exemption up to \$970,966, mortgage recording tax exemption of \$240,277.99, and a 15-year PILOT, per our updated UTEP. Also per the requirements outlined in the *Housing* section of the UTEP, the project plans for 10% of the units to be offered at 60% of OC's area median income (AMI).

Due to size, this application and appendices were sent to you electronically under separate cover.

2. **South Gate Flats Hotel** – This is a project which was originally approved for OCIDA incentives back in 2020. Led by West Point graduates who are committed to revitalizing the Village of Highland Falls, this plan is to construct a 135,500 square foot, 100-key boutique hotel downtown, just outside the gates of USMA. After COVID drastically drove up material and labor costs, the developer came back to us in 2022 seeking additional sales tax exemption which, after a new public hearing, was also approved. Since then, costs have continued to rise and the project has grown to a \$63 million total capital expenditure.

Because the figures have changed dramatically since the original application, and because so much time has passed, we asked the developer to re-apply for OCIDA incentives. Their request is for up to \$4,362,020 in sales tax exemption, mortgage recording tax exemption of \$354,375, and a 10-year 'standard' property tax abatement.

Due to size, this application and appendices were sent to you electronically under separate cover.

3. **Save the Ferry Proposal (OCFC)** – A local grassroots organization known as the "Save the Ferry" coalition is requesting that the Orange County Funding Corporation provide up to \$202,000 to fund a Newburgh–Beacon weekend ferry pilot program for summer–fall 2026. The pilot would operate Fridays through Sundays from June to October (approximately 65 days), offering low-cost service (\$1 fare) to demonstrate ridership demand and economic impact following the MTA's recent suspension of NY Waterway's Newburgh–Beacon ferry service. The program would be operated by a

private provider and the coalition positioned this pilot as a short-term, data-driven effort to inform potential long-term restoration of cross-Hudson ferry service.

The coalition sees this pilot as a catalyst for economic development, tourism growth, and regional connectivity, particularly for Newburgh and surrounding communities that may be disadvantaged by the loss of the former ferry service. The applicants estimate potential direct local spending between ~\$187,000 and ~\$748,000 depending on utilization, while also citing broader benefits including increased sales tax revenue, improved access to major attractions (e.g. Dia Beacon, Storm King), and support for Newburgh's pipeline of waterfront housing and hospitality projects.

This request and a letter of support from Rep. Patrick Ryan are included in this packet.

4. **CivicServe Presentation** – Also at Wednesday's Board meeting we'll have a presentation by a representative for the software product CivicServe. CivicServe is a cloud-based software program that captures countless applications, processes and reports and organizes them into one electronic platform for IDA staff and applicants to utilize. If we subscribe to the program, we would have a central customer relationship management system (CRM), and the ability to streamline application entry, annual reporting and more. Several other IDA's are already using CivicServe, and I've spoken to a few about their positive experiences. We are not looking for your approval to subscribe yet, but rather we want to familiarize you with the product as we continue to do our diligence as we consider it.

II. **Other Updates**

1. **EPA Brownfields Assessment Grant** – This program continues to push forward. We will be conducting Phase II studies on some very strategic sites including the former Kolmar Labs and the Orange County Fairgrounds. We are also beginning a Phase I study on the former Nepera Chemical Plant in Harriman and US Steelways in New Windsor. We will continue to keep you updated on our progress.
2. **Anchin's 'Final Report'** – Anchin recently submitted their final report to the NYS Inspector General's office, to cap off their two-year monitoring of OCIDA. In the report, the monitor concludes that meaningful progress has been made in strengthening governance and operations, while suggesting a continued focus on enhanced documentation and data verification is needed.

Anchin's final report was sent to you electronically under separate cover.

III. **Recent Meetings and Presentations**

- Met with leaders of **Optum/Crystal Run** about employment levels at their Orange County facilities at OCIDA HQ on 4/13.
- Participated in Zoom meeting with our **EPA Grant Manager** about progress with our brownfields program on 4/14.

- Attended OCP's **Alliance for Balanced Growth** breakfast in Montgomery on 4/15.
- Participated in a Zoom with counsel for the group purchasing **Elant/Glen Arden** on 4/15.
- Participated in a Zoom meeting with our **local economic development partners** on 4/16.
- Met with a **prospective IDA board member** in Newburgh on 4/24.
- Toured **microchip manufacturing operation at OnSemi** in Hopwell Junction on 4/21.
- Met with a local bank and RECAP in Middletown about a **possible tax-exempt bond application** on 4/22.
- Did an interview on **WTBQ radio** via phone on 4/23.
- Met with **County Executive Neuhaus's team** and economic development colleagues via Teams on 4/23.
- Met with a **prospective IDA board member** in Newburgh on 4/24.
- Attended **retirement party for Cornell Coop Extension executive director** Lucy Joyce in Otisville on 4/24.
- Participated in a Zoom meeting with **Scenic Hudson about Diamond Candle site** in New Windsor on 4/26.
- Attended **SUNY Orange's Awards Celebration** in Middletown on 4/30.
- Attended **NYSCAR Commercial Brokers** meeting in Fishkill on 5/6.
- Attended **Council of Industry's Champions of Manufacturing Awards** breakfast in Town of Wallkill on 5/7.
- Attended **Q&A Session with John C. Williams, President of the Federal Reserve Bank of New York** in Newburgh on 5/7.
- Attended **Vision Hudson Valley's Ottaway Medal Dinner** in Town of Wallkill on 5/7.

**Please attach chart if space provided is not sufficient.

G) **Corporate Structure (attach schematic if applicant is a subsidiary or otherwise affiliated with another entity)**

Form of Entity

☐ **Corporation**

Date of Incorporation: _____

State of Incorporation: _____

☐ **Partnership**

General ☐ or Limited ☐

Number of general partners 1

If applicable, number of limited partners 0 at this time

Date of formation July 6 2018

Jurisdiction of Formation Travis County Texas

☐ **Limited Liability Company/Partnership (number of members _____)**

Date of organization: _____

State of Organization: _____

☐ **Sole Proprietorship**

H) **If a foreign organization, is the applicant authorized to do business in the State of New York?**

☐ Yes or ☒ No

If no, please explain below:

We are not currently doing any business anywhere. Once approved for grant and hotel is built, we will file for license to do business in state of NY

****Please attach narrative if space provided is not sufficient.**

I) If any of the above persons, or a group of them, owns more than a 50% interest in the company company, list all other organizations which are related to the company by such persons having more than a 50% interest in such organizations.

The General Partner is Thayer Gate Properties, Incorporated and Rick Minicozzi owns 100% of that company and is President.

****Please attach chart if space provided is not sufficient.**

J) Is the company related to any other organization by reason of more than 50% common ownership? If so, indicate name of related organization and relationship.

N/A

****Please attach narrative if space provided is not sufficient.**

K) Has the Applicant or any of its affiliated organizations ever received OCIDA benefits?

☐ Yes or ☒ No

If yes, please describe the assisted project below:

N/A

****Please attach narrative if space provided is not sufficient.**

L) Legal Questions:

1. Is the Company presently the subject of any litigation, or is any litigation threatened, which would have a material adverse effect on the Company's financial condition?
☐ Yes or ☒ No
2. Has the company or any of its affiliates ever been involved in bankruptcy, a creditor's rights or receivership proceeding, or sought protection from creditors?
☐ Yes or ☒ No
3. Has the Company ever settled a debt with a lending institution for less than the full amount outstanding?
☐ Yes or ☒ No
4. Has any senior manager, member, officer or principal of the Company ever been convicted of any felony or misdemeanor, other than a minor traffic violation, or are any such charges pending?
☐ Yes or ☒ No
5. Has the Company or any of its affiliates, been cited for a violation of federal, state, or local laws or regulations with respect to labor practices, hazardous wastes, environmental pollution or operating practices?
☐ Yes or ☒ No
6. Are there any outstanding judgments or liens pending against the Company other than liens in the normal course of business?
☐ Yes or ☒ No
7. Is the Company delinquent on any New York State, federal or local tax obligations?
☐ Yes or ☒ No

8. Is the applicant (Company) in violation of any local, state, and federal, workers' compensation protection, and environmental laws?

☐ Yes or ☒ No

If your answer is "YES" for any of the above questions, please provide an explanation:

N/A

**Please attach narrative if space provided is not sufficient.

M) **Has the company (or any related corporation or person) made a public offering or private placement of its stock within the last year?**

☐ Yes or ☒ No

If yes, please attach offering statement used.

N) **Brief description of Company History (formation, growth, transitions, location):**

Partnership was formed in July 2018 to develop South Gate Flats in Highland Falls. The partnership has not conducted any business to date and therefore has no prior financial reports or tax returns to provide as part of the application. Certificate of good standing is attached.

**Please attach narrative if space provided is not sufficient.

Estimated % of sales within the County:

100

Estimated % of sales outside the County but within NYS:

0

Estimated % of sales outside NYS but within the U.S.:

0

Estimated % of sales outside the U.S.:

0

O) **Sales and income projection or a project pro forma for proposed project for the next 3 to 5 years.**

See attached proforma listed as Narrative P

**Please attach chart if space provided is not sufficient

FINANCIAL INFORMATION OF THE COMPANY

A. For existing businesses:

- The Applicant must submit three (3) years of accountant prepared financial statements.
- The Applicant must submit a current Certificate of Good Standing from the Department of State for the business.

B. For new businesses:

- The Applicant must submit three (3) years of personal tax returns for the owner(s).
- The Applicant must submit three (3) years of tax returns for the related businesses as well as Certificates of Good Standing from the Department of State.

The requested Financial Information of the Company is to be kept confidential and is not subject to the Freedom of Information Law (FOIL).

II. PROJECT INFORMATION

A) Project Address: 479 Main Street Highland Falls NY 10928

Tax Map Number 103-14.7, 8, 9,10,11.1,11.2 &12
(Section/Block/Lot)

Located in City of _____

Located in Town of Highlands

Located in Village of Highland Falls

School District of Highland Falls

B) Are utilities on site?

Water <u>yes</u>	Electric <u>yes</u>
Gas <u>yes</u>	Sanitary/Storm Sewer <u>yes</u>

C) Present legal owner of the site HF Main Street Real Estate Incorporated
If not the Applicant, who is owner and by what means will the site be acquired? If leasing, when does the lease end?

D) Zoning of Project Site: Current: B3 Proposed: B3

E) Are any variances needed? No

F) Environmental Information. An Environmental Assessment Form (EAF) MUST be completed and submitted along with this application. Please visit <https://www.dec.ny.gov/permits/6191.html> for the online EAF Mapper Application and EAF Forms.

1. Have any environmental issues been identified on the property?

☐ Yes or ☒ No

If yes, please explain:

2. Has any public body issued a State Environmental Quality Review Act determination for this Project?

☒ Yes or ☐ No

If yes, please attach to this application.

G) Attach copies of preliminary plans or sketches of proposed construction or rehabilitation or both.

H) Statement describing project. Include all uses and services, allocated square footages, improvements and equipment to be installed (i.e. land acquisition, construction of manufacturing facility, all exterior renovations including landscaping, etc.):

Narrative attached along with PDF copy of preliminary plan.

**Please attach narrative if space provided is not sufficient.

Attach a detailed description of the proposed project including all uses and services and allocated square footages, improvements and equipment to be installed.

I) Statement describing the impact of incentives on this project, should they be granted:

Narrative attached due to limited space.

****Please attach narrative if space provided is not sufficient.**

J) Statement describing the economic benefit to the surrounding community resulting from this project:

Narrative attached for answer number "H" above included the economic benefits of the project.

****Please attach narrative if space provided is not sufficient.**

K) Anticipated Date of Completion: 10/01/2028

L) Anticipated Date of Occupancy: 10/15/2028

M) Principal use of project upon completion:

- | | | | |
|--|---------------------------------------|-----------------------------------|--------------------------------------|
| ☐ manufacturing | ☐ warehousing | ☐ research | ☐ offices |
| ☐ Industrial | ☐ recreation | ☐ retail | ☐ residential |
| ☐ Training | ☐ data process | | |

If other, explain: Hotel and spa with conference services, restaurant, and office tenancy

Identify NAIC Code, if applicable 721110
(see <https://www.census.gov/naics/>)

Project Data

1. Project site (land)

(a) Indicate approximate size (in acres or square feet) of project site.

30,000 sf

(b) Are there buildings now on the project site? ☒ Yes ☐ No

(c) Indicate the present use of the project site.

duplex, fourplex

(d) Indicate relationship to present user of project.

None

2. Does the project involve acquisition of an existing building or buildings? If yes, indicate number, size, and approximate age of buildings:

buildings are already purchased and most razed

3. Does the project consist of the construction of a new building or buildings? If yes, indicate number and size of new buildings:

Yes, one large 130k sf building

4. Does the project consist of additions and/or renovations to existing buildings? If yes, indicate nature of expansion and/or renovation:

No

5. Estimated Start Date of Construction: 08/01/2026

6. Estimated End Date of Construction: 10/01/2028

Has construction work on this project begun? ☐ Yes or ☒ No

Complete the following

(a) site clearance	☐ Yes	☒ No	_____ % complete
(b) foundation	☐ Yes	☒ No	_____ % complete
(c) footings	☐ Yes	☒ No	_____ % complete
(d) steel	☐ Yes	☒ No	_____ % complete
(e) masonry work	☐ Yes	☒ No	_____ % complete
(f) other (describe below)	☐ Yes	☒ No	_____ % complete

7. If any space in the project is to be leased to third parties, indicate total square footage of the project amount to be leased to each tenant and proposed use by each tenant.

5000 sf of office spaced leased to company for presence at West Pt.

III. PROJECT COSTS & FINANCING

A) Estimated Project Costs

1. State the costs reasonably necessary for the acquisition, construction, and/or renovation of the Project:

Description of Cost Type	Total Budget Amount
Land Acquisition	5,109,000
Site Work/Demo	inc see cost document
Building Construction & Renovation	46,533,435
Furniture, Fixtures	included in equipment
Equipment Subject to NYS Production Sales Tax Exemption (Manufacturing)	7,132,969
Engineering/Architects Fees	1,300,000
Financial Charges	TBD
Legal Fees	TBD
Other	2,904,000
Management /Developer Fee	
Total Project Cost	63,000,000
Total Construction Budget (Project Cost – Acquisition Costs)	

Project refinancing; estimated amount
(for refinancing of existing debt only)

\$ _____

2. Sources of Funds for Project Costs:

(a) Bank Financing: \$ 47,250,000

(b) Equity (excluding equity that is attributed to grants/tax credits) \$ 13,850,000

(c)	Tax Exempt Bond Issuance (if applicable)	\$ <u>0</u>
(d)	Taxable Bond Issuance (if applicable)	\$ <u>0</u>
(e)	Public Sources (include sum total of all state and federal grants and tax credits)	\$ <u>1,900,000</u>

Identify each state and federal grant/credit:

<u>ESD CFA</u>	\$ <u> </u>
<u>1,900,000</u>	\$ <u> </u>
<u> </u>	\$ <u> </u>
<u> </u>	\$ <u> </u>
Total Sources of Funds for Project Costs:	\$ <u>63,000,000</u>

The total amount of public sector funding should equal the public sector amount listed in (2)(e) above.

B) Financial Assistance Requested (estimated values):

Applicants requesting exemptions and/or abatements from OCIDA must provide the estimated value of the savings they anticipate receiving. New York State regulations require OCIDA to recapture any benefit that exceeds the amount listed in this application.

1. Is the Applicant expecting that the financing of the Project will be secured by one or more mortgages: ☒ Yes ☐ No

If yes, list amount requested and name of lender: TBD \$47,250,000

2. Benefits Requested:

☒ Sales Tax Exemption ☐ Tax-Exempt/ Taxable Revenue Bond

☒ Mortgage Recording Tax Exemption ☒ Real Property Tax Agreement

C) Amount of Exemption/Abatement Requested:

IDA PILOT Benefit:

1. Is the Applicant requesting a payment in lieu of tax agreement (PILOT) for the purpose of a real property tax abatement? ☒ Yes ☐ No

If yes, identify from the Agency's UTEP the category of PILOT requested:

Is the Applicant requesting any real property tax abatement that is **inconsistent** with the Agency's UTEP? ☐ Yes ☒ No

Please contact the Executive Director prior to submission of this Application for assistance with PILOT calculation.

Sales and Use Tax:

2. Estimated value of Sales Tax exemption for facility construction, fixtures and equipment:

\$ 53,686,404 * X .08125 (4.125% State, 4% local) = \$ 4,362,019

*(Amount of project cost subject to tax)

Mortgage Recording Tax Exemption Benefit:

3. Estimated value of Mortgage: \$ 47,250,000

Estimated value of Mortgage Recording Tax exemption:

\$ 47,250,000 X .0075 = \$ 354,375

(Projected Amount of Mortgage X Mortgage Recording Tax = Total)

**To calculate the value of this exemption take 1.05% of the mortgage amount from (C)(3) above to get the "mortgage recording tax" and then multiply the mortgage recording tax figure by 75%. You will receive an exemption equal to 75% of the mortgage recording tax.

Tax-Exempt/ Taxable Revenue Bond Benefit:

☐ Amount of Bonds, if requested: \$ _____

Is a purchaser for the Bonds in place? ☐ Yes or ☒ No

D) Likelihood of Undertaking Project without Receiving Financial Assistance

Please confirm by checking the box below, will this project move forward without the requested incentives?

☐ Yes or ☒ No

If the Project will be undertaken without Financial Assistance provided by the Agency, then provide a statement in the space provided below indicating why the Project should be given economic incentives by the Agency:

The project cannot be developed without the requested assistance from OCIDA. We are hopeful and optimistic that OCIDA will support this pioneering anchor project to serve as a catalyst for revitalization of Highland Falls, inspiring additional investment in the village.

E) In accordance with N.Y. GML Sec. 862(1):

1. Will the Project primarily consist of retail facilities that will be primarily used in making sales of goods or services to customers who personally visit the Project site as defined in Section 862(2)(a) of the GML?

☐ Yes ☒ No

If yes, will the cost of these facilities exceed one-third of the total Project cost?

☐ Yes ☒ No

2. Will the Project be in a census tract or block numbering area (or census tract or block numbering area contiguous thereto) which, according to the most recent census data, has (i) a poverty rate of at least 20% for the year in which the data relates, or at least 20% of households receiving public assistance, and (ii) an unemployment rate of at least 1.25 times the statewide unemployment rate for the year to which the data relates? (Source: United States Census Bureau <https://factfinder.census.gov/>)

☐ Yes ☒ No

3. Is the Project site designated as an Empire Zone?

☐ Yes ☒ No

4. Is the Project location or facility likely to attract a significant number of visitors from outside the Mid-Hudson Economic Development Region (i.e.: Orange, Dutchess, Putnam, Rockland, Sullivan, Ulster, and Westchester counties)?

☒ Yes ☐ No

5. Will the Project make available goods or services which are not currently reasonably accessible to the residents of the municipality within which the proposed Project would be located?

☒ Yes ☐ No

6. Will any other companies or related facilities within the state close or be subjected to reduced activity as a result of this Project? If so please list the town and county of the location(s):

☐ Yes ☒ No

7. Will the completion of the Project result in the removal of a plant or facility of the Applicant from one area of the State New York to another area of the State of New York?

☐ Yes ☒ No

8. Will the completion of the Project result in the abandonment of one or more plants or facilities of the Applicant located in the State of New York?

☐ Yes ☒ No

a. If any answer to questions 6, 7 or 8 above is yes, is the Project reasonably necessary to discourage the Applicant from removing such other plant or facility to a location outside the State of New York?

☐ Yes ☐ No

b. If any answer to questions 6, 7 or 8 above is yes, is the Project reasonably necessary to preserve the competitive position of the Applicant in its respective industry?

☐ Yes ☐ No

IV. EMPLOYMENT PLAN

A) Current Employee Headcount:

	Current # of jobs at proposed project location or to be relocated to project location from existing facility (e.g. retained jobs)	IF FINANCIAL ASSISTANCE IS GRANTED – project the number of FTE and PTE jobs to be CREATED within THREE Years after Project completion			Estimate number of residents of the Labor Market Area in which the Project is located that will fill the FTE and PTE jobs to be created upon THREE years after Project Completion** 546,042				
		End of Year 1	End of Year 2	End of Year 3	End of Year 1	End of Year 2	End of Year 3	Total New Jobs After 5 Years	Total Retained Jobs After 5 Years
Full Time (FTE)	0	61	66	72	61	66	72	79	
Part Time (PTE)	0			0					
Total	0	61	66	72	61	66	72	79	

Full-time Employee Definition: (i) a full-time, permanent, private-sector employee on the Company's payroll, who has worked at the Project Location for a minimum of 35 hours per week for more than six months of a year and who is entitled to receive the usual and customary fringe benefits extended by Recipient to other employees with comparable rank and duties; or (ii) two part-time, permanent, private sector employees on Recipient's payroll, who have worked at the Project Location for a combined minimum of 35 hours per week for more than six months of a year and who are entitled to receive the usual and customary fringe benefits extended by Recipient to other employees with comparable rank and duties.

**For the purposes of this question, please estimate the number of FTE and PTE jobs that will be filled, as indicated in the third column, by residents of the Labor Market Area, in the fourth column. The Labor Market Area includes Orange County and the surrounding region (or six other contiguous counties, including Orange County, chosen at the Agency's discretion).

B) Salary and Fringe Benefits for Jobs to be Created:

Category of Jobs to be Created	Number of Jobs to be created in Year 1	Number of Jobs to be created in Year 2	Number of Jobs to be created in Year 3	Average Salary or Salary Range	Average Fringe Benefit or Range of Fringe Benefits
Management	5	5	6	40,000-60,000	20% - 25%
Professional					
Administrative	12	14	15	40,000-50,000	20% - 30%
Sales	2	3	4	50,000 - 80,000	20% - 25%
Production/ Manufacturing	42	44	47	23,000 - 40,000	25% - %35%
Independent Contractor					
Other (specify)					

If there is a salary range larger than \$20,000 in a category above please provide additional breakdown information below:

Sales roles include base salary plus variable compensation with no cap so compensation can vary based on success.

****Please attach breakdown if space provided is not sufficient.**

C) Salary and Fringe Benefits for Jobs to be Retained:

Category of Jobs to be Retained	Current Number of Jobs	Average Salary or Salary Range	Average Fringe Benefit or Range of Fringe Benefits
Management	N/A		
Professional	N/A		
Administrative	N/A		
Sales	N/A		

Production/ Manufacturing	N/A		
Independent Contractor			
Other (specify)			

D) Describe the benefits or benefits package offered to employees:

Dental and health insurance benefits are included in compensations package, including but not limited to medical, dental, and vision benefits. Employees also receive vacation time and personal days commensurate with their position in the organization. Three free meals per day are served in cafeteria.

**Please attach narrative if space provided is not sufficient.

E) Describe internal training and advancement opportunities offered to employees:

See attached narrative

**Please attach narrative if space provided is not sufficient.

V. REPRESENTATIONS BY THE APPLICANT

The Applicant understands and agrees with the Agency as follows:

- A. Job Listings In accordance with Section 858-b(2) of the New York General Municipal Law, the applicant understands and agrees that, if the proposed project receives any Financial Assistance from the Agency, except as otherwise provided by collective bargaining agreements, new employment opportunities created as a result of the proposed project must be listed with the New York State Department of Labor Community Services Division (the "DOL") and with the administrative entity (collectively with the DOL, the "JTPA Entitle") of the service delivery area created by the federal job training partnership act (Public Law 97-300) ("JTPA") in which the project is located.
- B. First Consideration for Employment In accordance with Section 858-b(2) of the General Municipal Law, the applicant understands and agrees that, if the proposed project receives any Financial Assistance from the Agency, except as otherwise provided by collective bargaining agreements, where practicable, the applicant must first consider persons eligible to participate in JTPA programs who shall be referred by the JTPA Entities for new employment opportunities created as a result of the proposed project.
- C. A liability and contract liability policy for a minimum of three million dollars will be furnished by the Applicant insuring the Agency.
- D. Annual Sales Tax Fillings In accordance with Section 874(8) of the General Municipal Law, the Applicant understands and agrees that, if the proposed project receives any sales tax exemptions as part of the Financial Assistance from the Agency, in accordance with Section 874(8) of the General Municipal Law, the applicant agrees to file, or cause to be filed, with the New York State Department of Taxation and Finance, the annual form prescribed by the Department of Taxation and Finance, describing the value of all sales tax exemptions claimed by the applicant and all consultants or subcontractors retained by the Applicant.
- E. Annual Employment Reports and Outstanding Bonds: The Applicant understands and agrees that, if the Project receives any Financial Assistance from the Agency, the Applicant agrees to file, or cause to be filed, with the Agency on an annual basis, reports regarding the number of FTE at this Project site. The Applicant also understands and agrees to provide on an annual basis any information regarding bonds, if any, issued by the Agency for the Project that is requested by the Comptroller of the State of New York.
- F. Compliance with N.Y. GML Sec. 862(1): In accordance with §862 (1) of the New York General Municipal Law, the Applicant understands and agrees that projects which will result in the removal of an industrial or manufacturing plant of the Project occupant from one area of the state to another area of the state or in the abandonment of one or more plants or facilities of the Project occupant within the state is ineligible for Agency Financial Assistance, unless otherwise approved by the Agency as reasonably necessary to preserve the competitive position of the Project in its respective industry.
- G. Compliance with Applicable Laws: The Applicant confirms and acknowledges that the owner, occupant, or operator receiving Financial Assistance for the proposed Project is in substantial compliance with applicable local, state and federal tax, worker protection and environmental laws, rules and regulations.

- H. False and Misleading Information: The Applicant confirms and acknowledges that the submission of any knowingly false or knowingly misleading information may lead to the immediate termination of any Financial Assistance and the reimbursement of an amount equal to all or part of any tax exemption claimed by reason of the Agency's involvement the Project.
- I. Recapture: Should the Applicant not expend, hire as presented, or violates Sales Tax Exemption regulations, the Agency may view such information/status as failing to meet the established standards of economic performance. In such events, some or all of the benefits taken by the Applicant will be subject to recapture.
- J. Rescission of Benefits Conferred: Applicant understands and agrees that in the event that (a) the Applicant does not proceed to final Agency approval within six (6) months of the date the Agency adopts its initial approval resolution and/or (b) close with the Agency on the requested financial assistance within twelve (12) months of the date the Agency adopts its initial resolution, the Agency reserves its right to rescind and cancel all prior approvals. In the event the Agency rescinds its approvals and the Applicant re-applies to the Agency, the Applicant understands and agrees that its re-application will be subject to any and all changes in law, Agency policies or fees imposed by the Agency that are in effect as of the date of re-application.
- K. Absence of Conflicts of Interest: The applicant has received from the Agency a list of the members, officers, and employees of the Agency. No member, officers or employee of the Agency has an interest, whether direct or indirect, in any transaction contemplated by this Application, except as hereinafter described:
- L. Freedom of Information Law (FOIL): The applicant acknowledges that the OCIDA is subject to New York State's Freedom of Information Law (FOIL). Applicants understand that all project information and records related to this application are potentially subject to disclosure under FOIL subject to limited statutory exclusions.
- M. The IDA is legally required to submit an annual PARIS report to the state that requires information from each project. Applicant participation is **NOT OPTIONAL. ALL INFORMATION** must be submitted in a **COMPLETE** and **TIMELY** manner. Failure to comply with this request **WILL RESULT** in a **LOSS/RECAPTURE** of **ALL OR SOME** of your benefits.
- N. GML Compliance: The Applicant certifies that, as of the date of the Application, the proposed project is in substantial compliance with all provisions of NYS General Municipal Law Article 18-A, including but not limited to Sections 859-a and 862(1).
- O. OCIDA's Policies: The Applicant is familiar with all of OCIDA's policies posted on its website <https://www.ocnyida.com> and agrees to comply with all applicable policies.
- P. Disclosure: Article 6 of the Public Officers Law declares that all records in the possession of the OCIDA (with certain limited exceptions) are open to public inspection and copying. If the Applicant feels that there are elements of the Project which are in the nature of trade secrets which, if disclosed to the public or otherwise widely disseminated, would cause substantial injury to the Applicant's competitive position, the Applicant must identify such elements in writing and request that such elements be kept confidential. In accordance with Article 6 of the Public Officers Law, if requested, OCIDA may also redact personal, private, and/or

proprietary information from publicly disseminated documents. The Applicant understands that the Applicant must identify in writing to OCIDA any information it deems proprietary or personal and seeks to have redacted and the rationale therefore.

- Q. Reliance: THE APPLICANT ACKNOWLEDGES THAT ALL ESTIMATES OF PROJECTED FINANCIAL IMPACTS, VALUE OF FINANCIAL ASSISTANCE REQUESTED, AND OTHER INFORMATION CONTAINED IN THIS APPLICATION WILL BE RELIED UPON BY OCIDA AND ANY CHANGES IN SUCH INFORMATION MUST BE MADE IN WRITING AND MAY IMPACT THE GRANT OF FINANCIAL ASSISTANCE TO THE PROJECT.
- R. Prevailing Wage: The Company hereby acknowledges and agrees that the Financial Assistance being provided by the Agency under the Company Documents constitutes "public funds" unless otherwise excluded under Section 224-a(3) of the New York Labor Law, and by executing this Agreement, (i) confirms that it has received notice from the Agency pursuant to Section 224-a(8)(d) of the New York Labor Law and (ii) acknowledges its obligations pursuant to Section 224-a(8)(a) of the New York Labor Law. Other than the Agency Financial Assistance estimates provided herein and disclosed to the Company, the Agency makes no representations or covenants with respect to the total sources of "public funds" received by the Company in connection with the Project.

AGENCY FEE SCHEDULE

Fee Schedule for Orange County IDA and Orange County Funding Corp. (the “Agency”)

A. **Application Fees:** \$5,000 total, due at time of application submission, non-refundable, paid as follows:

- **Administrative Application Fee:** \$2,500 to be remitted directly to the Agency; *and*
- **Counsel Application Fee:** \$2,500 to be remitted directly to the Agency’s legal counsel.

B. **Project Commitment Fees:**

- **Agency Fee:** Due with fully executed Inducement Resolution. Non-refundable. Commitment Fee is 10% of the total estimated closing fee, not less than \$2,500 nor more than \$10,000. Paid amount is applied to Closing Fee.

- **Counsel Fee:** Due with fully executed Inducement Resolution. Non-refundable. Commitment Fee is 10% of the total estimated closing fee, not less than \$2,500 nor more than \$10,000. Paid amount is applied to Closing Fee.

- **Reimbursement of Expenses Fee:** In the event the project does not proceed to closing, the Agency shall be entitled to reimbursement from the Applicant for all third parties expenses incurred, including but not limited to, public hearing notice publication, transcription services, costs affiliated with procurement of public hearing venues and the costs incurred in connection with cost-benefit analysis calculations.

C. **Closing Fees:**

i. For **Sales Tax Exemption** benefit:

- **Agency Fee:** Agency fee is .5% of the first \$4,000,000 of the total project cost that is subject to sales tax, plus .25% of the remaining cost of the project subject to sales tax.

- **Counsel Fee:** Base \$2,500 fee, plus .5% on the first \$500,000; and .25% thereafter on the portion of the project receiving the benefit. Minimum closing fee is \$2,500.

ii. For **Mortgage Recording Tax Exemption** benefit:

- **Agency Fee:** Agency fee is .1% of the value of the mortgage.
- **Counsel Fee:** Base \$2,500 fee, plus .5% on the first \$500,000; and .25% thereafter on the portion of the project receiving the benefit. Minimum closing fee is \$2,500.

iii. For **PILOT Agreements**:

• **Agency Fee:** The Orange County Industrial Development Agency will impose a fee for all Payment In Lieu of Tax (PILOT) Agreements provided by the Agency. The fee is due upon closing and is dependent upon the project's specific industry sector, as follows:

- **Priority Industry Sector:** Fee is 1% of the first \$2,000,000 of the total project costs (including land acquisition costs), plus .5% of the amount above that.
 - **Manufacturing Sector:** Fee is 1% of the first \$2,000,000 of the total project costs, plus .5% of the amount above that.
 - **Workforce Housing:** Fee is 1% of the first \$2,000,000 of the total project costs, plus .5% of the amount above that.
 - **Hotel/Hospitality Sector:** Fee is 1% of the total project costs.
 - **Warehouse/Distribution Sector:** Fee is 1% of the total project costs.
 - **Retail Sector:** Fee is 2% of the first \$2,000,000 of the total project costs, plus 1% of the amount above that.
- **Counsel Fee:** Base \$2,500 fee, plus .5% on the first \$500,000; and .25% thereafter on the portion of the project receiving the benefit. Minimum closing fee is \$2,500.

iv. For **Bond Transactions**:

Closing fees for bond transactions are based on the principal amount of the bonds issued, as follows:

For **Tax-Exempt Bonds**:

- The first \$10 million of principal amount: 1% of total bond value;
- The next \$10 million – \$25 million: .5% of bond value;
- Remaining principal amount above \$35 million: .25% of bond value.

For **Taxable Bonds**:

- 1/4% of the principal amount of the bonds.

For **Refinancing Bonds**:

- .5% of the principal amount of the bonds to be refinanced.

Please note that the minimum fee for a Bonds transaction is \$10,000.

Statutory Mandated Bond Issuance Charge (BIC)

Pursuant to Section 51 of Chapter 56 of the Laws of 2024 Under State law, there is a statutory fee required for all bonds issued by the Agency, which is payable to the New York State Department of Taxation and Finance. Note: This fee is only applicable to bonds issued by the Orange County IDA. The BIC fee is calculated as a percentage of the Principal Amount of Bonds Issued at the following rates:

- \$20,000,000 or less: 0%
- More than \$20,000,000: .35%

Counsel Fees: There will be a bond counsel fee based on the standard hourly billing rates of the Bond Counsel providing services, plus disbursements. Bond Counsel will provide monthly statements, if requested. Payment of fees and disbursements will be due at closing or upon abandonment of the financing.

With respect to each element of the Closing Fees set forth above, the portion of the Agency Fee applicable to the applicable element or elements shall be due upon execution and delivery of the documentation creating the applicable benefit.

If at any time the Project costs change prior to the Final Resolution, please inform management immediately for closing fee recalculation purposes.

Please initial stating you understand the foregoing, have provided accurate project costs, and consent to the estimated closing fee provided above
___RM___

D. ANNUAL COMPLIANCE FEE

An Annual Compliance Fee in the amount of \$750 will be charged to all active projects of the Agency.

Annual compliance requirements include: Proof of insurance; proof of PILOT payments; copy of ST340 sales tax exemption form; status of job creation and retention; and, any additional data

that may be required by the New York State Comptroller. The first payment of the compliance fee will be due at closing; for succeeding years, **February 20th** will be the due date.

The annual compliance fee does not include fees that the Applicant may be required to pay to an independent third-party auditor for monitoring compliance with Prevailing Wage Requirements or Local Labor Requirements, whichever is applicable.

The Agency reserves the right to adjust the Annual Compliance Fee from time to time.

E. LOCAL LABOR MONITORING FEES

The Agency will retain an independent third party to review compliance by the Applicant with the Prevailing Wage Requirements or the Local Labor Requirements, whichever is applicable. The Applicant shall be responsible for the fees and expenses of such independent third-party relating to the foregoing monitoring responsibilities.

The Agency employs a third-party firm, or firms, to monitor compliance with our Local Labor Policy (attached hereto). The total anticipated labor monitoring fees, borne entirely by the applicant, are assessed up-front, upon the closing of your OCIDA transaction. However, if Project delays occur or if extra monitoring is required, additional fees may be assessed. These fees will be deposited into a non-interest-bearing escrow account and will fund the ongoing audit of Local Labor Policy compliance throughout construction of the Project.

Any unused funds on deposit with the Agency will be returned to the applicant upon Project completion. Additional information relating to this monitoring program may be obtained upon request from the Agency.

The total anticipated monitoring fees are based on total project costs:

- Less than \$5 million: \$5,000.
 - Greater than \$5 million, less than \$15 million: \$10,000.
 - Greater than \$15, less than \$25 million: \$20,000.
 - Greater than \$25 million, less than \$50 million: \$30,000.
 - Greater than \$50 million, less than \$100 million: \$45,000.
 - Greater than \$100 million, less than \$500 million: \$55,000.
 - Greater than \$500 million: To be determined by the Agency.
-
- **Agency Administrative Fee:** 2% of the total anticipated Local Labor monitoring fees.

F. OTHER TRANSACTION FEES

- Amendments, Assignments and other transactions: \$1,500.00
- Project Termination Fee: \$1,000.00
- Submitting Annual Compliance Data after February 20th: \$2,500.00

This Agency Fee Schedule is the standard used when calculating all Project fees. These fees are not open for negotiation.

Please initial stating you understand and consent to the above

COMPLETENESS OF APPLICATIONS

An application must be deemed complete by the Agency before the Agency will take any action with respect to the proposed project and financial assistance being requested.

In order to be complete, an Application must include the following upon submission:

1. Signed and notarized Application.
2. Signed acknowledgment of having read and agreed to the Agency's Local Construction Labor Policy.
3. Completed Environmental Assessment Form.
6. Check or other form of payment of Agency Application Fee in the amount of \$2,500.00.

The sufficiency of the information included in the Application shall be determined in the sole discretion of the Agency, and upon a request by the Agency for further information, the Application will not be deemed complete until such time as the requested information has been provided to the Agency.

Please Make All Checks Payable to:

EXHIBIT “C”
LABOR POLICY
ORANGE COUNTY INDUSTRIAL DEVELOPMENT AGENCY / ORANGE COUNTY FUNDING
CORPORATION
Adopted 08-06-25

The Orange County Industrial Development Agency (IDA) was established for the purpose of creating employment opportunities for, and to promote the general prosperity and economic welfare of the residents of Orange County. The IDA offers economic incentives and benefits to qualified applicants who wish to locate or expand their businesses or facilities in Orange County. When the IDA approves a project, it enters into agreements to extend these incentives and benefits to the applicant.

Construction jobs, though limited in time duration, are vital to the overall employment opportunities and economic growth in Orange County. The IDA believes that companies benefiting from its incentive programs should employ local laborers, mechanics, craft persons, journey workers, equipment operators, truck drivers and apprentices (hereinafter “construction workers”), including those who have returned from military service, during the construction phase of projects. In this way, the IDA can generate significant benefits to advance the County’s general prosperity. It is, therefore, the policy of the IDA that firms benefiting from its programs shall employ workers from Orange County and the “local labor” market during all project phases, including the construction phase.

For the purpose of this policy, the “local labor” market for construction workers shall be defined as those individuals living in Orange, Ulster, Sullivan, Dutchess, Putnam, Rockland, Westchester, and Delaware Counties. Applicants receiving IDA benefits shall ensure the contractor/developer hire at least 85% from the “local labor” market for their approved projects. The 85% shall be borne by each primary contractor, and in total at the time of completion of the project. The contractor/developer is mandated to keep daily log sheets of all field workers, commencing on the date of application. Any work performed after application shall be included in the determination of overall compliance with the 85% hiring requirements of this policy. A third-party auditing firm will be engaged to monitor construction work commencing on the date benefits are granted by resolution of the IDA Board.

However, the IDA recognizes that the use of local labor may not be possible for the following reasons and the applicant may request an exemption on a particular contract or trade scope for the following reasons:

1. Warranty issues related to installation of specialized equipment whereby the manufacturer requires installation by only approved installers;
2. Specialized construction is required, and no local contractors or local construction workers have the required skills, certifications or training to perform the work;

3. Cost Differentials:
 - a. For projects whose project cost exceeds \$15M, significant cost differentials in bid prices whereby the use of local labor and materials significantly increases the sub contract or contract of a particular trade or work scope by at least 20%. Every reasonable effort should be made by the applicant and or the applicant's contractor to get below the 20% cost differential including, but not limited to, communicating and meeting with local construction trade organizations, such as the Hudson Valley Building and Construction Trades Council and other local Contractor Associations;
 - b. For projects whose project cost is less than \$15M, significant cost differentials in bid prices whereby the use of local labor and materials significantly increases the sub contract or contract of a particular trade or work scope by 10% or more. Every reasonable effort should be made by the applicant and or the applicant's contractor to get below the 10% cost differential including, but not limited to, communicating and meeting with local construction trade organizations, such as the Hudson Valley Building and Construction Trades Council and other local Contractor Associations;
4. No labor is available for the project; and
5. The contractor requires key or core persons such as supervisors, foreman or "construction workers" having special skills that are not available in the "local labor" market.

The request to secure an exemption for the use of non-local labor must be received from the applicant on the exemption form provided by the IDA or the 3rd party monitor and received in advance of work commencing. The request will be reviewed by the 3rd party monitor and forwarded to the IDA, at which time the IDA's Audit Committee shall have the authority to approve or disapprove the exemption. The 3rd party monitor shall report each authorized exemption to the Board of Directors at its monthly meeting.

It is the goal of the County of Orange and the IDA to promote the use of local veterans on projects receiving IDA benefits. By partnering with local contractors, local contractor groups, local trade unions and contractors awarded work on IDA projects, there are opportunities for veterans to gain both short term and long term careers in the construction industry.

Once approved for IDA benefits, all applicants will be required to provide to IDA staff the following information:

1. Description of the nature of construction jobs created by the project, including in as much detail as possible, the number, type and duration of construction positions;
2. The names, contact information, certificate of authorization to do business in the State of New York and copies of current Certificates of NYS Workers' Compensation Insurance, NYS Disability Insurance, General Liability Insurance and proof of current OSHA training certification from all contractors' employees performing work on the site; and
3. A Construction Completion Report listing the names and business locations of prime contractors, subcontractors and vendors who have been engaged in the construction phase of the project.

All Orange County IDA projects are subject to local monitoring by the IDA and any 3rd party monitor. The applicant and/or the Construction Manager or General Contractor acting as agent for the applicant on the project, shall keep a log book on site detailing the number of workers, hours worked and counties and states in which they reside. Proof of residency or copy of drivers' license shall be included in the log book, along with evidence of necessary OSHA certifications. Reports will be on forms provided by the IDA or weekly payroll reports which contain the same information as required on the IDA issued form. The applicant and contractors are subject to periodic inspection or monitoring by the IDA or 3rd party monitor.

The 3rd party monitor shall issue a report to the IDA staff immediately when an applicant or applicant's contractor is not in compliance with this labor policy. IDA staff shall advise the Audit Committee and/or IDA Board of non-compliance by email or at the next scheduled meeting. If a violation of policy has occurred, IDA staff shall notify the applicant and contractor in writing of non-compliance and give applicant a warning of violation and 72 hours in which to correct such violation. Upon evidence of continued non-compliance or additional violations, the IDA and/or its 3rd party monitor shall notify the applicant that the project is in violation of the Orange County IDA Labor Policy and is subject to IDA Board action which may result in the revocation, termination and/or recapture of any or all benefits conferred by the IDA.

The IDA will use a third party firm or firms to monitor and audit compliance with this local labor policy, the cost of which shall be paid for by the Company in advance of the audits and held in a non-interest bearing escrow account until audits are complete.

The applicant of an IDA approved project shall be required to maintain a 4' X 8' bulletin board on the project site containing the following information:

1. Contact information of the applicant;
2. Summary of the IDA benefits received;
3. Contractor's names and contact information on IDA provided form;
4. Copies of proof of exemption from labor policy;
5. Copies of any warnings or violations of policy;
6. Copy of the Executed Labor Policy.

The bulletin board shall be located in an area that is accessible to onsite workers and visitors, which should be clear and legible at least 10 feet from said board.

The applicant has read the OCIDA Labor Policy and agrees to adhere to it without changes and shall require its construction manager, general contractor and sub-contractors who are not exempt to acknowledge the same. The Applicant understands and agrees that it is responsible for all third-party auditing and monitoring costs.

Section II Project Information Item F

Attached is EAF part 1 submission for the project. Please note that the name on the application is HF Main Street Real Estate Incorporated, the current owner of the parcels. South Gate Flats LTD had no standing to file the EAF. Additionally, note that the project at the time was only 63 units and has since changed to a 100 room Hotel and Spa to clarify any discrepancy in this EAF submission and our current application to the IDA. The project will be the 100 rooms hotel and spa and the 63 units project had been abandoned. The EAF part 1 application remains the same for the same parcels of land.

Full Environmental Assessment Form
Part 1 - Project and Setting

Instructions for Completing Part 1

Part 1 is to be completed by the applicant or project sponsor. Responses become part of the application for approval or funding, are subject to public review, and may be subject to further verification.

Complete Part 1 based on information currently available. If additional research or investigation would be needed to fully respond to any item, please answer as thoroughly as possible based on current information; indicate whether missing information does not exist, or is not reasonably available to the sponsor; and, when possible, generally describe work or studies which would be necessary to update or fully develop that information.

Applicants/sponsors must complete all items in Sections A & B. In Sections C, D & E, most items contain an initial question that must be answered either “Yes” or “No”. If the answer to the initial question is “Yes”, complete the sub-questions that follow. If the answer to the initial question is “No”, proceed to the next question. Section F allows the project sponsor to identify and attach any additional information. Section G requires the name and signature of the applicant or project sponsor to verify that the information contained in Part 1 is accurate and complete.

A. Project and Applicant/Sponsor Information.

Name of Action or Project: Mixed-Use Downtown Anchor Building Zoning Amendment and Conditional Use Application for 149 Main Street		
Project Location (describe, and attach a general location map): Village of Highland Falls B-1 Zoning District within one-quarter mile of the Thayer Gate of the US Military Academy		
Brief Description of Proposed Action (include purpose or need): The action is amendment to the Village of Highland Falls Zoning Ordinance of 1969 to allow application for authorization of large mixed-use downtown anchor buildings as a conditional use of the Board of Trustees and authorization of a 29,165 square foot tract for as a mixed-use downtown anchor building comprising 135,500 square feet of floor area to be used for 63 residential units, most of which are anticipated to be rented as overnight accommodations on a short-term basis, approximately 4,859 square feet of spa-fitness, 9,986 square feet of office/conference space, and 3,220 square feet of retail, service or restaurant use.		
Name of Applicant/Sponsor: HF Main Street Real Estate, Inc.	Telephone: (512) 563-3617	
	E-Mail: rickmm86@gmail.com	
Address: 6008 Hood Hollow		
City/PO: Austin	State: TX	Zip Code: 78731
Project Contact (if not same as sponsor; give name and title/role): Maximilian Stach - Planner	Telephone: 845-368-1472 x106	
	E-Mail: mstach@nelsonpope.com	
Address: 156 Route 59 Suite C6		
City/PO: Suffern	State: NY	Zip Code: 10901
Property Owner (if not same as sponsor):	Telephone:

City/PO:	State:	Zip Code:

B. Government Approvals

B. Government Approvals, Funding, or Sponsorship. ("Funding" includes grants, loans, tax relief, and any other forms of financial assistance.)

Government Entity	If Yes: Identify Agency and Approval(s) Required	Application Date (Actual or projected)
a. City Counsel, Town Board, ☒ Yes ☐ No or Village Board of Trustees	Village Board: Text Amendment; Conditional Use Authorization	June 17, 2019
b. City, Town or Village Planning Board or Commission ☒ Yes ☐ No	Town of Highlands Planning Board	TBD
c. City, Town or Village Zoning Board of Appeals ☐ Yes ☒ No		
d. Other local agencies ☐ Yes ☒ No		
e. County agencies ☒ Yes ☐ No	Orange County Health Department - Possible Approval of Hotel	TBD
f. Regional agencies ☐ Yes ☒ No		
g. State agencies ☐ Yes ☒ No		
h. Federal agencies ☐ Yes ☒ No		
i. Coastal Resources. i. Is the project site within a Coastal Area, or the waterfront area of a Designated Inland Waterway? ☒ Yes ☐ No ii. Is the project site located in a community with an approved Local Waterfront Revitalization Program? ☐ Yes ☒ No iii. Is the project site within a Coastal Erosion Hazard Area? ☐ Yes ☒ No		

C. Planning and Zoning

C.1. Planning and zoning actions.

Will administrative or legislative adoption, or amendment of a plan, local law, ordinance, rule or regulation be the only approval(s) which must be granted to enable the proposed action to proceed? ☐ Yes ☒ No

- If Yes, complete sections C, F and G.
- If No, proceed to question C.2 and complete all remaining sections and questions in Part 1

C.2. Adopted land use plans.

a. Do any municipally- adopted (city, town, village or county) comprehensive land use plan(s) include the site where the proposed action would be located? ☒ Yes ☐ No

If Yes, does the comprehensive plan include specific recommendations for the site where the proposed action would be located? ☒ Yes ☐ No

b. Is the site of the proposed action within any local or regional special planning district (for example: Greenway; Brownfield Opportunity Area (BOA); designated State or Federal heritage area; watershed management plan; or other?) ☐ Yes ☒ No

If Yes, identify the plan(s):

c. Is the proposed action located wholly or partially within an area listed in an adopted municipal open space plan, or an adopted municipal farmland protection plan? ☒ Yes ☐ No

If Yes, identify the plan(s):

Village of Highland Falls Comprehensive Plan - 2009

C.3. Zoning

a. Is the site of the proposed action located in a municipality with an adopted zoning law or ordinance. ☒ Yes ☐ No
If Yes, what is the zoning classification(s) including any applicable overlay district?

B-1 Village Business

b. Is the use permitted or allowed by a special or conditional use permit? ☐ Yes ☒ No

c. Is a zoning change requested as part of the proposed action? ☒ Yes ☐ No

If Yes,

i. What is the proposed new zoning for the site? Same Zoning District - Text Amendment to Allow Mixed-Use Downtown Anchor Buildings

C.4. Existing community services.

a. In what school district is the project site located? Highland Falls Central School District

b. What police or other public protection forces serve the project site?

Village of Highland Falls Police Department

c. Which fire protection and emergency medical services serve the project site?

Highland Falls Fire Department; Town of Highlands Ambulance

d. What parks serve the project site?

Roe Park, Memorial Park, Ladycliff Park; Harriman and Bear Mountain State Parks

D. Project Details

D.1. Proposed and Potential Development

a. What is the general nature of the proposed action (e.g., residential, industrial, commercial, recreational; if mixed, include all components)? mixed residential and commercial

b. a. Total acreage of the site of the proposed action? 7.66 (zoning) acres

b. Total acreage to be physically disturbed? 0.67 acres

c. Total acreage (project site and any contiguous properties) owned or controlled by the applicant or project sponsor? 0.67 acres

c. Is the proposed action an expansion of an existing project or use? ☐ Yes ☒ No

i. If Yes, what is the approximate percentage of the proposed expansion and identify the units (e.g., acres, miles, housing units, square feet)? % _____ Units: _____

d. Is the proposed action a subdivision, or does it include a subdivision? ☐ Yes ☒ No

If Yes,

i. Purpose or type of subdivision? (e.g., residential, industrial, commercial; if mixed, specify types)

ii. Is a cluster/conservation layout proposed? ☐ Yes ☐ No

iii. Number of lots proposed? _____

iv. Minimum and maximum proposed lot sizes? Minimum _____ Maximum _____

e. Will the proposed action be constructed in multiple phases? ☐ Yes ☒ No

i. If No, anticipated period of construction: 18 months

ii. If Yes:

- Total number of phases anticipated _____

- Anticipated commencement date of phase 1 (including demolition) _____ month _____ year

- Anticipated completion date of final phase _____ month _____ year

- Generally describe connections or relationships among phases, including any contingencies where progress of one phase may determine timing or duration of future phases: _____

f. Does the project include new residential uses? ☒ Yes ☐ No				
If Yes, show numbers of units proposed.				
	<u>One Family</u>	<u>Two Family</u>	<u>Three Family</u>	<u>Multiple Family (four or more)</u>
Initial Phase	_____	_____	_____	63
At completion of all phases	_____	_____	_____	63

g. Does the proposed action include new non-residential construction (including expansions)? ☒ Yes ☐ No	
If Yes,	
i. Total number of structures <u>1</u>	
ii. Dimensions (in feet) of largest proposed structure: <u>70</u> height; <u>200</u> width; and <u>140</u> length	
iii. Approximate extent of building space to be heated or cooled: <u>111328</u> square feet	

h. Does the proposed action include construction or other activities that will result in the impoundment of any liquids, such as creation of a water supply, reservoir, pond, lake, waste lagoon or other storage? ☐ Yes ☒ No	
If Yes,	
i. Purpose of the impoundment: _____	
ii. If a water impoundment, the principal source of the water: ☐ Ground water ☐ Surface water streams ☐ Other specify: _____	
iii. If other than water, identify the type of impounded/contained liquids and their source. _____	
iv. Approximate size of the proposed impoundment. Volume: _____ million gallons; surface area: _____ acres	
v. Dimensions of the proposed dam or impounding structure: _____ height; _____ length	
vi. Construction method/materials for the proposed dam or impounding structure (e.g., earth fill, rock, wood, concrete): _____	

D.2. Project Operations

a. Does the proposed action include any excavation, mining, or dredging, during construction, operations, or both? (Not including general site preparation, grading or installation of utilities or foundations where all excavated materials will remain onsite) ☒ Yes ☐ No	
If Yes:	
i. What is the purpose of the excavation or dredging? <u>Installing footings and foundation; building into hillside.</u>	
ii. How much material (including rock, earth, sediments, etc.) is proposed to be removed from the site?	
• Volume (specify tons or cubic yards): <u>~5,900 cubic yards</u> • Over what duration of time? <u>12 months</u>	
iii. Describe nature and characteristics of materials to be excavated or dredged, and plans to use, manage or dispose of them. <u>Swartswood gravelly loam soils. Will be tested and exported as clean fill.</u>	
iv. Will there be onsite dewatering or processing of excavated materials? ☐ Yes ☒ No	
If yes, describe. _____	
v. What is the total area to be dredged or excavated? <u>0.610</u> acres	
vi. What is the maximum area to be worked at any one time? <u>0.610</u> acres	
vii. What would be the maximum depth of excavation or dredging? <u>~15</u> feet	
viii. Will the excavation require blasting? ☐ Yes ☒ No	
ix. Summarize site reclamation goals and plan: <u>To be determined.</u>	

b. Would the proposed action cause or result in alteration of, increase or decrease in size of, or encroachment into any existing wetland, waterbody, shoreline, beach or adjacent area? ☐ Yes ☒ No	
If Yes:	
i. Identify the wetland or waterbody which would be affected (by name, water index number, wetland map number or geographic description): _____	

ii. Describe how the proposed action would affect that waterbody or wetland, e.g. excavation, fill, placement of structures, or alteration of channels, banks and shorelines. Indicate extent of activities, alterations and additions in square feet or acres:

iii. Will the proposed action cause or result in disturbance to bottom sediments? ☐ Yes ☐ No
If Yes, describe: _____

iv. Will the proposed action cause or result in the destruction or removal of aquatic vegetation? ☐ Yes ☐ No
If Yes:

- acres of aquatic vegetation proposed to be removed: _____
- expected acreage of aquatic vegetation remaining after project completion: _____
- purpose of proposed removal (e.g. beach clearing, invasive species control, boat access): _____
- proposed method of plant removal: _____
- if chemical/herbicide treatment will be used, specify product(s): _____

v. Describe any proposed reclamation/mitigation following disturbance: _____

c. Will the proposed action use, or create a new demand for water? ☒ Yes ☐ No
If Yes:

i. Total anticipated water usage/demand per day: _____ 12,750 gallons/day

ii. Will the proposed action obtain water from an existing public water supply? ☒ Yes ☐ No
If Yes:

- Name of district or service area: Highland Falls Water Department
- Does the existing public water supply have capacity to serve the proposal? ☒ Yes ☐ No
- Is the project site in the existing district? ☒ Yes ☐ No
- Is expansion of the district needed? ☐ Yes ☒ No
- Do existing lines serve the project site? ☒ Yes ☐ No

iii. Will line extension within an existing district be necessary to supply the project? ☐ Yes ☒ No
If Yes:

- Describe extensions or capacity expansions proposed to serve this project: _____
- Source(s) of supply for the district: _____

iv. Is a new water supply district or service area proposed to be formed to serve the project site? ☐ Yes ☒ No
If Yes:

- Applicant/sponsor for new district: _____
- Date application submitted or anticipated: _____
- Proposed source(s) of supply for new district: _____

v. If a public water supply will not be used, describe plans to provide water supply for the project: _____

vi. If water supply will be from wells (public or private), what is the maximum pumping capacity: _____ gallons/minute.

d. Will the proposed action generate liquid wastes? ☒ Yes ☐ No
If Yes:

i. Total anticipated liquid waste generation per day: _____ 12,750 gallons/day

ii. Nature of liquid wastes to be generated (e.g., sanitary wastewater, industrial; if combination, describe all components and approximate volumes or proportions of each): _____
sanitary wastewater - 100%

iii. Will the proposed action use any existing public wastewater treatment facilities? ☒ Yes ☐ No
If Yes:

- Name of wastewater treatment plant to be used: Highland Falls Village
- Name of district: Highland Falls Village
- Does the existing wastewater treatment plant have capacity to serve the project? ☒ Yes ☐ No
- Is the project site in the existing district? ☒ Yes ☐ No
- Is expansion of the district needed? ☐ Yes ☒ No

• Do existing sewer lines serve the project site? _____ • Will a line extension within an existing district be necessary to serve the project? If Yes: • Describe extensions or capacity expansions proposed to serve this project: _____	☒ Yes ☐ No ☐ Yes ☒ No
iv. Will a new wastewater (sewage) treatment district be formed to serve the project site? If Yes: • Applicant/sponsor for new district: _____ • Date application submitted or anticipated: _____ • What is the receiving water for the wastewater discharge? _____	☐ Yes ☒ No
v. If public facilities will not be used, describe plans to provide wastewater treatment for the project, including specifying proposed receiving water (name and classification if surface discharge or describe subsurface disposal plans): _____ _____	
vi. Describe any plans or designs to capture, recycle or reuse liquid waste: _____ _____ _____	
e. Will the proposed action disturb more than one acre and create stormwater runoff, either from new point sources (i.e. ditches, pipes, swales, curbs, gutters or other concentrated flows of stormwater) or non-point source (i.e. sheet flow) during construction or post construction? If Yes: i. How much impervious surface will the project create in relation to total size of project parcel? _____ Square feet or _____ acres (impervious surface) _____ Square feet or _____ acres (parcel size) ii. Describe types of new point sources. _____ iii. Where will the stormwater runoff be directed (i.e. on-site stormwater management facility/structures, adjacent properties, groundwater, on-site surface water or off-site surface waters)? _____ _____ • If to surface waters, identify receiving water bodies or wetlands: _____ • Will stormwater runoff flow to adjacent properties? _____	☐ Yes ☒ No ☐ Yes ☐ No ☐ Yes ☐ No
iv. Does the proposed plan minimize impervious surfaces, use pervious materials or collect and re-use stormwater?	☐ Yes ☐ No
f. Does the proposed action include, or will it use on-site, one or more sources of air emissions, including fuel combustion, waste incineration, or other processes or operations? If Yes, identify: i. Mobile sources during project operations (e.g., heavy equipment, fleet or delivery vehicles) <u>None</u> ii. Stationary sources during construction (e.g., power generation, structural heating, batch plant, crushers) <u>Temporary small generators and air compressors during construction.</u> iii. Stationary sources during operations (e.g., process emissions, large boilers, electric generation) <u>Possible building heating plant and backup generator.</u>	☒ Yes ☐ No
g. Will any air emission sources named in D.2.f (above), require a NY State Air Registration, Air Facility Permit, or Federal Clean Air Act Title IV or Title V Permit? If Yes: i. Is the project site located in an Air quality non-attainment area? (Area routinely or periodically fails to meet ambient air quality standards for all or some parts of the year) ii. In addition to emissions as calculated in the application, the project will generate: • _____ Tons/year (short tons) of Carbon Dioxide (CO₂) • _____ Tons/year (short tons) of Nitrous Oxide (N₂O) • _____ Tons/year (short tons) of Perfluorocarbons (PFCs) • _____ Tons/year (short tons) of Sulfur Hexafluoride (SF₆) • _____ Tons/year (short tons) of Carbon Dioxide equivalent of Hydrofluorocarbons (HFCs) • _____ Tons/year (short tons) of Hazardous Air Pollutants (HAPs)	☐ Yes ☒ No ☐ Yes ☐ No

h. Will the proposed action generate or emit methane (including, but not limited to, sewage treatment plants, landfills, composting facilities)? ☐ Yes ☒ No If Yes: i. Estimate methane generation in tons/year (metric): _____ ii. Describe any methane capture, control or elimination measures included in project design (e.g., combustion to generate heat or electricity, flaring): _____			
i. Will the proposed action result in the release of air pollutants from open-air operations or processes, such as quarry or landfill operations? ☐ Yes ☒ No If Yes: Describe operations and nature of emissions (e.g., diesel exhaust, rock particulates/dust): _____			
j. Will the proposed action result in a substantial increase in traffic above present levels or generate substantial new demand for transportation facilities or services? ☐ Yes ☒ No (use anticipated to capture existing pass-through traffic) If Yes: i. When is the peak traffic expected (Check all that apply): ☒ Morning ☐ Evening ☐ Weekend ☐ Randomly between hours of _____ to _____. ii. For commercial activities only, projected number of truck trips/day and type (e.g., semi trailers and dump trucks): _____ iii. Parking spaces: Existing <u>21</u> Proposed <u>63</u> Net increase/decrease <u>+39</u> iv. Does the proposed action include any shared use parking? ☒ Yes ☐ No v. If the proposed action includes any modification of existing roads, creation of new roads or change in existing access, describe: _____ vi. Are public/private transportation service(s) or facilities available within ½ mile of the proposed site? ☒ Yes ☐ No vii. Will the proposed action include access to public transportation or accommodations for use of hybrid, electric or other alternative fueled vehicles? ☐ Yes ☒ No viii. Will the proposed action include plans for pedestrian or bicycle accommodations for connections to existing pedestrian or bicycle routes? ☐ Yes ☒ No			
k. Will the proposed action (for commercial or industrial projects only) generate new or additional demand for energy? ☒ Yes ☐ No If Yes: i. Estimate annual electricity demand during operation of the proposed action: _____ <u>1,991MWh excluding residence/hotel</u> ii. Anticipated sources/suppliers of electricity for the project (e.g., on-site combustion, on-site renewable, via grid/local utility, or other): <u>Orange and Rockland Utilities</u> iii. Will the proposed action require a new, or an upgrade, to an existing substation? ☐ Yes ☒ No			
l. Hours of operation. Answer all items which apply. <table style="width: 100%;"> <tr> <td style="width: 50%; vertical-align: top;"> i. During Construction: • Monday - Friday: <u>8AM-7PM</u> • Saturday: _____ • Sunday: _____ • Holidays: _____ </td> <td style="width: 50%; vertical-align: top;"> ii. During Operations: • Monday - Friday: <u>24 Hours</u> • Saturday: <u>24 Hours</u> • Sunday: <u>24 Hours</u> • Holidays: <u>24 Hours</u> </td> </tr> </table>		i. During Construction: • Monday - Friday: <u>8AM-7PM</u> • Saturday: _____ • Sunday: _____ • Holidays: _____	ii. During Operations: • Monday - Friday: <u>24 Hours</u> • Saturday: <u>24 Hours</u> • Sunday: <u>24 Hours</u> • Holidays: <u>24 Hours</u>
i. During Construction: • Monday - Friday: <u>8AM-7PM</u> • Saturday: _____ • Sunday: _____ • Holidays: _____	ii. During Operations: • Monday - Friday: <u>24 Hours</u> • Saturday: <u>24 Hours</u> • Sunday: <u>24 Hours</u> • Holidays: <u>24 Hours</u>		

m. Will the proposed action produce noise that will exceed existing ambient noise levels during construction, operation, or both? ☒ Yes ☐ No If yes: i. Provide details including sources, time of day and duration: <u>Excavation and construction noise weekdays for 12 months during construction.</u>	
ii. Will the proposed action remove existing natural barriers that could act as a noise barrier or screen? ☐ Yes ☒ No Describe: _____	
n. Will the proposed action have outdoor lighting? ☒ Yes ☐ No If yes: i. Describe source(s), location(s), height of fixture(s), direction/aim, and proximity to nearest occupied structures: <u>All fixtures will be energy efficient downcast lighting to residential standards. Closest occupied structure is approximately 40-50 feet away but will be located at higher elevations. Rooftop lighting will not generally be visible to neighboring structures.</u>	
ii. Will proposed action remove existing natural barriers that could act as a light barrier or screen? ☐ Yes ☒ No Describe: _____	
o. Does the proposed action have the potential to produce odors for more than one hour per day? ☐ Yes ☒ No If Yes, describe possible sources, potential frequency and duration of odor emissions, and proximity to nearest occupied structures: _____	
p. Will the proposed action include any bulk storage of petroleum (combined capacity of over 1,100 gallons) or chemical products 185 gallons in above ground storage or any amount in underground storage? ☐ Yes ☒ No If Yes: i. Product(s) to be stored _____ ii. Volume(s) _____ per unit time _____ (e.g., month, year) iii. Generally, describe the proposed storage facilities: _____	
q. Will the proposed action (commercial, industrial and recreational projects only) use pesticides (i.e., herbicides, insecticides) during construction or operation? ☐ Yes ☒ No If Yes: i. Describe proposed treatment(s): _____	
ii. Will the proposed action use Integrated Pest Management Practices? ☐ Yes ☐ No	
r. Will the proposed action (commercial or industrial projects only) involve or require the management or disposal of solid waste (excluding hazardous materials)? ☒ Yes ☐ No If Yes: i. Describe any solid waste(s) to be generated during construction or operation of the facility: • Construction: _____ 880 tons per _____ total (unit of time) • Operation : _____ 2.81 tons per _____ week (unit of time) ii. Describe any proposals for on-site minimization, recycling or reuse of materials to avoid disposal as solid waste: • Construction: <u>Not applicable - construction debris will be appropriately discarded.</u> • Operation: <u>Proposed facilities will implement best sustainable practices for overnight accommodations.</u> iii. Proposed disposal methods/facilities for solid waste generated on-site: • Construction: <u>Construction debris will be appropriately discarded.</u> • Operation: <u>Town of Highlands collects recyclables and waste.</u>	

s. Does the proposed action include construction or modification of a solid waste management facility? ☐ Yes ☒ No

If Yes:

i. Type of management or handling of waste proposed for the site (e.g., recycling or transfer station, composting, landfill, or other disposal activities): _____

ii. Anticipated rate of disposal/processing:

- _____ Tons/month, if transfer or other non-combustion/thermal treatment, or
- _____ Tons/hour, if combustion or thermal treatment

iii. If landfill, anticipated site life: _____ years

t. Will the proposed action at the site involve the commercial generation, treatment, storage, or disposal of hazardous waste? ☐ Yes ☒ No

If Yes:

i. Name(s) of all hazardous wastes or constituents to be generated, handled or managed at facility: _____

ii. Generally describe processes or activities involving hazardous wastes or constituents: _____

iii. Specify amount to be handled or generated _____ tons/month

iv. Describe any proposals for on-site minimization, recycling or reuse of hazardous constituents: _____

v. Will any hazardous wastes be disposed at an existing offsite hazardous waste facility? ☐ Yes ☐ No

If Yes: provide name and location of facility: _____

If No: describe proposed management of any hazardous wastes which will not be sent to a hazardous waste facility: _____

E. Site and Setting of Proposed Action

E.1. Land uses on and surrounding the project site

a. Existing land uses.

i. Check all uses that occur on, adjoining and near the project site.

☒ Urban ☐ Industrial ☐ Commercial ☒ Residential (suburban) ☐ Rural (non-farm)

☐ Forest ☐ Agriculture ☐ Aquatic ☐ Other (specify): _____

ii. If mix of uses, generally describe: _____

b. Land uses and covertypes on the project site.

Land use or Covertypes	Current Acreage	Acreage After Project Completion	Change (Acres +/-)
• Roads, buildings, and other paved or impervious surfaces	0.58	0.62	+.04
• Forested	0	0	0
• Meadows, grasslands or brushlands (non-agricultural, including abandoned agricultural)	0	0	0
• Agricultural (includes active orchards, field, greenhouse etc.)	0	0	0
• Surface water features (lakes, ponds, streams, rivers, etc.)	0	0	0
• Wetlands (freshwater or tidal)	0	0	0
• Non-vegetated (bare rock, earth or fill)	0	0	0
• Other Describe: <u>Lawn and Landscaped</u>	.09	.05	-.04

v. Is the project site subject to an institutional control limiting property uses? ☐ Yes ☐ No - If yes, DEC site ID number: _____ - Describe the type of institutional control (e.g., deed restriction or easement): _____ - Describe any use limitations: _____ - Describe any engineering controls: _____ - Will the project affect the institutional or engineering controls in place? ☐ Yes ☐ No - Explain: _____ _____																									
E.2. Natural Resources On or Near Project Site																									
a. What is the average depth to bedrock on the project site? _____ >5 feet																									
b. Are there bedrock outcroppings on the project site? ☐ Yes ☒ No If Yes, what proportion of the site is comprised of bedrock outcroppings? _____ %																									
c. Predominant soil type(s) present on project site: <table style="width: 100%; border: none;"> <tr> <td style="border-bottom: 1px solid black; width: 60%;">Swartswood gravelly loam - SwB</td> <td style="border-bottom: 1px solid black; width: 40%; text-align: right;">100 %</td> </tr> <tr> <td style="border-bottom: 1px solid black;"></td> <td style="border-bottom: 1px solid black; text-align: right;">%</td> </tr> <tr> <td style="border-bottom: 1px solid black;"></td> <td style="border-bottom: 1px solid black; text-align: right;">%</td> </tr> </table>		Swartswood gravelly loam - SwB	100 %		%		%																		
Swartswood gravelly loam - SwB	100 %																								
	%																								
	%																								
d. What is the average depth to the water table on the project site? Average: _____ 2-3 feet																									
e. Drainage status of project site soils: <table style="width: 100%; border: none;"> <tr> <td>☐ Well Drained:</td> <td style="text-align: right;">_____ % of site</td> </tr> <tr> <td>☒ Moderately Well Drained:</td> <td style="text-align: right;">100 % of site</td> </tr> <tr> <td>☐ Poorly Drained</td> <td style="text-align: right;">_____ % of site</td> </tr> </table>		☐ Well Drained:	_____ % of site	☒ Moderately Well Drained:	100 % of site	☐ Poorly Drained	_____ % of site																		
☐ Well Drained:	_____ % of site																								
☒ Moderately Well Drained:	100 % of site																								
☐ Poorly Drained	_____ % of site																								
f. Approximate proportion of proposed action site with slopes: <table style="width: 100%; border: none;"> <tr> <td>☒ 0-10%:</td> <td style="text-align: right;">100 % of site</td> </tr> <tr> <td>☐ 10-15%:</td> <td style="text-align: right;">_____ % of site</td> </tr> <tr> <td>☐ 15% or greater:</td> <td style="text-align: right;">_____ % of site</td> </tr> </table>		☒ 0-10%:	100 % of site	☐ 10-15%:	_____ % of site	☐ 15% or greater:	_____ % of site																		
☒ 0-10%:	100 % of site																								
☐ 10-15%:	_____ % of site																								
☐ 15% or greater:	_____ % of site																								
g. Are there any unique geologic features on the project site? ☐ Yes ☒ No If Yes, describe: _____ _____

v. Are any of the above water bodies listed in the most recent compilation of NYS water quality-impaired waterbodies? ☐ Yes ☒ No If yes, name of impaired water body/bodies and basis for listing as impaired: _____ _____																									
i. Is the project site in a designated Floodway? ☐ Yes ☒ No																									
j. Is the project site in the 100-year Floodplain? ☐ Yes ☒ No																									
k. Is the project site in the 500-year Floodplain? ☐ Yes ☒ No																									
l. Is the project site located over, or immediately adjoining, a primary, principal or sole source aquifer? ☐ Yes ☒ No If Yes: <table style="width: 100%; border: none;"> <tr> <td style="width: 10%;">i. Name of aquifer:</td> <td>_____</td> </tr> </table>		i. Name of aquifer:	_____																						
i. Name of aquifer:	_____																								

m. Identify the predominant wildlife species that occupy or use the project site: _____ Mice, squirrels, common songbirds _____ _____	
n. Does the project site contain a designated significant natural community? ☒ Yes ☐ No If Yes: i. Describe the habitat/community (composition, function, and basis for designation): _____ Chestnut Oak Forest ii. Source(s) of description or evaluation: <u>DEC Mapper - This area exists off the project site, but in the area subject to zoning amendment.</u> iii. Extent of community/habitat: • Currently: _____ 9906.06 acres • Following completion of project as proposed: _____ 9906.06 acres • Gain or loss (indicate + or -): _____ 0 acres	
o. Does project site contain any species of plant or animal that is listed by the federal government or NYS as endangered or threatened, or does it contain any areas identified as habitat for an endangered or threatened species? ☒ Yes ☐ No If Yes: i. Species and listing (endangered or threatened): _____ Northern Long-eared Bat, Atlantic Sturgeon, Shortnose Sturgeon	
p. Does the project site contain any species of plant or animal that is listed by NYS as rare, or as a species of special concern? ☐ Yes ☒ No If Yes: i. Species and listing: _____	
q. Is the project site or adjoining area currently used for hunting, trapping, fishing or shell fishing? ☐ Yes ☒ No If yes, give a brief description of how the proposed action may affect that use: _____	
E.3. Designated Public Resources On or Near Project Site	
a. Is the project site, or any portion of it, located in a designated agricultural district certified pursuant to Agriculture and Markets Law, Article 25-AA, Section 303 and 304? ☐ Yes ☒ No If Yes, provide county plus district name/number: _____	
b. Are agricultural lands consisting of highly productive soils present? ☐ Yes ☒ No i. If Yes: acreage(s) on project site: _____ ii. Source(s) of soil rating(s): _____	
c. Does the project site contain all or part of, or is it substantially contiguous to, a registered National Natural Landmark? ☐ Yes ☒ No If Yes: i. Nature of the natural landmark: ☐ Biological Community ☐ Geological Feature ii. Provide brief description of landmark, including values behind designation and approximate size/extent: _____	
d. Is the project site located in or does it adjoin a state listed Critical Environmental Area? ☐ Yes ☒ No If Yes: i. CEA name: _____ ii. Basis for designation: _____ iii. Designating agency and date: _____	

☒ ☐

e. Does the project site contain, or is it substantially contiguous to, a building, archaeological site, or district which is listed on the National or State Register of Historic Places, or that has been determined by the Commissioner of the NYS Office of Parks, Recreation and Historic Preservation to be eligible for listing on the State Register of Historic Places? ☒ Yes ☐ No

If Yes: Church of the Holy Innocents and Rectory, Highland Falls Railroad Depot, House at 116 Main Street, U.S. Military Academy

i. Nature of historic/archaeological resource: ☐ Archaeological Site ☒ Historic Building or District

ii. Name: Church of the Holy Innocents and Rectory, Highland Falls Railroad Depot, House at 116 Main Street, U.S. Military Academy

iii. Brief description of attributes on which listing is based: _____

f. Is the project site, or any portion of it, located in or adjacent to an area designated as sensitive for archaeological sites on the NY State Historic Preservation Office (SHPO) archaeological site inventory? ☒ Yes ☐ No

g. Have additional archaeological or historic site(s) or resources been identified on the project site? ☐ Yes ☒ No

If Yes:

i. Describe possible resource(s): _____

ii. Basis for identification: _____

h. Is the project site within five miles of any officially designated and publicly accessible federal, state, or local scenic or aesthetic resource? ☒ Yes ☐ No

If Yes: Harriman State Park; West Point Military Academy; Hudson River Natural Heritage Area

i. Identify resource: Harriman State Park; West Point Military Academy; Hudson River Natural Heritage Area

ii. Nature of, or basis for, designation (e.g., established highway overlook, state or local park, state historic trail or scenic byway, etc.): State park, river valley overlooks, grounds and buildings of military academy

iii. Distance between project and resource: <1 miles.

i. Is the project site located within a designated river corridor under the Wild, Scenic and Recreational Rivers Program 6 NYCRR 666? ☐ Yes ☒ No

If Yes:

i. Identify the name of the river and its designation: _____

ii. Is the activity consistent with development restrictions contained in 6NYCRR Part 666? ☐ es ☐ o

F. Additional Information

Attach any additional information which may be needed to clarify your project.

If you have identified any adverse impacts which could be associated with your proposal, please describe those impacts plus any measures which you propose to avoid or minimize them.

G. Verification

I certify that the information provided is true to the best of my knowledge.

E.3.f. [Archeological Sites]	Yes
E.3.i. [Designated River Corridor]	No

Section I Application Information Item P

Attached is the 4 year stabilization income analysis for South Gate Flats that was done by HVS as part of the market study and feasibility analysis. Post debt cash flow in the first four years of operation are estimated to be a loss in year one and an almost break even in year two.

Figure 8-11 demonstrates the value of the project at completion to be \$62,000,000 however our development cost of the project is \$68,000,000 as show in 8-10. Figure 8-7 also shows the terminal value of the project after 10 years to only be a net of \$77,128,940.

Thus the project does not make financial sense to develop without the assistance of a resolution from Orange County IDA.

8. Feasibility Chapter

The feasibility of the subject project hinges upon the net value added by the planned improvements. If the value added by the project results in a return that is in excess of the project's all-in cost, then the project is deemed feasible. This process incorporates the following steps:

1. A present value indication is developed for the property in its "when complete" state, assuming the planned improvements have been made to the site. This is performed by taking the cash-flow projections developed in the previous chapter and using discounted cash flow (DCF) techniques to form a present value estimate.
2. The all-in cost for the project is stated and reviewed to serve as the benchmark for feasibility.
3. The cost is then deducted from the present value added by the improvements. If the net result is a positive number, the project is feasible and there is an adequate return on investment. If the net result is a negative number, the project is not feasible at the market return rates used in the analysis.

The first step is to provide an indication of the present value of the proposed subject hotel in its completed state, assuming all previously discussed future improvements have been made to the site. This benchmark is best achieved by a utilizing a DCF approach, which appropriately considers all changes in income over the first ten years of operation.

The DCF analysis applies a discount factor to forecast revenues over a ten-year period, inclusive of a reversion of the hotel at the end of the holding period. To assist in positioning the discount rate and terminal capitalization rate, we have reviewed several recent investor surveys, including the *PWC Real Estate Investor Survey*, *HVS Broker Survey*, *Situs RERC Real Estate Report*, and *USRC Hotel Investment Survey*. The following table summarizes the range of discount rates and exit capitalization rates, as well as overall capitalization rates, indicated by the investor surveys for hotels similar in class to the proposed subject hotel. The averages for each survey are listed directly underneath the ranges.

FIGURE 8-6 HISTORICAL TREND OF HOTEL OVERALL CAPITALIZATION RATES

Based on our review of the survey data, as well as our review of recent sales, recent conversations with hotel investors and brokers, and our industry knowledge and expertise, we have positioned a discount rate and terminal capitalization rate that are most appropriate for the proposed subject hotel. These selected rates were utilized in our DCF analysis, which is presented in the following table.

FIGURE 8-7 DISCOUNTED CASH FLOW ANALYSIS

Year	EBITDA Less Reserve	Discount Factor @ 10.50%	Discounted Cash Flow
2024/25	\$4,711,000	0.90498	\$4,263,000
2025/26	4,709,000	0.81898	3,856,000
2026/27	4,942,000	0.74116	3,663,000
2027/28	5,121,000	0.67073	3,435,000
2028/29	5,285,000	0.60700	3,208,000
2029/30	5,444,000	0.54932	2,990,000
2030/31	5,595,000	0.49712	2,781,000
2031/32	5,762,000	0.44989	2,592,000
2032/33	5,934,000	0.40714	2,416,000
2033/34	83,242,000 *	0.36845	30,670,000
Estimated Value			\$59,876,000
Economic Benefits			\$6,000,000
(SAY)			\$65,900,000
Per Room			\$659,000
Reversion Analysis			
11th Year's EBITDA Less Reserves			\$6,296,203
Capitalization Rate			8.0%
Total Sales Proceeds			\$78,703,000
Less: Transaction Costs @ 2.0%			1,574,060
Net Sales Proceeds			\$77,128,940
*10th year net income of \$6,112,000 plus sales proceeds of \$77,128,940			

We note that in addition to the PILOT agreement granted by the Orange County Industrial Development Agency, the proposed subject hotel is expected to benefit from a waiver of mortgage recording tax, which in New York State is 1.05% of the amount of the mortgage, and county and state sales tax for construction material and equipment, which is 8.125%. As per the Second Supplemental Final Resolution, dated February 16, 2022, the mortgage recording tax savings through the Agency is not to exceed \$316,968, assuming a \$42,262,444 mortgage, and the county and state sales and use tax exemption benefits is not to exceed \$2,051,782, assuming \$25,252,699 of qualifying purchased goods and services. Further, the proposed subject was awarded a \$1,900,000 ESD Capital Grant from the Regional Council Capital Fund through New York State's Regional Economic Development Council Initiative on December 19, 2019.

The proposed subject represents a hotel with 100 guestrooms and the appropriate public areas and back-of-the-house spaces for a hotel of this type. The proposed facility is further detailed in Chapter Three; please refer to this chapter for a full discussion of the proposed building.

Subtotal (without Developer's Fee)	\$62,784,203	\$627,842
Developer's Fee	\$0	\$0
Total	\$62,784,203	\$627,842

The construction budget provided by the developer includes hard costs and site improvements, furniture fixtures and equipment, pre-opening costs and working capital, soft costs, and site cost; however, it only includes a portion of the pre-opening costs and working capital typically associated with a development of this scale and does not include a contingency, a developer's fee, or an entrepreneurial incentive. As such, we have developed our own estimate of the total construction cost, which includes these additional items.

A developer's fee represents a recovery of costs to the project developer, including salaries, travel, administrative costs, and other expenses related to coordinating the development. It is separate from a developer's anticipated profit or entrepreneurial incentive. The developer's fee is typically dependent upon the complexity of project coordination and the length of the development timeline. In the case of relatively simple projects in markets with low barriers to entry, a developer's fee may not be considered, whereas complicated projects in high-barrier-to-entry markets may incur more substantial costs for coordination and administration during an extended planning and construction period. In some cases, the developer's administrative costs are included within other line items, rather than allocated to an individual developer's fee line item. Given the nature of the proposed subject property and a review of the development budget, a separate developer's fee is not considered appropriate.

Entrepreneurial incentive is a theoretical appraisal concept that represents the profit a developer would expect to earn on a development project. It is this expectation of profit, in addition to the actual cost, that motivates a developer to undertake a project. For most developers, this profit expectation is included in the projected overall yield resulting from the investment structure. As a result, entrepreneurial incentive is not typically identified as a budgeted item or specific dollar amount in developer's budgets. Based on our extensive review of development budgets and experience appraising proposed hotel properties, entrepreneurial incentive typically ranges from 0% to 10% of total project costs but may be up to 25% in some cases. In healthy markets with high barriers to entry, entrepreneurial incentive may not be in evidence, as developers may be motivated by the anticipated asset appreciation beyond the dates of completion and stabilization. On the other hand, developers may require a stronger anticipated return with an incentive at the high-end or above the typical range in markets with a higher risk of performance volatility or competitive supply growth. In the case of the proposed subject property, an entrepreneurial incentive of 2.5% is warranted based on our analysis of the project and market conditions.

FIGURE 8-10 TOTAL COST NEW ESTIMATE

Item	Cost per Room	Cost
Building	\$515,500	\$51,550,000

Furniture, Fixtures, & Equipment	49,250	4,925,000
Pre-Opening Costs & Working Capital	15,000	1,500,000
Developer Fee (if Applicable)	16,250	1,625,000
Land	23,000	2,300,000
Entrepreneurial Incentive	16,588	1,658,750
Total Cost New Estimate (Rounded)	\$680,000	\$68,000,000

We note the all-in cost for the project exceeds the present value indication of all economic benefits derived from the coordinated efforts of ownership and management entities with the Thayer Hotel at West Point being assigned to the proposed Thayer Resort and Spa at West Point, as well as the economic benefits awarded by the Orange County Industrial Development Agency and the Mid-Hudson Regional Empire Development Council by (\$2,100,000).

In relation to market return rates, the forecasted stabilized EBITDA Less Reserve Replacement as presented in greater detail in the body of the report forms the numerator and the all-in cost of the project net of economic benefits awarded by the Orange County Industrial Development Agency and the Mid-Hudson Regional Empire Development Council forms the denominator in the calculation of return on investment (ROI).

FIGURE 8-11 RETURN ON INVESTMENT

Development Cost Allocation	\$68,000,000
less Economic Benefits	<u>6,000,000</u>
Adjusted Development Cost Allocation	\$62,000,000
EBITDA Less Replacement Reserve	\$4,003,000
÷ Adj. Development Cost Allocation	<u>62,000,000</u>
Calculated Return	6.5%

The development of the proposed Thayer Resort and Spa at West Point is expected to allow ownership the ability to reposition the larger lodging operation and improve the property's competitive position and financial performance. Management is anticipated to capitalize on the upgraded programming of amenities and facilities to establish a stronger base of commercial clients and to attract additional demand to the market given the larger lodging operation's unique location near the USMA, and overlapping ownership and management structures coupled with the lack of competitive supply in the area, as users would have likely

chosen an alternate destination if it were not for the availability of the new facility. We note the all-in cost for the project exceeds the present value indication of all economic benefits derived from the coordinated efforts of ownership and management entities with the Thayer Hotel at West Point being assigned to the proposed Thayer Resort and Spa at West Point, as well as the economic benefits awarded by the Orange County Industrial Developmental Agency and Mid-Hudson Regional Empire Development Council by (\$2,100,000). However, our review of investor surveys indicates an appropriate yield threshold, or overall capitalization rates in real estate investment parlance, of 6.5% to 7.0% based on the proposed subject property's physical and operating characteristics, its unique status as a hotel near the USMA, and its specific risk factors. Based on these parameters, the calculated return, 6.5%, is within the range, albeit on the lower end, and consequently economically feasible. It is important to note that changes to the programming of the proposed Thayer Resort and Spa at West Point were reportedly made with the intent of reducing the total project cost while maintaining the revenue generating potential of the proposed hotel. Further, the construction budget provided by the developer does not include a contingency, a developer's fee, and an entrepreneurial incentive, and only a portion of the pre-opening costs and working capital. Our estimate of replacements costs, which the calculated return is based upon, reflect these additional items.

The analysis is based on the extraordinary assumption that the described improvements have been completed as of the stated date of opening. The reader should understand that the completed subject property does not yet exist as of the date of this report. Our feasibility study does not address unforeseeable events that could alter the proposed project, and/or the market conditions reflected in the analyses; we assume that no significant changes, other than those anticipated and explained in this report, shall take place between the date of inspection and stated date of opening. The use of this extraordinary assumption may have affected the assignment results. We have made no other extraordinary assumptions specific to this feasibility study. However, several important general assumptions have been made that apply to this feasibility study and our studies of proposed hotels in general. These aspects are set forth in the Assumptions and Limiting Conditions chapter of this report.

Section II Project Information IDA question F narrative

South Gate Flats, Ltd will build a 100 suite luxury hotel and spa on Main Street in Highland Falls. This first class hotel features restaurant, full service spa, salon, rooftop club room with pool and fitness center, lobby bistro, lounge, group meeting spaces, social events spaces and office space. The building is designed specifically to meet the Mid-Hudson REDC's "work, live, play" initiative.

Rick Minicozzi, Managing Partner of South Gate Flats, Ltd, has 30 years of development experience, having developed and revitalized dozens of apartment communities and condominium projects in Texas and is the leading force behind the revitalization of The Thayer Hotel. Rick is a West Point graduate and Veteran who understands synergistic business development. He, along with a group of other distinguished West Point Veterans, all with a love for West Point and the Hudson Valley, are the investment team for South Gate Flats. Rick and some of his partners have founded other businesses in the Hudson Valley to include Thayer Leader Development Group at West Point, bringing thousands of corporate executives to the Hudson Valley for leader development. These businesses have led to significant increase of visitors to the Hudson Valley as indicated by occupancy increasing 21.4% at the Thayer Hotel from 28,000 guest rooms sold in 2009 to 35,000 guest rooms in 2019.

South Gate Flats will be built on the site of a currently vacant bank and a significantly deteriorating boarding house, both extreme eye sores and sources of crime in Highland Falls that are near the entry gate to West Point, the most distinguished leadership institution in the world.

This buzz and economic stimulus from South Gate Flats will attract other businesses to invest in Highland Falls to live, work and play, thus creating a more dynamic village. The investment team of South Gate Flats has the track record and financial means to complete the project on time, investing our own capital to build a beautiful new anchor building. We will preserve the architectural character of the village, around which further development can take place to enhance Highland Falls with the ultimate goal of making it a destination town similar to Williamsburg VA.

The renovation of the Thayer Hotel in 2010 and the founding of Thayer Leader Development Group by this same group of investors, demonstrates our ability to increase visitation to West Point and add to the local economy. While the financial capability of our team is very strong, the financial performance of a luxury property of this scope and scale in Highland Falls is not possible without resolution support from the IDA.

A resolution from the IDA is therefore critical to this project being developed at the proposed luxury level.

Section II Project Information IDA question G narrative

In order to fully understand the market and the opportunity, we engaged HVS, arguably the premier hospitality appraisal company in the world, to do a market study and economic analysis of the proposed South Gate Flats (SGF) as well as a separate complete market study and economic analysis of the spa and salon.

SGF is estimated to have a development cost of \$63MM plus an initial operating fund of \$2MM for expected early year operational losses, for a total investment requirement of \$65MM.

The HVS report suggests first year occupancy of only 46%, with an operating loss and estimated the hotel to reach a stabilized occupancy occurring in year 4 of operation. This creates a long road to break even and longer road to profitability.

The HVS financial analysis report demonstrates the estimated value of the project to be inverted with a value of SGF at completion in 2028 to be only \$62MM, with a \$68MM development cost. HVS also estimates the reversion value in of SGF after a 10 year holding period, net of closing costs, of only \$77.12MM. This is an increase of only \$9MM from the total investment requirement for SGR of \$68MM for a 10 years prior.

The HVS report suggests the first year occupancy will result in loss and SGF will reach a stabilized occupancy and break even in year 4 of operation, creating a long road to break even and longer road to profitability.

A resolution from IDA will significantly help offset the risk associated with this pioneering development in Highland Falls, reducing the construction cost and helping to mitigate the inverted value of the project at completion of construction. Pilot will help ease the negative cash flow in the early years of the development as we ramp to a stabilized operation in year 4.

.

Section IV Employment plan question F narrative

The internal training opportunities for all employees include:

We provide a full array of training for our employees to ensure an outstanding guest experience and well trained employee.

Service Excellence Training, Productive Work Environment training, physical tour of hotel building and West Point tour, quarterly safety training, blood borne pathogen training, hazardous material training, as well as on boarding training that includes company culture training, service training, slips trips and falls safety training, prevention of harassment and anti-discrimination training.

The Front Desk staff also receives additional guest relation training, reservations training, property management system training, Travel Click Guest Management System training, Monet energy system training, Lutron Lighting

Training and ongoing policy and procedure training.

The Sales Department team receives additional training on Delphi Sales Management System and Banquet Event Order production, Opera Property Management System, Blue Buzzard contract and proposal system, catering menu and sales training, as well as ongoing policy and procedure training.

Food and Beverage employees receive additional training on Sparkle Service Excellence, a 70 point food and beverage training plan, menu training and testing, menu upsell training, TIPS (Training for Intervention Procedures) training, Micros Point of Sale training, and ongoing policy and procedure training.

All vacancies for positions in the hotel are posted for employees to apply for, and there are cross training opportunities within each department, as well as opportunities to work additional shifts in other departments to gain broader hotel experience.

Promotions are always made from within the existing employees when an employee has the appropriate skill set, capability, interest and aspiration for increased responsibility and job growth.

Section II Project Information IDA question H narrative

The project is designed as a luxury hotel to serve as the anchor building for the revitalization of Highland Falls and as an economic stimulus and an enhancement to the Hudson Valley. South Gate Flats will be built in the heart of the Hudson Valley, close to two of New York State's top tourist attractions, West Point and the retail Woodbury Common Premium Outlets, and has all of the appropriately designed amenities and services to effectively drive overnight destination get away trips, attracting both domestic and international travelers to stay and play in the Hudson Valley.

While the Thayer Hotel is a beautiful historic building, it does not have the amenities and services available at South Gate Flats to make West Point and the Hudson Valley an overnight destination get away. South Gate Flats will bridge that gap for the Thayer Hotel and all of the other area hotels, bringing those services and amenities to increase the draw of these other area hotels as well. This combination of new amenities and services coupled with currently unused hotel inventory will accelerate the drive of additional tourism to the Hudson Valley. Highland Falls, only 50 miles from NYC, northern NJ, and CT, will now serve as the "Hub" of the Hudson Valley, bringing destination travelers with the means and desire to contribute to the economy to enjoy all of the Hudson Valley attractions. This will help make NY State become the destination of choice for families who do not live in NY but are looking to create meaningful memories. These additional out of state get away trips will highlight the tourism initiatives of NY, while increasing visitation and visitor spending in the Hudson Valley. This will create a significant regional economic impact while increasing the economy, visibility and social viability of Highland Falls as part of its downtown revitalization effort.

This buzz and economic stimulus from South Gate Flats will attract other businesses to invest in Highland Falls to live, work and play, thus creating a more dynamic village. The investment team of South Gate Flats has the track record and financial means to complete the project on time, investing our own capital to build a beautiful new anchor building. We will preserve the architectural character of the village, around which further development can take place to enhance Highland Falls with the ultimate goal of making it a destination town similar to Williamsburg VA.

The renovation of the Thayer Hotel in 2010 and the founding of Thayer Leader Development Group by this same group of investors, demonstrates our ability to increase visitation to West Point and add to the local economy. While the financial capability of our team is very strong, the financial performance of a luxury property of this scope and scale in Highland Falls is not possible without resolution support from the IDA.

This luxury hotel will be built inclusive of Service Disabled Veteran Owned Business, Iron Sword Enterprises, which will employ as many Veteran and Minority and Women Owned Businesses as possible for the development and construction of the hotel. NY is home to more than 900,000 veterans and this project is 250 yards from the entrance gate of West Point, where 6000 active duty military service members and family members live. South Gate Flats creates great opportunity for the service member's family for employment and for all of the military families to enjoy the services and amenities of the hotel.

The project will create strong consumer activity that will ripple through the local community, creating beneficial fiscal and economic impacts throughout the Village of Highland Falls, Orange County, and the region as a whole. Fiscal impacts include the generation of property tax revenues and their distribution among local taxing jurisdictions. Economic impacts include direct, indirect and induced benefits on output, employment and associated labor income during the construction phase and during stabilized annual operations. Moreover, the proposed project will generate immediate construction jobs as well as permanent employment opportunities for Highland Falls and area residents. Such fiscal and economic benefits are most crucial to the economic well-being of the Hudson Valley, New York State and the nation as a whole.

We hired consultants to conduct an economic impact study and they determined that during the construction period it is anticipated to generate 124 full time equivalent (FTE) jobs, which are anticipated to last most of the construction period. The 124 FTE jobs created during the construction period will have an indirect impact of another 32.4 FTE employees and an induced impact of another 77.6 FTE employees in other industry sectors, bringing the total impact of the construction period to 234.73 FTE jobs. This job creation – direct, as well as indirect and induced – is most crucial to the Hudson Valley’s economic well-being, and presents opportunities for persons who remain unemployed throughout the region. The hotel will open in 2028 and the first full year of operations will occur in 2029. Upon stabilized operations, the hotel is anticipated to generate 72 FTE jobs on site. The 72 FTE jobs will have an indirect impact of 5.4 FTE employees and an induced impact of 12.8 FTE employees in other industry sectors, bringing the total economic impact of employment to 90 FTE jobs during annual operations.

We would not be able to build a luxury hotel of this quality and scope in Highland Falls with all of the amenities without the assistance from the IDA. Instead, at best, we would need to scale the project back considerably to just be another limited service hotel in Highland Falls, thus reducing the impact and value of the project.

**ORANGE COUNTY INDUSTRIAL DEVELOPMENT AGENCY
INDUCEMENT RESOLUTION**

Regarding the

South Gate Flats, LTD Project

WHEREAS, the New York State Industrial Development Agency Act and the Agency's enabling legislation, respectively constituting Article 18-A and Section 912 of the General Municipal Law (Chapter 24 of the Consolidated Laws of New York) (the "Act") authorizes the Agency (1) to promote the economic welfare, recreational opportunities and prosperity of its inhabitants, and (2) to promote, attract, encourage and develop recreation and economically sound commerce and industry through governmental action for the purpose of preventing unemployment and economic deterioration; and

WHEREAS, an Application for Financial Assistance dated May 7, 2026 has been submitted to the Agency by or on behalf of South Gate Flats, LTD (together with the applicant and other project sponsor or any related legal entity, if different, the "Company") requesting assistance in financing a proposed project in the Village of Highland Falls, Town of Highlands, Orange County, New York, consisting of the construction and redevelopment of an underutilized property, located at 479 Main Street, Highland Falls, New York (the "Premises") and the acquisition of machinery and equipment related thereto, all to be used as an hotel, spa, restaurant, conference space and administrative offices as more fully described in the application and supplemental materials all at a cost of approximately \$63,000,000.00 (the "Project"); and

WHEREAS, the Agency's Local Construction Labor Policy, which went into effect on June 26, 2024 ("Labor Policy"), was annexed to and made a part of the Application; and

WHEREAS, the Premises is located within the Village of Highland Falls, Town of Highlands; and

WHEREAS, in its application, the Company has represented that the Project is expected to create seventy-nine (79) new full-time jobs in the Village of Highland Falls, Town of Highlands, County of Orange, and the State of New York within five (5) years of the completion of construction, and has made additional factual representations concerning itself and the Project upon which the Agency is relying in adopting this resolution; and

WHEREAS, in order to facilitate the development and renovation of the Project, the Company desires Agency financial assistance in connection with the Project in the form of (i) exemptions of up to \$4,362,020.00 for State and Local Sales Taxes that would otherwise be due with respect to project costs for qualified expenditures in an amount of up to \$53,686,404.00, (ii) mortgage recording tax exemption in the approximate amount of \$354,375.00 relating to the granting and recording of a mortgage secured by the Premises in an amount of up to \$47,250,000.00 and (iii) payment in lieu of tax benefits ("PILOT") in amounts in accordance with the Agency's Uniform Tax Exemption Policy; and

WHEREAS, Company represents that the financial assistance requested from the Agency is necessary in order to enable the Company to proceed with the Project and to be competitive in its business in Orange County; and

WHEREAS, in its application for assistance, the Company has made further representations with respect to the qualification of the Project as a commercial project under the Agency's guidelines, and the Company has represented, and the Agency has determined that such qualification is supported by the information presented in the application; and

WHEREAS, the Agency intends to induce the Company to proceed with the development of the Project pending completion of arrangements by the Company and the Agency for the financing for the Project as a "straight lease" transaction.

NOW, THEREFORE, the Orange County Industrial Development Agency hereby resolves as follows:

Section 1. Qualification of Project.

The Agency hereby determines that the undertaking and completion of the Project and the financing thereof by the Agency is authorized by the Act and will be in furtherance of the policy of the State of New York as set forth therein.

Section 2. Commercial Project Determinations.

The Agency hereby further specifically determines, in accordance with its guidelines for commercial projects and based on the representations and information presented by the Company in the application, that:

1. The Project will generate a direct economic impact on the County of a positive nature.
2. The Project will involve the construction and redevelopment of an underutilized property located at the Premises.
3. The Project will be located in the Village of Highland Falls, Town of Highlands.
4. The Project will generate new ratables for the County and the other taxing jurisdictions.
5. The Project will lead to the creation of seventy-nine (79) new full-time jobs in the County and allow the Company to be competitive.

Section 3. SEQRA.

The Agency further determines that it is not the lead agency with respect to the Project under the State Environmental Quality Review Act ("SEQRA"), and that any determination

thereunder as to the necessity of preparing an environmental impact statement will be made by such lead agency. The actions taken hereunder shall be subject in all respect to compliance with SEQRA prior to any final action being taken by the Agency.

Section 4. Ratification of Prior Acts.

Any action heretofore taken by the Company in initiating the Project is hereby ratified, confirmed and approved.

Section 5. Assistance of Company.

The members, representatives, and agents of the Agency are hereby authorized and directed to take all actions deemed appropriate to assist the Company in commencing and carrying out the Project to include the providing of an exemption from mortgage taxes and sales tax on amounts expended as costs for the construction, renovation, redevelopment and for equipping of the facility. Final action with respect to financial assistance shall be subject to approval by an Authorizing Resolution by the Agency.

Section 6. Assistance of Agency

Subject to agreement between the Agency and the Applicant as to terms in all agreements to be entered into with respect to the Project, the Agency will undertake to use reasonable efforts to provide financial assistance to the Project in the amounts requested by the Applicant in the Application for Financial Assistance.

Section 7. Reimbursement of Costs and Expenses.

Any expenses incurred by the Agency with respect to the Project and the financing thereof, including attorney's fees and disbursements, shall be reimbursed by the Applicant. By acceptance hereof, the Applicant agrees to pay such expenses and further agrees to indemnify the Agency, its members, employees and agents and hold the Agency and such persons harmless against claims for losses, damage or injury or any expenses or damages, including attorney's fees and disbursements, incurred as a result of action taken by or on behalf of the Agency in good faith with respect to the Project and the financing thereof.

Section 8. No Recourse or Personal Liability.

No provision of this resolution or any other related document shall constitute or give rise to a charge upon the general credit of the Agency or impose upon the Agency a pecuniary liability except as may be payable from the limited sources set forth above. No recourse shall be had for the payment of or performance of any obligation in connection therewith against any employee, officer, member, representative or agent of the Agency, nor is or shall any such person become personally liable for any such payment or performance.

Section 9. Effect of Resolution.

In adopting this resolution, notwithstanding any other provision hereof, the Agency assumes no responsibility for obtaining or assisting the Company in obtaining financing for the Project. This resolution is not a contract between the Agency and the Company, and it shall not be construed as such.

Section 10. Occupancy by Applicant

No person other than the Applicant and its affiliates or its tenants shall occupy the Project unless and until approved by the Agency.

Section 11. Labor Policy

Commencing with the adoption of this Inducement Resolution, the Company hereby agrees to comply with the provisions of the Agency's Labor Policy.

Section 12. Representations

The Agency has made and makes no representation or warranty whatsoever, either express or implied, with respect to the merchantability, condition, environmental status, fitness, design, operation or workmanship of any part of the Project, its fitness for any particular purpose, the quality or capacity of the materials in the Project, or the suitability of the Project for the Company's purposes or needs or the extent to which financial assistance will be sufficient to pay the cost of constructing, equipping and furnishing of the Project. The Company, by executing the acceptance hereof, represents that it is satisfied that the Project is suitable and fit for its purposes. The Agency shall not be liable in any manner whatsoever to anyone for any loss, damage or expense of any kind or nature caused, directly or indirectly, by the Project property or the use or maintenance thereof or the failure of operation thereof, or the repair, service or adjustment thereof, or by any delay or failure to provide any such maintenance, repairs, service or adjustment, or by any interruption of service or loss of use thereof or for any loss of business howsoever caused, and the Company, by executing the acceptance hereof, hereby indemnifies and holds the Agency harmless from any such loss, damage or expense.

Section 13. Compliance by Company

Any commitment of the Agency set forth herein is expressly conditioned upon full compliance of the Company and the Project with all applicable laws, rules and regulations, and the Company shall be required to provide satisfactory evidence of the same to the Agency prior to providing any financial assistance.

Section 14. Conditions

The undertakings of the Agency set forth herein are subject to and conditioned upon (a) full compliance with federal, state and local regulatory and environmental procedures and requirements, including the State Environmental Quality Review Act, (b) publication of notice

and holding of a public hearing with respect to the Project and the proposed financial assistance as required by the Act, and (c) provision of full environmental indemnities by an entity satisfactory to the Agency and in form and substance acceptable by the Agency and its counsel.

Section 15. Expiration Date of Resolution.

This resolution may be deemed by the Agency to have expired at any time after twelve months from the date hereof.

Section 16. Effective Date.

The resolution shall take effect immediately upon its acceptance by the Company.

Adopted: May 13, 2026

F) **Principal Owners/Officers/Directors (list owners with 15% or more in equity holdings with percentage ownership):**

Name	Office Held	% of Ownership	% of Voting Rights
Mikel Jeremias		40	40
Arnold Fishman		30	30
Melvin Fishman		30	30

**Please attach chart if space provided is not sufficient.

G) **Corporate Structure (attach schematic if applicant is a subsidiary or otherwise affiliated with another entity)**

Form of Entity

☐ **Corporation**

Date of Incorporation: _____

State of Incorporation: _____

☐ **Partnership**

General ☐ or Limited ☐

Number of general partners _____

If applicable, number of limited partners _____

Date of formation _____

Jurisdiction of Formation _____

☒ **Limited Liability Company/Partnership** (number of members 3)

Date of organization: 8/20/2002

State of Organization: New York

☐ **Sole Proprietorship**

H) **If a foreign organization, is the applicant authorized to do business in the State of New York?**

☐ Yes or ☒ No

If no, please explain below:

N/A

**Please attach narrative if space provided is not sufficient.

I) If any of the above persons, or a group of them, owns more than a 50% interest in the company company, list all other organizations which are related to the company by such persons having more than a 50% interest in such organizations.

N/A

**Please attach chart if space provided is not sufficient.

J) Is the company related to any other organization by reason of more than 50% common ownership? If so, indicate name of related organization and relationship.

No

**Please attach narrative if space provided is not sufficient.

K) Has the Applicant or any of its affiliated organizations ever received OCIDA benefits?

☐ Yes or ☒ No

If yes, please describe the assisted project below:

****Please attach narrative if space provided is not sufficient.**

L) Legal Questions:

1. Is the Company presently the subject of any litigation, or is any litigation threatened, which would have a material adverse effect on the Company's financial condition?
☐ Yes or ☒ No
2. Has the company or any of its affiliates ever been involved in bankruptcy, a creditor's rights or receivership proceeding, or sought protection from creditors?
☐ Yes or ☒ No
3. Has the Company ever settled a debt with a lending institution for less than the full amount outstanding?
☐ Yes or ☒ No
4. Has any senior manager, member, officer or principal of the Company ever been convicted of any felony or misdemeanor, other than a minor traffic violation, or are any such charges pending?
☐ Yes or ☒ No
5. Has the Company or any of its affiliates, been cited for a violation of federal, state, or local laws or regulations with respect to labor practices, hazardous wastes, environmental pollution or operating practices?
☐ Yes or ☒ No
6. Are there any outstanding judgments or liens pending against the Company other than liens in the normal course of business?
☐ Yes or ☒ No
7. Is the Company delinquent on any New York State, federal or local tax obligations?
☐ Yes or ☒ No

8. Is the applicant (Company) in violation of any local, state, and federal, workers' compensation protection, and environmental laws?

☐ Yes or ☒ No

If your answer is "YES" for any of the above questions, please provide an explanation:

**Please attach narrative if space provided is not sufficient.

M) **Has the company (or any related corporation or person) made a public offering or private placement of its stock within the last year?**

☐ Yes or ☒ No

If yes, please attach offering statement used.

N) **Brief description of Company History (formation, growth, transitions, location):**

See attached: the Allstate Ventures LLC History

**Please attach narrative if space provided is not sufficient.

Estimated % of sales within the County:

808,083

Estimated % of sales outside the County but within NYS:

1,616,073

Estimated % of sales outside NYS but within the U.S.:

1,616,073

Estimated % of sales outside the U.S.:

0

O) Sales and income projection or a project pro forma for proposed project for the next 3 to 5 years.

See attached budget excelsheath

**Please attach chart if space provided is not sufficient

FINANCIAL INFORMATION OF THE COMPANY

A. For existing businesses:

- The Applicant must submit three (3) years of accountant prepared financial statements.
- The Applicant must submit a current Certificate of Good Standing from the Department of State for the business.

B. For new businesses:

- The Applicant must submit three (3) years of personal tax returns for the owner(s).
- The Applicant must submit three (3) years of tax returns for the related businesses as well as Certificates of Good Standing from the Department of State.

The requested Financial Information of the Company is to be kept confidential and is not subject to the Freedom of Information Law (FOIL).

II. PROJECT INFORMATION

A) Project Address: Piper Lane

Tax Map Number 99-1-56.2 99-1-55.2
(Section/Block/Lot)

Located in City of _____

Located in Town of Wallkill

Located in Village of _____

School District of 330900-Middletown Csd

B) Are utilities on site?

Water <u>yes</u>	Electric <u>yes</u>
Gas <u>yes</u>	Sanitary/Storm Sewer <u>yes</u>

C) Present legal owner of the site Silverlake Ridge Developers LLC

If not the Applicant, who is owner and by what means will the site be acquired? If leasing, when does the lease end?

D) Zoning of Project Site: Current: R1 Proposed: _____

E) Are any variances needed? No

F) Environmental Information. An Environmental Assessment Form (EAF) MUST be completed and submitted along with this application. Please visit <https://www.dec.ny.gov/permits/6191.html> for the online EAF Mapper Application and EAF Forms.

1. Have any environmental issues been identified on the property?

☐ Yes or ☒ No

If yes, please explain:

2. Has any public body issued a State Environmental Quality Review Act determination for this Project?

☒ Yes or ☐ No

If yes, please attach to this application.

G) Attach copies of preliminary plans or sketches of proposed construction or rehabilitation or both.

H) Statement describing project. Include all uses and services, allocated square footages, improvements and equipment to be installed (i.e. land acquisition, construction of manufacturing facility, all exterior renovations including landscaping, etc.):

124-unit garden-style residential rental community on approximately 30 acres, including full site development and construction of residential buildings and amenities. Indoor amenities include a clubroom, hospitality bar, co-working space, conference room, game room, fitness center, pet spa, and package room. Outdoor amenities include a resort-style pool, BBQ and pavilion area, lawn game space, firepit lounge, outdoor movie area, multi-sport court, dog park, zen garden, and walking trails. The project also includes construction of surface parking lots, internal roadways, sidewalks, and installation of site-wide lighting. Additional improvements include landscaping

****Please attach narrative if space provided is not sufficient.**

Attach a detailed description of the proposed project including all uses and services and allocated square footages, improvements and equipment to be installed.

I) Statement describing the impact of incentives on this project, should they be granted:

See attached: the Silver Lake history summary.

**Please attach narrative if space provided is not sufficient.

J) Statement describing the economic benefit to the surrounding community resulting from this project:

The Silverlake Ridge project will transform a long-dormant property into a productive residential community, generating construction jobs with a strong commitment to local labor and bringing new investment into the area.

The project will deliver 124 housing units, including affordable housing, supporting workforce needs while increasing local spending and long-term tax revenue, ultimately strengthening the surrounding community.

**Please attach narrative if space provided is not sufficient.

K) Anticipated Date of Completion: spring 2028

L) Anticipated Date of Occupancy: summer 2028

M) Principal use of project upon completion:

- | | | | |
|--|---------------------------------------|-----------------------------------|---|
| ☐ manufacturing | ☐ warehousing | ☐ research | ☐ offices |
| ☐ Industrial | ☐ recreation | ☐ retail | ☒ residential |
| ☐ Training | ☐ data process | | |

If other, explain: _____

Identify NAIC Code, if applicable 236116
(see <https://www.census.gov/naics/>)

Project Data

1. Project site (land)
 - (a) Indicate approximate size (in acres or square feet) of project site.
31.60 Acres
 - (b) Are there buildings now on the project site? ☐ Yes ☒ No
 - (c) Indicate the present use of the project site.
vacant land
 - (d) Indicate relationship to present user of project.
owner
2. Does the project involve acquisition of an existing building or buildings? If yes, indicate number, size, and approximate age of buildings:
no
3. Does the project consist of the construction of a new building or buildings? If yes, indicate number and size of new buildings:
7 rental buildings of about 20,000 sf each plus a clubhouse of about 4,000 sf
4. Does the project consist of additions and/or renovations to existing buildings? If yes, indicate nature of expansion and/or renovation:
no
5. Estimated Start Date of Construction: September 2026
6. Estimated End Date of Construction: April 2028

Has construction work on this project begun? ☐ Yes or ☒ No

Complete the following

- | | | |
|----------------------------|---|----------------------------|
| (a) site clearance | ☒ Yes ☐ No | <u>50</u> % complete |
| (b) foundation | ☐ Yes ☒ No | <u> </u> % complete |
| (c) footings | ☐ Yes ☒ No | <u> </u> % complete |
| (d) steel | ☐ Yes ☒ No | <u> </u> % complete |
| (e) masonry work | ☐ Yes ☒ No | <u> </u> % complete |
| (f) other (describe below) | ☐ Yes ☒ No | <u> </u> % complete |

7. If any space in the project is to be leased to third parties, indicate total square footage of the project amount to be leased to each tenant and proposed use by each tenant.

III. PROJECT COSTS & FINANCING

A) Estimated Project Costs

1. State the costs reasonably necessary for the acquisition, construction, and/or renovation of the Project:

Description of Cost Type	Total Budget Amount
Land Acquisition	\$3,000,000
Site Work/Demo	\$6,311,728
Building Construction & Renovation	\$23,2000,00
Furniture, Fixtures	\$150,000
Equipment Subject to NYS Production Sales Tax Exemption (Manufacturing)	0
Engineering/Architects Fees	\$350,000
Financial Charges	\$5,427,160
Legal Fees	\$100,000
Other	\$2,051,778
Management /Developer Fee	\$135,000
Total Project Cost	\$40,725666
Total Construction Budget (Project Cost – Acquisition Costs)	\$37,725666

Project refinancing; estimated amount
(for refinancing of existing debt only)

\$ _____

2. Sources of Funds for Project Costs:

- (a) Bank Financing: \$32,072,066
\$ _____
- (b) Equity (excluding equity that is attributed to grants/tax credits) \$5,653,600
\$ _____

- (c) Tax Exempt Bond Issuance (if applicable) \$ _____
- (d) Taxable Bond Issuance (if applicable) \$ _____
- (e) Public Sources
(include sum total of all state and federal grants and tax credits) \$ _____

Identify each state and federal grant/credit:

N/A

_____ \$ _____

_____ \$ _____

_____ \$ _____

_____ \$ _____

Total Sources of Funds for Project Costs:

\$ 37,725,666

The total amount of public sector funding should equal the public sector amount listed in (2)(e) above.

B) Financial Assistance Requested (estimated values):

Applicants requesting exemptions and/or abatements from OCIDA must provide the estimated value of the savings they anticipate receiving. New York State regulations require OCIDA to recapture any benefit that exceeds the amount listed in this application.

1. Is the Applicant expecting that the financing of the Project will be secured by one or more mortgages: ☒ Yes ☐ No

If yes, list amount requested and name of lender: \$32,072,066

2. Benefits Requested:

☒ Sales Tax Exemption ☐ Tax-Exempt/ Taxable Revenue Bond

☒ Mortgage Recording Tax Exemption ☒ Real Property Tax Agreement

C) Amount of Exemption/Abatement Requested:

IDA PILOT Benefit:

1. Is the Applicant requesting a payment in lieu of tax agreement (PILOT) for the purpose of a real property tax abatement? ☒ Yes ☐ No

If yes, identify from the Agency's UTEP the category of PILOT requested:

housing

Is the Applicant requesting any real property tax abatement that is **inconsistent** with the Agency's UTEP? ☐ Yes ☒ No

Please contact the Executive Director prior to submission of this Application for assistance with PILOT calculation.

Sales and Use Tax:

2. Estimated value of Sales Tax exemption for facility construction, fixtures and equipment:

\$ 11,950,361 * X .08125 (4.125% State, 4% local) = \$ 948,594

*(Amount of project cost subject to tax)

Mortgage Recording Tax Exemption Benefit:

3. Estimated value of Mortgage: \$ 32,072,666

Estimated value of Mortgage Recording Tax exemption:

\$ 32,072,666 X .0075 = \$ 240,540

(Projected Amount of Mortgage X Mortgage Recording Tax = Total)

**To calculate the value of this exemption take 1.05% of the mortgage amount from (C)(3) above to get the "mortgage recording tax" and then multiply the mortgage recording tax figure by 75%. You will receive an exemption equal to 75% of the mortgage recording tax.

Tax-Exempt/ Taxable Revenue Bond Benefit:

☐ Amount of Bonds, if requested: \$ _____

Is a purchaser for the Bonds in place? ☐ Yes or ☐ No

D) Likelihood of Undertaking Project without Receiving Financial Assistance

Please confirm by checking the box below, will this project move forward without the requested incentives?

☐ Yes or ☒ No

If the Project will be undertaken without Financial Assistance provided by the Agency, then provide a statement in the space provided below indicating why the Project should be given economic incentives by the Agency:

Without financial assistance, the project would not be economically feasible due to high development costs and taxes. The incentives are needed to make the project viable and deliver needed rental housing to the community.

E) In accordance with N.Y. GML Sec. 862(1):

1. Will the Project primarily consist of retail facilities that will be primarily used in making sales of goods or services to customers who personally visit the Project site as defined in Section 862(2)(a) of the GML?

☐ Yes ☒ No

If yes, will the cost of these facilities exceed one-third of the total Project cost?

☐ Yes ☐ No

2. Will the Project be in a census tract or block numbering area (or census tract or block numbering area contiguous thereto) which, according to the most recent census data, has (i) a poverty rate of at least 20% for the year in which the data relates, or at least 20% of households receiving public assistance, and (ii) an unemployment rate of at least 1.25 times the statewide unemployment rate for the year to which the data relates? (Source: United States Census Bureau <https://factfinder.census.gov/>)

☐ Yes ☒ No

3. Is the Project site designated as an Empire Zone?

☐ Yes ☒ No

4. Is the Project location or facility likely to attract a significant number of visitors from outside the Mid-Hudson Economic Development Region (i.e.: Orange, Dutchess, Putnam, Rockland, Sullivan, Ulster, and Westchester counties)?

☐ Yes ☒ No

5. Will the Project make available goods or services which are not currently reasonably accessible to the residents of the municipality within which the proposed Project would be located?

☒ Yes ☐ No

6. Will any other companies or related facilities within the state close or be subjected to reduced activity as a result of this Project? If so please list the town and county of the location(s):

☐ Yes ☒ No

7. Will the completion of the Project result in the removal of a plant or facility of the Applicant from one area of the State New York to another area of the State of New York?

☐ Yes ☒ No

8. Will the completion of the Project result in the abandonment of one or more plants or facilities of the Applicant located in the State of New York?

☐ Yes ☒ No

a. If any answer to questions 6, 7 or 8 above is yes, is the Project reasonably necessary to discourage the Applicant from removing such other plant or facility to a location outside the State of New York?

☐ Yes ☐ No

b. If any answer to questions 6, 7 or 8 above is yes, is the Project reasonably necessary to preserve the competitive position of the Applicant in its respective industry?

☐ Yes ☐ No

IV. EMPLOYMENT PLAN

A) Current Employee Headcount:

	Current # of jobs at proposed project location or to be relocated to project location from existing facility (e.g. retained jobs)	IF FINANCIAL ASSISTANCE IS GRANTED – project the number of FTE and PTE jobs to be CREATED within THREE Years after Project completion			Estimate number of residents of the Labor Market Area in which the Project is located that will fill the FTE and PTE jobs to be created upon THREE years after Project Completion**				
		End of Year 1	End of Year 2	End of Year 3	End of Year 1	End of Year 2	End of Year 3	Total New Jobs After 5 Years	Total Retained Jobs After 5 Years
Full Time (FTE)		2	2	2	2	2	2	2	2
Part Time (PTE)									
Total		2	2	2	2	2	2	2	2

Full-time Employee Definition: (i) a full-time, permanent, private-sector employee on the Company's payroll, who has worked at the Project Location for a minimum of 35 hours per week for more than six months of a year and who is entitled to receive the usual and customary fringe benefits extended by Recipient to other employees with comparable rank and duties; or (ii) two part-time, permanent, private sector employees on Recipient's payroll, who have worked at the Project Location for a combined minimum of 35 hours per week for more than six months of a year and who are entitled to receive the usual and customary fringe benefits extended by Recipient to other employees with comparable rank and duties.

**For the purposes of this question, please estimate the number of FTE and PTE jobs that will be filled, as indicated in the third column, by residents of the Labor Market Area, in the fourth column. The Labor Market Area includes Orange County and the surrounding region (or six other contiguous counties, including Orange County, chosen at the Agency's discretion).

B) Salary and Fringe Benefits for Jobs to be Created:

Category of Jobs to be Created	Number of Jobs to be created in Year 1	Number of Jobs to be created in Year 2	Number of Jobs to be created in Year 3	Average Salary or Salary Range	Average Fringe Benefit or Range of Fringe Benefits
Management	2	2	2	75,000	0
Professional					
Administrative					
Sales					
Production/ Manufacturing					
Independent Contractor					
Other (specify)					

If there is a salary range larger than \$20,000 in a category above please provide additional breakdown information below:

--

**Please attach breakdown if space provided is not sufficient.

C) Salary and Fringe Benefits for Jobs to be Retained:

Category of Jobs to be Retained	Current Number of Jobs	Average Salary or Salary Range	Average Fringe Benefit or Range of Fringe Benefits
Management			
Professional			
Administrative			
Sales			

Production/ Manufacturing			
Independent Contractor			
Other (specify)			

D) Describe the benefits or benefits package offered to employees:

N/A

**Please attach narrative if space provided is not sufficient.

E) Describe internal training and advancement opportunities offered to employees:

N/A

**Please attach narrative if space provided is not sufficient.

V. REPRESENTATIONS BY THE APPLICANT

The Applicant understands and agrees with the Agency as follows:

- A. Job Listings In accordance with Section 858-b(2) of the New York General Municipal Law, the applicant understands and agrees that, if the proposed project receives any Financial Assistance from the Agency, except as otherwise provided by collective bargaining agreements, new employment opportunities created as a result of the proposed project must be listed with the New York State Department of Labor Community Services Division (the "DOL") and with the administrative entity (collectively with the DOL, the "JTPA Entitle") of the service delivery area created by the federal job training partnership act (Public Law 97-300) ("JPTA") in which the project is located.
- B. First Consideration for Employment In accordance with Section 858-b(2) of the General Municipal Law, the applicant understands and agrees that, if the proposed project receives any Financial Assistance from the Agency, except as otherwise provided by collective bargaining agreements, where practicable, the applicant must first consider persons eligible to participate in JTPA programs who shall be referred by the JPTA Entities for new employment opportunities created as a result of the proposed project.
- C. A liability and contract liability policy for a minimum of three million dollars will be furnished by the Applicant insuring the Agency.
- D. Annual Sales Tax Fillings In accordance with Section 874(8) of the General Municipal Law, the Applicant understands and agrees that, if the proposed project receives any sales tax exemptions as part of the Financial Assistance from the Agency, in accordance with Section 874(8) of the General Municipal Law, the applicant agrees to file, or cause to be filed, with the New York State Department of Taxation and Finance, the annual form prescribed by the Department of Taxation and Finance, describing the value of all sales tax exemptions claimed by the applicant and all consultants or subcontractors retained by the Applicant.
- E. Annual Employment Reports and Outstanding Bonds: The Applicant understands and agrees that, if the Project receives any Financial Assistance from the Agency, the Applicant agrees to file, or cause to be filed, with the Agency on an annual basis, reports regarding the number of FTE at this Project site. The Applicant also understands and agrees to provide on an annual basis any information regarding bonds, if any, issued by the Agency for the Project that is requested by the Comptroller of the State of New York.
- F. Compliance with N.Y. GML Sec. 862(1): : In accordance with §862 (1) of the New York General Municipal Law, the Applicant understands and agrees that projects which will result in the removal of an industrial or manufacturing plant of the Project occupant from one area of the state to another area of the state or in the abandonment of one or more plants or facilities of the Project occupant within the state is ineligible for Agency Financial Assistance, unless otherwise approved by the Agency as reasonably necessary to preserve the competitive position of the Project in its respective industry.
- G. Compliance with Applicable Laws: The Applicant confirms and acknowledges that the owner, occupant, or operator receiving Financial Assistance for the proposed Project is in substantial compliance with applicable local, state and federal tax, worker protection and environmental laws, rules and regulations.

- H. False and Misleading Information: The Applicant confirms and acknowledges that the submission of any knowingly false or knowingly misleading information may lead to the immediate termination of any Financial Assistance and the reimbursement of an amount equal to all or part of any tax exemption claimed by reason of the Agency's involvement the Project.
- I. Recapture: Should the Applicant not expend, hire as presented, or violates Sales Tax Exemption regulations, the Agency may view such information/status as failing to meet the established standards of economic performance. In such events, some or all of the benefits taken by the Applicant will be subject to recapture.
- J. Rescission of Benefits Conferred: Applicant understands and agrees that in the event that (a) the Applicant does not proceed to final Agency approval within six (6) months of the date the Agency adopts its initial approval resolution and/or (b) close with the Agency on the requested financial assistance within twelve (12) months of the date the Agency adopts its initial resolution, the Agency reserves its right to rescind and cancel all prior approvals. In the event the Agency rescinds its approvals and the Applicant re-applies to the Agency, the Applicant understands and agrees that its re-application will be subject to any and all changes in law, Agency policies or fees imposed by the Agency that are in effect as of the date of re-application.
- K. Absence of Conflicts of Interest: The applicant has received from the Agency a list of the members, officers, and employees of the Agency. No member, officers or employee of the Agency has an interest, whether direct or indirect, in any transaction contemplated by this Application, except as hereinafter described:
- L. Freedom of Information Law (FOIL): The applicant acknowledges that the OCIDA is subject to New York State's Freedom of Information Law (FOIL). Applicants understand that all project information and records related to this application are potentially subject to disclosure under FOIL subject to limited statutory exclusions.
- M. The IDA is legally required to submit an annual PARIS report to the state that requires information from each project. Applicant participation is **NOT OPTIONAL**. **ALL INFORMATION** must be submitted in a **COMPLETE** and **TIMELY** manner. Failure to comply with this request **WILL RESULT** in a **LOSS/RECAPTURE** of **ALL OR SOME** of your benefits.
- N. GML Compliance: The Applicant certifies that, as of the date of the Application, the proposed project is in substantial compliance with all provisions of NYS General Municipal Law Article 18-A, including but not limited to Sections 859-a and 862(1).
- O. OCIDA's Policies: The Applicant is familiar with all of OCIDA's policies posted on its website <https://www.ocnyida.com> and agrees to comply with all applicable policies.
- P. Disclosure: Article 6 of the Public Officers Law declares that all records in the possession of the OCIDA (with certain limited exceptions) are open to public inspection and copying. If the Applicant feels that there are elements of the Project which are in the nature of trade secrets which, if disclosed to the public or otherwise widely disseminated, would cause substantial injury to the Applicant's competitive position, the Applicant must identify such elements in writing and request that such elements be kept confidential. In accordance with Article 6 of the Public Officers Law, if requested, OCIDA may also redact personal, private, and/or

proprietary information from publicly disseminated documents. The Applicant understands that the Applicant must identify in writing to OCIDA any information it deems proprietary or personal and seeks to have redacted and the rationale therefore.

- Q. Reliance: THE APPLICANT ACKNOWLEDGES THAT ALL ESTIMATES OF PROJECTED FINANCIAL IMPACTS, VALUE OF FINANCIAL ASSISTANCE REQUESTED, AND OTHER INFORMATION CONTAINED IN THIS APPLICATION WILL BE RELIED UPON BY OCIDA AND ANY CHANGES IN SUCH INFORMATION MUST BE MADE IN WRITING AND MAY IMPACT THE GRANT OF FINANCIAL ASSISTANCE TO THE PROJECT.
- R. Prevailing Wage: The Company hereby acknowledges and agrees that the Financial Assistance being provided by the Agency under the Company Documents constitutes "public funds" unless otherwise excluded under Section 224-a(3) of the New York Labor Law, and by executing this Agreement, (i) confirms that it has received notice from the Agency pursuant to Section 224-a(8)(d) of the New York Labor Law and (ii) acknowledges its obligations pursuant to Section 224-a(8)(a) of the New York Labor Law. Other than the Agency Financial Assistance estimates provided herein and disclosed to the Company, the Agency makes no representations or covenants with respect to the total sources of "public funds" received by the Company in connection with the Project.

AGENCY FEE SCHEDULE

Fee Schedule for Orange County IDA and Orange County Funding Corp. (the "Agency")

A. **Application Fees:** \$5,000 total, due at time of application submission, non-refundable, paid as follows:

- **Administrative Application Fee:** \$2,500 to be remitted directly to the Agency; *and*
- **Counsel Application Fee:** \$2,500 to be remitted directly to the Agency's legal counsel.

B. **Project Commitment Fees:**

- **Agency Fee:** Due with fully executed Inducement Resolution. Non-refundable. Commitment Fee is 10% of the total estimated closing fee, not less than \$2,500 nor more than \$10,000. Paid amount is applied to Closing Fee.
- **Counsel Fee:** Due with fully executed Inducement Resolution. Non-refundable. Commitment Fee is 10% of the total estimated closing fee, not less than \$2,500 nor more than \$10,000. Paid amount is applied to Closing Fee.
- **Reimbursement of Expenses Fee:** In the event the project does not proceed to closing, the Agency shall be entitled to reimbursement from the Applicant for all third parties expenses incurred, including but not limited to, public hearing notice publication, transcription services, costs affiliated with procurement of public hearing venues and the costs incurred in connection with cost-benefit analysis calculations.

C. **Closing Fees:**

i. For **Sales Tax Exemption** benefit:

- **Agency Fee:** Agency fee is .5% of the first \$4,000,000 of the total project cost that is subject to sales tax, plus .25% of the remaining cost of the project subject to sales tax.
- **Counsel Fee:** Base \$2,500 fee, plus .5% on the first \$500,000; and .25% thereafter on the portion of the project receiving the benefit. Minimum closing fee is \$2,500.

ii. For **Mortgage Recording Tax Exemption** benefit:

- **Agency Fee:** Agency fee is .1% of the value of the mortgage.
- **Counsel Fee:** Base \$2,500 fee, plus .5% on the first \$500,000; and .25% thereafter on the portion of the project receiving the benefit. Minimum closing fee is \$2,500.

iii. For **PILOT Agreements**:

• **Agency Fee:** The Orange County Industrial Development Agency will impose a fee for all Payment In Lieu of Tax (PILOT) Agreements provided by the Agency. The fee is due upon closing and is dependent upon the project's specific industry sector, as follows:

- **Priority Industry Sector:** Fee is 1% of the first \$2,000,000 of the total project costs (including land acquisition costs), plus .5% of the amount above that.
 - **Manufacturing Sector:** Fee is 1% of the first \$2,000,000 of the total project costs, plus .5% of the amount above that.
 - **Workforce Housing:** Fee is 1% of the first \$2,000,000 of the total project costs, plus .5% of the amount above that.
 - **Hotel/Hospitality Sector:** Fee is 1% of the total project costs.
 - **Warehouse/Distribution Sector:** Fee is 1% of the total project costs.
 - **Retail Sector:** Fee is 2% of the first \$2,000,000 of the total project costs, plus 1% of the amount above that.
- **Counsel Fee:** Base \$2,500 fee, plus .5% on the first \$500,000; and .25% thereafter on the portion of the project receiving the benefit. Minimum closing fee is \$2,500.

iv. For **Bond Transactions**:

Closing fees for bond transactions are based on the principal amount of the bonds issued, as follows:

For **Tax-Exempt Bonds**:

- The first \$10 million of principal amount: 1% of total bond value;
- The next \$10 million – \$25 million: .5% of bond value;
- Remaining principal amount above \$35 million: .25% of bond value.

For **Taxable Bonds**:

- 1/4% of the principal amount of the bonds.

For **Refinancing Bonds**:

- .5% of the principal amount of the bonds to be refinanced.

Please note that the minimum fee for a Bonds transaction is \$10,000.

Statutory Mandated Bond Issuance Charge (BIC)

Pursuant to Section 51 of Chapter 56 of the Laws of 2024 Under State law, there is a statutory fee required for all bonds issued by the Agency, which is payable to the New York State Department of Taxation and Finance. Note: This fee is only applicable to bonds issued by the Orange County IDA. The BIC fee is calculated as a percentage of the Principal Amount of Bonds Issued at the following rates:

- \$20,000,000 or less: 0%
- More than \$20,000,000: .35%

Counsel Fees: There will be a bond counsel fee based on the standard hourly billing rates of the Bond Counsel providing services, plus disbursements. Bond Counsel will provide monthly statements, if requested. Payment of fees and disbursements will be due at closing or upon abandonment of the financing.

With respect to each element of the Closing Fees set forth above, the portion of the Agency Fee applicable to the applicable element or elements shall be due upon execution and delivery of the documentation creating the applicable benefit.

If at any time the Project costs change prior to the Final Resolution, please inform management immediately for closing fee recalculation purposes.

Please initial stating you understand the foregoing, have provided accurate project costs, and consent to the estimated closing fee provided above 

D. ANNUAL COMPLIANCE FEE

An Annual Compliance Fee in the amount of \$750 will be charged to all active projects of the Agency.

Annual compliance requirements include: Proof of insurance; proof of PILOT payments; copy of ST340 sales tax exemption form; status of job creation and retention; and, any additional data

that may be required by the New York State Comptroller. The first payment of the compliance fee will be due at closing; for succeeding years, **February 20th** will be the due date.

The annual compliance fee does not include fees that the Applicant may be required to pay to an independent third-party auditor for monitoring compliance with Prevailing Wage Requirements or Local Labor Requirements, whichever is applicable.

The Agency reserves the right to adjust the Annual Compliance Fee from time to time.

E. LOCAL LABOR MONITORING FEES

The Agency will retain an independent third party to review compliance by the Applicant with the Prevailing Wage Requirements or the Local Labor Requirements, whichever is applicable. The Applicant shall be responsible for the fees and expenses of such independent third-party relating to the foregoing monitoring responsibilities.

The Agency employs a third-party firm, or firms, to monitor compliance with our Local Labor Policy (attached hereto). The total anticipated labor monitoring fees, borne entirely by the applicant, are assessed up-front, upon the closing of your OCIDA transaction. However, if Project delays occur or if extra monitoring is required, additional fees may be assessed. These fees will be deposited into a non-interest-bearing escrow account and will fund the ongoing audit of Local Labor Policy compliance throughout construction of the Project.

Any unused funds on deposit with the Agency will be returned to the applicant upon Project completion. Additional information relating to this monitoring program may be obtained upon request from the Agency.

The total anticipated monitoring fees are based on total project costs:

- Less than \$5 million: \$5,000.
 - Greater than \$5 million, less than \$15 million: \$10,000.
 - Greater than \$15, less than \$25 million: \$20,000.
 - Greater than \$25 million, less than \$50 million: \$30,000.
 - Greater than \$50 million, less than \$100 million: \$45,000.
 - Greater than \$100 million, less than \$500 million: \$55,000.
 - Greater than \$500 million: To be determined by the Agency.
-
- **Agency Administrative Fee:** 2% of the total anticipated Local Labor monitoring fees.

F. OTHER TRANSACTION FEES

- Amendments, Assignments and other transactions: \$1,500.00
- Project Termination Fee: \$1,000.00
- Submitting Annual Compliance Data *after* February 20th: \$2,500.00

This Agency Fee Schedule is the standard used when calculating all Project fees. These fees are not open for negotiation.

Please initial stating you understand and consent to the above M. J

COMPLETENESS OF APPLICATIONS

An application must be deemed complete by the Agency before the Agency will take any action with respect to the proposed project and financial assistance being requested.

In order to be complete, an Application must include the following upon submission:

1. Signed and notarized Application.
2. Signed acknowledgment of having read and agreed to the Agency's Local Construction Labor Policy.
3. Completed Environmental Assessment Form.
6. Check or other form of payment of Agency Application Fee in the amount of \$2,500.00.

The sufficiency of the information included in the Application shall be determined in the sole discretion of the Agency, and upon a request by the Agency for further information, the Application will not be deemed complete until such time as the requested information has been provided to the Agency.

Please Make All Checks Payable to:

Orange County Industrial Development Agency

EXHIBIT "C"
LABOR POLICY
ORANGE COUNTY INDUSTRIAL DEVELOPMENT AGENCY / ORANGE COUNTY FUNDING CORPORATION
Adopted 08-06-25

The Orange County Industrial Development Agency (IDA) was established for the purpose of creating employment opportunities for, and to promote the general prosperity and economic welfare of the residents of Orange County. The IDA offers economic incentives and benefits to qualified applicants who wish to locate or expand their businesses or facilities in Orange County. When the IDA approves a project, it enters into agreements to extend these incentives and benefits to the applicant.

Construction jobs, though limited in time duration, are vital to the overall employment opportunities and economic growth in Orange County. The IDA believes that companies benefiting from its incentive programs should employ local laborers, mechanics, craft persons, journey workers, equipment operators, truck drivers and apprentices (hereinafter "construction workers"), including those who have returned from military service, during the construction phase of projects. In this way, the IDA can generate significant benefits to advance the County's general prosperity. It is, therefore, the policy of the IDA that firms benefiting from its programs shall employ workers from Orange County and the "local labor" market during all project phases, including the construction phase.

For the purpose of this policy, the "local labor" market for construction workers shall be defined as those individuals living in Orange, Ulster, Sullivan, Dutchess, Putnam, Rockland, Westchester, and Delaware Counties. Applicants receiving IDA benefits shall ensure the contractor/developer hire at least 85% from the "local labor" market for their approved projects. The 85% shall be borne by each primary contractor, and in total at the time of completion of the project. The contractor/developer is mandated to keep daily log sheets of all field workers, commencing on the date of application. Any work performed after application shall be included in the determination of overall compliance with the 85% hiring requirements of this policy. A third-party auditing firm will be engaged to monitor construction work commencing on the date benefits are granted by resolution of the IDA Board.

However, the IDA recognizes that the use of local labor may not be possible for the following reasons and the applicant may request an exemption on a particular contract or trade scope for the following reasons:

1. Warranty issues related to installation of specialized equipment whereby the manufacturer requires installation by only approved installers;
2. Specialized construction is required, and no local contractors or local construction workers have the required skills, certifications or training to perform the work;

3. Cost Differentials:
 - a. For projects whose project cost exceeds \$15M, significant cost differentials in bid prices whereby the use of local labor and materials significantly increases the sub contract or contract of a particular trade or work scope by at least 20%. Every reasonable effort should be made by the applicant and or the applicant's contractor to get below the 20% cost differential including, but not limited to, communicating and meeting with local construction trade organizations, such as the Hudson Valley Building and Construction Trades Council and other local Contractor Associations;
 - b. For projects whose project cost is less than \$15M, significant cost differentials in bid prices whereby the use of local labor and materials significantly increases the sub contract or contract of a particular trade or work scope by 10% or more. Every reasonable effort should be made by the applicant and or the applicant's contractor to get below the 10% cost differential including, but not limited to, communicating and meeting with local construction trade organizations, such as the Hudson Valley Building and Construction Trades Council and other local Contractor Associations;
4. No labor is available for the project; and
5. The contractor requires key or core persons such as supervisors, foreman or "construction workers" having special skills that are not available in the "local labor" market.

The request to secure an exemption for the use of non-local labor must be received from the applicant on the exemption form provided by the IDA or the 3rd party monitor and received in advance of work commencing. The request will be reviewed by the 3rd party monitor and forwarded to the IDA, at which time the IDA's Audit Committee shall have the authority to approve or disapprove the exemption. The 3rd party monitor shall report each authorized exemption to the Board of Directors at its monthly meeting.

It is the goal of the County of Orange and the IDA to promote the use of local veterans on projects receiving IDA benefits. By partnering with local contractors, local contractor groups, local trade unions and contractors awarded work on IDA projects, there are opportunities for veterans to gain both short term and long term careers in the construction industry.

Once approved for IDA benefits, all applicants will be required to provide to IDA staff the following information:

1. Description of the nature of construction jobs created by the project, including in as much detail as possible, the number, type and duration of construction positions;
2. The names, contact information, certificate of authorization to do business in the State of New York and copies of current Certificates of NYS Workers' Compensation Insurance, NYS Disability Insurance, General Liability Insurance and proof of current OSHA training certification from all contractors' employees performing work on the site; and
3. A Construction Completion Report listing the names and business locations of prime contractors, subcontractors and vendors who have been engaged in the construction phase of the project.

All Orange County IDA projects are subject to local monitoring by the IDA and any 3rd party monitor. The applicant and/or the Construction Manager or General Contractor acting as agent for the applicant on the project, shall keep a log book on site detailing the number of workers, hours worked and counties and states in which they reside. Proof of residency or copy of drivers' license shall be included in the log book, along with evidence of necessary OSHA certifications. Reports will be on forms provided by the IDA or weekly payroll reports which contain the same information as required on the IDA issued form. The applicant and contractors are subject to periodic inspection or monitoring by the IDA or 3rd party monitor.

The 3rd party monitor shall issue a report to the IDA staff immediately when an applicant or applicant's contractor is not in compliance with this labor policy. IDA staff shall advise the Audit Committee and/or IDA Board of non-compliance by email or at the next scheduled meeting. If a violation of policy has occurred, IDA staff shall notify the applicant and contractor in writing of non-compliance and give applicant a warning of violation and 72 hours in which to correct such violation. Upon evidence of continued non-compliance or additional violations, the IDA and/or its 3rd party monitor shall notify the applicant that the project is in violation of the Orange County IDA Labor Policy and is subject to IDA Board action which may result in the revocation, termination and/or recapture of any or all benefits conferred by the IDA.

The IDA will use a third party firm or firms to monitor and audit compliance with this local labor policy, the cost of which shall be paid for by the Company in advance of the audits and held in a non-interest bearing escrow account until audits are complete.

The applicant of an IDA approved project shall be required to maintain a 4' X 8' bulletin board on the project site containing the following information:

1. Contact information of the applicant;
2. Summary of the IDA benefits received;
3. Contractor's names and contact information on IDA provided form;
4. Copies of proof of exemption from labor policy;
5. Copies of any warnings or violations of policy;
6. Copy of the Executed Labor Policy.

The bulletin board shall be located in an area that is accessible to onsite workers and visitors, which should be clear and legible at least 10 feet from said board.

The applicant has read the OCIDA Labor Policy and agrees to adhere to it without changes and shall require its construction manager, general contractor and sub-contractors who are not exempt to acknowledge the same. The Applicant understands and agrees that it is responsible for all third-party auditing and monitoring costs.

**ORANGE COUNTY INDUSTRIAL DEVELOPMENT AGENCY
INDUCEMENT RESOLUTION**

Regarding the

Silverlake Ridge Developers LLC Project

WHEREAS, the New York State Industrial Development Agency Act and the Agency's enabling legislation, respectively constituting Article 18-A and Section 912 of the General Municipal Law (Chapter 24 of the Consolidated Laws of New York) (the "Act") authorizes the Agency (1) to promote the economic welfare, recreational opportunities and prosperity of its inhabitants, and (2) to promote, attract, encourage and develop recreation and economically sound commerce and industry through governmental action for the purpose of preventing unemployment and economic deterioration; and

WHEREAS, an Application for Financial Assistance dated May 4, 2026, has been submitted to the Agency by or on behalf of Silverlake Ridge Developers LLC (together with the applicant and other project sponsor or any related legal entity, if different, the "Company") requesting assistance in financing a proposed project in the Town of Wallkill, New York, consisting of the construction and redevelopment of an underutilized property, located at Piper Lane, Wallkill, New York (the "Premises") and the acquisition of machinery and equipment related thereto, all to be used as an 124 unit garden style residential rental community with amenities as more fully described in the application and supplemental materials all at a cost of approximately \$37,690,666.00 (the "Project"); and

WHEREAS, the Agency's Local Construction Labor Policy, which went into effect on June 26, 2024 ("Labor Policy"), was annexed to and made a part of the Application; and

WHEREAS, the Premises is located within the Town of Wallkill; and

WHEREAS, in its application, the Company has represented that the Project is expected to create two (2) new full time jobs in the Town of Wallkill, County of Orange, and the State of New York within three (3) years of the completion of construction, and has made additional factual representations concerning itself and the Project upon which the Agency is relying in adopting this resolution; and

WHEREAS, in order to facilitate the development and renovation of the Project, the Company desires Agency financial assistance in connection with the Project in the form of (i) exemptions of up to \$970,966.00 for State and Local Sales Taxes that would otherwise be due with respect to project costs for qualified expenditures in an amount of up to \$11,950,361.00, (ii) mortgage recording tax exemption in the approximate amount of \$240,277.99.00 relating to the granting and recording of a mortgage secured by the Premises in an amount of up to \$32,037,066.00 and (iii) payment in lieu of tax benefits ("PILOT") in amounts in accordance with the Agency's Uniform Tax Exemption Policy; and

WHEREAS, Company represents that the financial assistance requested from the Agency

is necessary in order to enable the Company to proceed with the Project and to be competitive in its business in Orange County; and

WHEREAS, in its application for assistance, the Company has made further representations with respect to the qualification of the Project as a commercial project under the Agency's guidelines, and the Company has represented, and the Agency has determined that such qualification is supported by the information presented in the application; and

WHEREAS, the Agency intends to induce the Company to proceed with the development of the Project pending completion of arrangements by the Company and the Agency for the financing for the Project as a "straight lease" transaction.

NOW, THEREFORE, the Orange County Industrial Development Agency hereby resolves as follows:

Section 1. Qualification of Project.

The Agency hereby determines that the undertaking and completion of the Project and the financing thereof by the Agency is authorized by the Act and will be in furtherance of the policy of the State of New York as set forth therein.

Section 2. Commercial Project Determinations.

The Agency hereby further specifically determines, in accordance with its guidelines for commercial projects and based on the representations and information presented by the Company in the application, that:

1. The Project will generate a direct economic impact on the County of a positive nature.
2. The Project will involve the redevelopment of an underutilized property located at the Premises and the construction of a new 124 unit garden style residential rental community with amenities.
3. The Project will be located in the Town of Wallkill.
4. The Project will generate new ratables for the County and the other taxing jurisdictions.
5. The Project will lead to the creation of two (2) new full-time jobs in the County and allow the Company to be competitive.

Section 3. SEQRA.

The Agency further determines that it is not the lead agency with respect to the Project under the State Environmental Quality Review Act ("SEQRA"), and that any determination

thereunder as to the necessity of preparing an environmental impact statement will be made by such lead agency. The actions taken hereunder shall be subject in all respect to compliance with SEQRA prior to any final action being taken by the Agency.

Section 4. Ratification of Prior Acts.

Any action heretofore taken by the Company in initiating the Project is hereby ratified, confirmed and approved.

Section 5. Assistance of Company.

The members, representatives, and agents of the Agency are hereby authorized and directed to take all actions deemed appropriate to assist the Company in commencing and carrying out the Project to include the providing of an exemption from mortgage taxes and sales tax on amounts expended as costs for the construction, renovation, redevelopment and for equipping of the facility. Final action with respect to financial assistance shall be subject to approval by an Authorizing Resolution by the Agency.

Section 6. Assistance of Agency

Subject to agreement between the Agency and the Applicant as to terms in all agreements to be entered into with respect to the Project, the Agency will undertake to use reasonable efforts to provide financial assistance to the Project in the amounts requested by the Applicant in the Application for Financial Assistance.

Section 7. Reimbursement of Costs and Expenses.

Any expenses incurred by the Agency with respect to the Project and the financing thereof, including attorney's fees and disbursements, shall be reimbursed by the Applicant. By acceptance hereof, the Applicant agrees to pay such expenses and further agrees to indemnify the Agency, its members, employees and agents and hold the Agency and such persons harmless against claims for losses, damage or injury or any expenses or damages, including attorney's fees and disbursements, incurred as a result of action taken by or on behalf of the Agency in good faith with respect to the Project and the financing thereof.

Section 8. No Recourse or Personal Liability.

No provision of this resolution or any other related document shall constitute or give rise to a charge upon the general credit of the Agency or impose upon the Agency a pecuniary liability except as may be payable from the limited sources set forth above. No recourse shall be had for the payment of or performance of any obligation in connection therewith against any employee, officer, member, representative or agent of the Agency, nor is or shall any such person become personally liable for any such payment or performance.

Section 9. Effect of Resolution.

In adopting this resolution, notwithstanding any other provision hereof, the Agency assumes no responsibility for obtaining or assisting the Company in obtaining financing for the Project. This resolution is not a contract between the Agency and the Company, and it shall not be construed as such.

Section 10. Occupancy by Applicant

No person other than the Applicant and its affiliates or its tenants shall occupy the Project unless and until approved by the Agency.

Section 11. Labor Policy

Commencing with the adoption of this Inducement Resolution, the Company hereby agrees to comply with the provisions of the Agency's Labor Policy.

Section 12. Representations

The Agency has made and makes no representation or warranty whatsoever, either express or implied, with respect to the merchantability, condition, environmental status, fitness, design, operation or workmanship of any part of the Project, its fitness for any particular purpose, the quality or capacity of the materials in the Project, or the suitability of the Project for the Company's purposes or needs or the extent to which financial assistance will be sufficient to pay the cost of constructing, equipping and furnishing of the Project. The Company, by executing the acceptance hereof, represents that it is satisfied that the Project is suitable and fit for its purposes. The Agency shall not be liable in any manner whatsoever to anyone for any loss, damage or expense of any kind or nature caused, directly or indirectly, by the Project property or the use or maintenance thereof or the failure of operation thereof, or the repair, service or adjustment thereof, or by any delay or failure to provide any such maintenance, repairs, service or adjustment, or by any interruption of service or loss of use thereof or for any loss of business howsoever caused, and the Company, by executing the acceptance hereof, hereby indemnifies and holds the Agency harmless from any such loss, damage or expense.

Section 13. Compliance by Company

Any commitment of the Agency set forth herein is expressly conditioned upon full compliance of the Company and the Project with all applicable laws, rules and regulations, and the Company shall be required to provide satisfactory evidence of the same to the Agency prior to providing any financial assistance.

Section 14. Conditions

The undertakings of the Agency set forth herein are subject to and conditioned upon (a) full compliance with federal, state and local regulatory and environmental procedures and requirements, including the State Environmental Quality Review Act, (b) publication of notice and

holding of a public hearing with respect to the Project and the proposed financial assistance as required by the Act, and (c) provision of full environmental indemnities by an entity satisfactory to the Agency and in form and substance acceptable by the Agency and its counsel.

Section 15. Expiration Date of Resolution.

This resolution may be deemed by the Agency to have expired at any time after twelve months from the date hereof.

Section 16. Effective Date.

The resolution shall take effect immediately upon its acceptance by the Company.

Adopted: May 13, 2026

CivicServe: Trusted by IDAs

CivicServe: Built for IDA's

Transforming Economic Development Operations Through Purpose-Built Technology

Fundamental Functions	Current Challenges	CivicServe Solution & Impact
Compliance	• Hundreds of individual compliance obligations • Manual process of reminding and sending requirements to businesses and developers • Manual process of collecting and double entering data • No easy reporting or holistic view of all projects and their compliance	✓ Complete compliance process: application intake to management and reporting ✓ Automated reminders, forms and document collection sent to businesses and developers ✓ Holistic compliance review, across all projects including reminders to staff and businesses automatically sent with timelines ✓ No manual collection or re-work, automated collection
Reporting	• Manual data gathering from multiple sources • No automation • Time-consuming document collection • Disparate systems and siloed data	✓ Data all lives in one platform/location ✓ Automatically generated reports ✓ Reports for board members, annual reports and PARIS ✓ Easy, one-click, accurate custom reporting to help tell the story (i.e. project count vs. incentive approval count, historical benchmarking)
Incentives	• PDF and manual applications • Choosing correct incentives for projects that benefit the community • Manual status and workflow tracking • Spreadsheets prone to rework and mistakes • Constant updates and changes to finances and timelines	✓ Digitized and automated incentive process ✓ Application scoring to make sure projects align with IDA goals ✓ Automated status updates and workflows ✓ Audit logs and funding schedules ✓ Flexible timelines that document where the project is and what work remains
Business Attraction and Project Management	• No formal process • Ad hoc developer follow-up • Can't measure actual vs. projected outcomes	✓ Portal for easy businesses and developers to navigate ✓ Real-time KPI dashboard (actual vs. projected) ✓ Impact reporting—tell the "how did we do" story

CRM

Centralize contact and communication management with integrated email and calendar tools.

Leverage email templates and bulk correspondence for targeted distribution to specific groups.

Track contacts, communications, documents, and activities—including calls, emails, meetings, compliance actions, projects and user-defined interactions.

Use custom tags to organize by industry, status, district, and other criteria.

Assign tasks and action items to individuals, teams, consultants, and third-party economic development partners with automated reminders and system-generated audit logs.

Enable digital communication with businesses, developers, and residents through a personalized public portal.

PROJECT MANAGEMENT

Manage internal, non-incentive projects with configurable timelines, automated notifications, and task assignments to keep all parties aligned throughout multi-step processes.

Set automated reminders and capture data to ensure compliance with internal policies and requirements.

Access dashboards and reports tailored to reporting needs to demonstrate progress and accountability.

GOAL MANAGEMENT

Set quantifiable internal goals displayed in a Goals dashboard.

Demonstrate how daily activities and engagements translate into measurable outcomes, providing clear evidence of impact for stakeholders who need to understand the connection between your work and community results.

Tie activities tracked throughout the platform to strategic objectives and report on real-time progress across all economic development initiatives.

DATA MANAGEMENT

Pre-Populated Business Data

Receive a curated dataset of businesses in your community, CRM-ready and enriched with firmographic details to support immediate outreach and engagement.

Optional CivicServe Provided Parcel/GIS Data (Regrid)

Enhance your platform with high-quality parcel data that gives full context to every address, property, and project.

Import of Customer Provided Parcel/GIS Data

Import parcel files, districts, zones, TIF boundaries, overlays, and more—no GIS expertise required.

Map

Visualize and analyze your community's business landscape with an interactive CRM map that enables search and filtering by key attributes, reveals distribution trends and opportunities, and provides direct access to detailed business records.

ANALYTICS & REPORTING

Dashboards

View your most important metrics in real time through visual dashboards that simplify complex data, accelerate action, and keep teams aligned with always up-to-date project, lead, and performance insights.

Real-time Reports

Automatically refresh reports to deliver real-time KPI and workflow visibility while sharing reliable, up-to-date insights that drive alignment, accountability, and proactive decision-making.

Custom Reports

Build polished, custom reports in minutes with an intuitive step-by-step wizard—no technical skills required.

INCENTIVES MODULE

Comprehensive incentive management platform that automates application processing, ensures regulatory compliance and promotes financial programs through public portals and intelligent screening technology to protect investments and streamline economic development initiatives.

Incentive Management

- ✓ Abatements
- ✓ Bonds
- ✓ Business Development Districts
- ✓ Community Improvement Districts
- ✓ Credits, Exemptions, Rebates, and Waivers
- ✓ Economic Development Grants
- ✓ Economic Development Loans
- ✓ Enterprise Zones
- ✓ Hub Zones
- ✓ Opportunity Zones
- ✓ PILOTs
- ✓ Special Services Areas
- ✓ Tax Increment Financing Districts
- ✓ Other/Custom

INCENTIVE MANAGEMENT

End-to-End Lifecycle Management

Manage the complete lifecycle of financial incentive programs from public promotion through compliance tracking.

Visual Project Timelines

Build configurable project timelines with automated notifications for critical dates such as compliance deadlines and payment schedules.

Digital Applications

Capture applications, pre-qualification forms, and inquiries through configurable public portal forms that automatically create projects in the admin system with connections to business and contact records in the CRM.

Project Eligibility Verification

Review applications with intelligent project scoring based on program criteria and automated eligibility verification.

INCENTIVE MANAGEMENT

Built-In Audit Trails

Maintain comprehensive audit trails of all correspondence and decisions to document the rigorous review process and demonstrate program integrity to stakeholders.

GIS Verification

Showcase available incentives in a searchable public database where businesses can explore programs and verify eligibility by address through GIS integration.

Automated Compliance

Track compliance requirements with automated alerts when obligations aren't met and maintain detailed records of all compliance activities and submissions.

Real-Time Program Dashboards

Access dashboards to monitor program performance and compliance status in real time and generate reports on project performance and progress to demonstrate impact and communicate the success of your work to elected officials and community stakeholders.

STATE SPECIFIC REPORTING

⋮	Section 3.2A
⋮	Section 3.2B
⋮	Section 3.3
⋮	Section 4
⋮	Section 5
⋮	Section 6
⋮	Section 7

Meet state-mandated reporting requirements for incentive programs with pre-configured report templates designed for specific state compliance standards.

Ensure accuracy and completeness while reducing the time and effort required to fulfill statutory reporting obligations.

Streamline data compilation by pulling required information directly from your project records to generate comprehensive annual reports.

INTEGRATIONS

GIS (Customer API Required)

Integrate seamlessly with your community's GIS system to automatically sync parcel data, ownership records, and current/historical assessed values while validating and geocoding all projects, businesses, and properties—enabling accurate location-based tracking, property value impact analysis, and multi-jurisdiction reporting.

Microsoft 365 (Outlook Email and Calendar)

Eliminate duplicate data entry with seamless Microsoft Outlook 365 integration that automatically logs all emails and calendar events to business, contact, and project records—maintaining a comprehensive communication history in one place to streamline workflows, ensure nothing falls through the cracks, and support accurate engagement reporting.

Single Sign-On (Provider Must Support SAML 2.0)

Streamline access and enhance security with Single Sign-On (SSO) via SAML 2.0, enabling seamless authentication through your existing enterprise identity platform—whether Microsoft Azure AD (Entra ID), Okta, OneLogin, or any SAML 2.0 provider—while reducing password fatigue and maintaining centralized control over authentication and access management across your organization.

Risk-Free Onboarding

With CivicServe, you're not just purchasing a software system; you're partnering with experts committed to your growth. Our onboarding is designed to set you up for success. Subject matter experts map your processes to our technology, giving you a fully usable platform to generate economic growth.

Onboarding Timeline

1. You sign the MSA
2. We hold a Kickoff Call
3. You upload documents
4. We build your Platform
5. We review your Platform together
6. We make final revisions
7. We train your team
8. We get your final approval
9. Outreach goes live
10. Transition to Customer Success team

Once you sign an Agreement, your platform will activate within 24 business hours. Business outreach is made immediately available, with a Kickoff Call occurring within one week.

I would recommend this CivicServe team over and over with no hesitation to others that are looking for a change in their systems. It was one of the easiest implementations that I have experienced.

The CivicServe Core Platform

Streamline economic development relationships, communication, and workflows through an integrated platform with a comprehensive CRM, lead tracking, project coordination, goal monitoring, event planning, data management, and real-time reporting.

Core Platform Includes:

Customer Relationship Management (CRM)

- Centralize contact and communication management with integrated email and calendar tools.
- Leverage email templates and bulk correspondence for targeted distribution to specific groups.
- Track contacts, communications, documents, and activities—including calls, emails, meetings, compliance actions, projects and user-defined interactions.
- Use custom tags to organize by industry, status, district, and other criteria.
- Assign tasks and action items to individuals, teams, consultants, and third-party economic development partners with automated reminders and system-generated audit logs.
- Enable digital communication with businesses, developers, and residents through a personalized public portal.

Lead Management

- Streamline lead management by capturing inquiries through the public portal and managing leads in the admin system.
- Log key details and connect leads with contacts, projects, and parcels.
- Assign owners and tasks to team members for follow-up and progression.
- Track lead status from initial inquiry through project completion across the entire lifecycle.

Project Management

- Manage internal, non-incentive projects with configurable timelines, automated notifications, and task assignments to keep all parties aligned throughout multi-step processes.
- Set automated reminders and capture data to ensure compliance with internal policies and requirements.
- Access dashboards and reports tailored to reporting needs to demonstrate progress and accountability.

Goal Management

- Set quantifiable internal goals displayed in a Goals dashboard.
- Tie activities tracked throughout the platform to strategic objectives and report on real-time progress across all economic development initiatives.
- Demonstrate how daily activities and engagements translate into measurable outcomes, providing clear evidence of impact for stakeholders who need to understand the connection between your work and community results.

Event Management

- Manage, track, and report on business and workforce events from planning through execution.
- Build configurable timelines with tasks and deadlines to keep event planning on schedule.

- Coordinate attendees, vendors, and sponsors with streamlined registration and management tools.
- Connect events to the CRM to track participation history across all roles and identify engagement patterns for future outreach.
- Promote events through a filterable event directory in the public portal with registration capabilities for attendees, vendors, and sponsors.
- Generate a comparative report analyzing vendor, sponsor, and attendee participation across events to evaluate partnership effectiveness and inform future event planning.

Data Management

- **Pre-Populated Business Data:** Receive a curated dataset of businesses in your community, CRM-ready and enriched with firmographic details to support immediate outreach and engagement.
- **Optional CivicServe Provided Parcel/GIS Data (Regrid):** Enhance your platform with high-quality parcel data that gives full context to every address, property, and project.
- **Import of Customer Provided Parcel/GIS Data:** Import parcel files, districts, zones, TIF boundaries, overlays, and more—no GIS expertise required.
- **Map:** Visualize and analyze your community's business landscape with an interactive CRM map that enables search and filtering by key attributes, reveals distribution trends and opportunities, and provides direct access to detailed business records.

Analytics & Reporting

- **Dashboards:** View your most important metrics in real time through visual dashboards that simplify complex data, accelerate action, and keep teams aligned with always up-to-date project, lead, and performance insights.
- **Real-time Reports:** Automatically refresh reports to deliver real-time KPI and workflow visibility while sharing reliable, up-to-date insights that drive alignment, accountability, and proactive decision-making.
- **Custom Reports:** Build polished, custom reports in minutes with an intuitive step-by-step wizard—no technical skills required.

We also offer specialized modules and platform enhancements to assist with the management of your economic development core competencies.

Incentives Module

Protect incentive investments through automated application processing, eligibility verification, compliance tracking with notifications and alerts, and real-time reporting to satisfy regulatory and compliance requirements.

Incentives Module Includes:

- Manage the complete lifecycle of financial incentive programs from public promotion through compliance tracking.
- Showcase available incentives in a searchable public database where businesses can explore programs and verify eligibility by address through GIS integration.

- Capture applications, pre-qualification forms, and inquiries through configurable public portal forms that automatically create projects in the admin system with connections to business and contact records in the CRM.
- Review applications with intelligent project scoring based on program criteria and automated eligibility verification.
- Maintain comprehensive audit trails of all correspondence and decisions to document the rigorous review process and demonstrate program integrity to stakeholders.
- Build configurable project timelines with automated notifications for critical dates such as compliance deadlines and payment schedules.
- Track compliance requirements with automated alerts when obligations aren't met and maintain detailed records of all compliance activities and submissions.
- Access dashboards to monitor program performance and compliance status in real time and generate reports on project performance and progress to demonstrate impact and communicate the success of your work to elected officials and community stakeholders.

–

Platform Enhancements

Extend platform capabilities with automated business data updates for accuracy and intelligence to proactively address business challenges, plus state-specific reporting tools to meet regulatory requirements.

Platform Enhancements Options Available:

- **Monthly Business Data Updates**
 - Keep your business data current with automated monthly updates that refresh your Business profiles throughout the year.
 - Ensure your CRM reflects the latest information on businesses in your community without manual effort.
 - Maintain data accuracy and relevance to support timely outreach, informed decision-making, and reliable reporting on your local business landscape.
 - Retain control with protected manual edits and full change logs for easy reversal.
- **Monthly Business Intelligence**
 - Stay informed of critical changes to your business data with automated monthly email alerts.
 - Receive notifications when new businesses are added to your community to engage quickly and provide essential resources during their critical startup phase.
 - Get alerted when existing businesses show early warning signs of distress based on verification indicators to intervene proactively before closure.
 - Identify trends in your business community through tracked updates to key fields such as employee counts.
 - Review monthly business intelligence summaries with detailed spreadsheets categorizing new, at-risk, and modified records.
- **State Specific Reporting**
 - Meet state-mandated reporting requirements for incentive programs with pre-configured report templates designed for specific state compliance standards.

- Streamline data compilation by pulling required information directly from your project records to generate comprehensive annual reports.
- Ensure accuracy and completeness while reducing the time and effort required to fulfill statutory reporting obligations.

Pricing Proposal

Appendix

Business Module

Centralize business retention and expansion engagement, information, and reporting with a system designed for business directory promotion, conducting surveys, coordinating site visits, and managing registration, licensing, and certification programs.

Business Module Includes:

■ BRE and Site Visit Surveys

- Capture and digitize business retention surveys, site visit forms, and business information directly in the platform.
- Manage, track, and report on all business retention and expansion activities with complete engagement history tied to each business record to identify trends, prioritize outreach, and demonstrate impact.
- Analyze business activity by location-based districts, wards, and other boundaries.
- Access dedicated dashboards and reports displaying engagement metrics, survey results, and KPIs to measure outreach effectiveness and demonstrate the full scope of work behind economic development outcomes.

Business Module Additional Options Available:

■ Business Directory

- Promote local businesses with a searchable, public-facing business directory in the public portal.
- Display a comprehensive directory or customize it to highlight specific industries and business types.
- Control which data fields are visible to the public and enable search and filter functionality to help residents and visitors discover local businesses that meet their needs.

■ Business Registration, Licensing, and Certifications

- Centralize business registration, certification, and licensing processes through the public portal with management in the admin system.
- Enable businesses to officially register, apply for certifications such as MBE, WBE, or Veteran-owned status, and obtain operating licenses in one unified platform.
- Automatically apply certification tags to business records in the CRM and capture essential business data during the application process.
- Eliminate fragmented systems and maintain complete records of registration status, certifications, and licenses tied directly to each business profile.

Properties Module

Stimulate development opportunities with a property registration, promotion, and lease management system that showcases available properties and manages contracts through automated workflows and compliance tracking.

Properties Module Options Available:

- **Property Marketing (Public Portal)**
 - Showcase available properties in the public portal through map and list views with filterable property types.
 - Display property cards with images and key details with direct inquiry submission through the portal.
 - Manage listings and inquiries seamlessly in the admin system.
- **Available Property Registration**
 - Enable property owners to register available properties through the public portal by providing key details, specifications, and availability status.
 - Capture property information and owner contact details to facilitate connections with developers and businesses.
 - Maintain an up-to-date inventory of available properties to support economic development opportunities and site selection efforts.
- **Vacant Property Registration**
 - Enable property owners to register vacant buildings through the public portal to ensure proper maintenance and security standards are met.
 - Capture owner information, property status, and future plans while maintaining open communication channels.
 - Reduce safety hazards and neighborhood blight by tracking compliance and holding owners accountable to maintenance requirements.
- **Lease Contract Management (Customer-Owned Properties)**
 - Manage lease agreements for organization-owned properties with configurable timelines, automated notifications, and task assignments.
 - Capture key lease details, renewal dates, tenant information, files, and compliance requirements in one centralized system.
 - Track critical milestones such as renewals and payments while receiving alerts when compliance deadlines are missed.
