WHEREAS, **PRATT & WHITNEY ADVANCED COATING TECHNOLOGIES** (the "Company"), for itself or on behalf of an entity to be formed (the "Company"), has submitted an application (the "Application") to the Agency requesting the Agency's assistance with respect to a certain project (the "Project") consisting of: (i) if necessary, the acquisition by the Agency of a leasehold interest in an approximately 5±-acre parcel of land located at 225 Tower Drive in the Town of Wallkill, Orange County, New York (more particularly described as TMID No. 40-1-56.221) (the "Land"), together with the existing approximately 71,500 square-

WHEREAS, pursuant to General Municipal Law Section 859-a, on February 19, 2014, at 2:00 p.m. local time, at the Wallkill Town Hall, 99 Tower Drive, Middletown, New York 10941, the Agency held a public hearing with respect to the Project and the proposed financial assistance being contemplated by the Agency (the "Public Hearing") whereat interested parties were provided a reasonable opportunity, both orally and in writing, to present their views. A copy of the Minutes of the Public Hearing along with the Notice of Public Hearing published and forwarded to the affected taxing jurisdictions ten (10) days prior to said Public Hearing are attached hereto as Exhibit A; and

WHEREAS, it is contemplated that the Agency will (i) designate the Company as its agent for the purpose of undertaking the Project pursuant to an agent agreement (the "Agent Agreement"), (ii) if necessary, negotiate and enter into a lease agreement (the "Lease Agreement") and leaseback agreement (the "Leaseback Agreement") with the Company, (iii) if necessary, take title to or a leasehold interest in the Land, the Improvements, the Equipment and personal property constituting the Project (once the Lease Agreement and Leaseback Agreement have been negotiated), and (iii) provide financial assistance to the Company in the form of (a) a sales and use tax exemption for purchases and rentals related to the acquisition, renovation and equipping of the Project and (b) if necessary, a mortgage recording tax exemption for financing related to the Project.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF ORANGE COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. The Company has presented an application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Company's application and other correspondence submitted by the Company to the Agency, the Agency hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) It is desirable and in the public interest for the Agency to appoint the Company as its agent for purposes of undertaking the Project; and

(C) The Agency has the authority to take the actions contemplated herein under the Act; and

(D) The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing employment opportunities in Orange County and otherwise furthering the purposes of the Agency as set forth in the Act; and

(E) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries; and

(F) The Project involves a "Type II Action" as said term is defined in Article 8 of the Environmental Conservation Law and Regulations adopted pursuant thereto by the Department of Environmental Conservation of the State (collectively, "SEQR") and therefore no further action is required under SEQR.

Section 2. Subject to the Company executing the Agent Agreement and the delivery to the Agency of a binder, certificate or other evidence of liability insurance policy for the Project satisfactory to the Agency, the Agency hereby authorizes the Company to proceed with the undertaking of the Project and hereby appoints the Company as the true and lawful agent of the Agency: (i) to undertake the Project; (ii) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency with the authority to delegate such agency, in whole or in part, to agents, subagents, contractors, and subcontractors of such agents and subagents and to such other parties as the Company chooses; and (iii) in general, to do all things which may be requisite or proper for completing the Project, all with the same powers and the same validity that the Agency could do if acting in its own behalf; provided, however, the Agent Agreement shall expire on March 1, 2017 (unless extended for good cause by the Executive Director of the Agency) if the Lease Agreement and Leaseback Agreement contemplated have not been executed and delivered.

Section 3. Based upon representations and warranties made by the Company in the Application, the Agency hereby authorizes and approves the Company, as its agent, to make purchases of goods and services relating to the Project, that would otherwise be subject to New York State and local sales and use tax in an amount up to \$40,000,000, which result in New York State and local sales and use tax exemption benefits ("sales and use tax exemption benefits") not to exceed \$3,248,000. The Agency agrees to consider any requests by the Company for increase to the amount of sales and use tax exemption benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services. Pursuant to Section 875(3) of the New York General Municipal Law, the Agency may recover or recapture from the Company, its agents, consultants, subcontractors, or

any other party authorized to make purchases for the benefit of the Project, any sales and use tax exemption benefits taken or purported to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the sales and use tax exemption benefits; (ii) the sales and use tax exemption benefits are in excess of the amounts authorized to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project; (iii) the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or (iv) the sales and use tax exemption benefits are taken in cases where the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, fails to comply with a material term or condition to use property or services in the manner approved by the Agency in connection with the Project. As a condition precedent of receiving sales and use tax exemption benefits, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, shall (i) cooperate with the Agency in its efforts to recover or recapture any sales and use tax exemption benefits, and (ii) promptly pay over any such amounts to the Agency that the Agency demands.

Section 4. The Chairman, Vice Chairman and/or the Executive Director of the Agency are hereby authorized, on behalf of the Agency, to execute the Agent Agreement, a sales tax exemption letter, and a bill of sale, whereby the Agency at the completion of the installation period transfers to the Company title to the Equipment acquired during the installation period by the Company as agent of the Agency, and related documents.

Section 5. The Chairman, Vice Chairman and/or the Executive Director of the Agency are hereby authorized, on behalf of the Agency, to negotiate and execute, if necessary (A) the Lease Agreement whereby the Company leases the Project to the Agency and (B) the related Leaseback Agreement conveying the Project back to the Company; provided, that the rental payments under the Leaseback Agreement include payments of all costs incurred by the Agency arising out of or related to the Project and indemnification of the Agency by the Company for actions taken by the Company and/or claims arising out of or related to the Project.

Section 6. The Chairman, Vice Chairman and/or Executive Director of the Agency are hereby authorized, on behalf of the Agency, to execute and deliver any mortgage, assignment of leases and rents, security agreement, UCC-1 Financing Statements and all documents reasonably contemplated by these resolutions or required by any Lender identified by the Company (the "Lender") up to a maximum principal amount necessary to undertake the Project, acquire the Facility and/or finance or refinance equipment and other personal property and related transactional costs (hereinafter, with the Lease Agreement and Leaseback Agreement are collectively referred to as, the "Agency Documents"); and, where appropriate, the Secretary or Assistant Secretary of the Agency is hereby authorized to affix the seal of the Agency (if any) to the Agency Documents and to attest the same, all with such changes, variations, omissions and insertions as the Chairman, Vice Chairman and/or Executive Director of the Agency shall approve, the execution thereof by the Chairman, Vice Chairman and/or Executive Director of the

Agency to constitute conclusive evidence of such approval; provided in all events recourse against the Agency is limited to the Agency's interest in the Project.

Section 7. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.

Section 8. These Resolutions shall take effect immediately.
