NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF ORANGE COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. The Company has presented an application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Company's application and other correspondence submitted by the Company to the Agency, the Agency hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) It is desirable and in the public interest for the Agency to appoint the Company as its agent for purposes of acquiring, constructing and equipping the Project; and

(C) The Agency has the authority to take the actions contemplated herein under the Act; and

(D) The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing employment opportunities in Orange County and otherwise furthering the purposes of the Agency as set forth in the Act; and

(E) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries; and

(F) Based upon a review of the Application and the SEQR Proceedings submitted to the Agency, the Agency hereby:

(i) consents to and affirms the status of Town of Chester Planning Board (the "Planning Board") as Lead Agency for the Facility, within the meaning of, and for all purposes of complying with SEQR;

(ii) determines that the proceedings undertaken by the Planning Board as Lead Agency under SEQR with respect to the acquisition, construction and equipping of the Facility satisfy the requirements of SEQR; and

(iii) ratifies such proceedings by the Planning Board as Lead Agency;

(iv) determines that all of the provisions of SEQR that are required to be complied with as a condition precedent to the approval of the Financial Assistance contemplated by the Agency with respect to the Project and the participation by the Agency in undertaking the Project have been satisfied. This determination constitutes a negative declaration for purposes of SEQR.

Section 2. Subject to the Company executing the Agent Agreement attached hereto as Exhibit C and the delivery to the Agency of a binder, certificate or other evidence of liability

insurance policy for the Project satisfactory to the Agency, the Agency hereby authorizes the Company to proceed with the acquisition, construction and equipping of the Project and hereby appoints the Company as the true and lawful agent of the Agency: (i) to acquire, construct and equip the Project; (ii) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency with the authority to delegate such agency, in whole or in part, to agents, subagents, contractors, and subcontractors of such agents and subagents and to such other parties as the Company chooses; and (iii) in general, to do all things which may be requisite or proper for completing the Project, all with the same powers and the same validity that the Agency could do if acting in its own behalf; provided, however, the Agent Agreement shall expire on December 31, 2008 (unless extended for good cause by the Executive Director of the Agency) if the Lease Agreement, Leaseback Agreement and PILOT Agreement contemplated have not been executed and delivered.

Section 3. The Chairman, Vice Chairman and/or the Executive Director (or Interim Executive Director) of the Agency are hereby authorized, on behalf of the Agency, to negotiate and execute (A) the Lease Agreement whereby the Company leases the Project to the Agency, (B) the related Leaseback Agreement conveying the Project back to the Company, and (C) the PILOT Agreement; provided (i) the rental payments under the Leaseback Agreement include payments of all costs incurred by the Agency arising out of or related to the Project and indemnification of the Agency by the Company for actions taken by the Company and/or claims arising out of or related to the Project; and (ii) the terms of the PILOT Agreement are consistent with the Agency's Uniform Tax Exemption Policy or the procedures for deviation have been complied with.

Section 4. The Chairman, Vice Chairman and/or Executive Director (or Interim Executive Director) of the Agency are hereby authorized, on behalf of the Agency, to execute and deliver any mortgage, assignment of leases and rents, security agreement, UCC-1 Financing Statements and all documents reasonably contemplated by these resolutions or required by any Lender identified by the Company (the "Lender") up to a maximum principal amount necessary to undertake the Project, acquire the Facility and/or finance or refinance equipment and other personal property and related transactional costs (hereinafter, with the Lease Agreement and Leaseback Agreement, collectively called the "Agency Documents"); and, where appropriate, the Secretary or Assistant Secretary of the Agency is hereby authorized to affix the seal of the Agency to the Agency Documents and to attest the same, all with such changes, variations, omissions and insertions as the Chairman, Vice Chairman and/or Executive Director of the Agency shall approve, the execution thereof by the Chairman, Vice Chairman and/or Executive Director of the Agency to constitute conclusive evidence of such approval; provided in all events recourse against the Agency is limited to the Agency's interest in the Project.

Section 5. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.

Section 6. These Resolutions shall take effect immediately.
