Dear Mr. Fioravanti,

I am writing in regards to the application for West Warwick Energy Storage 1, 2, 3 LLC requesting sales tax exemptions and a P.I.L.O.T. agreement. A hearing is scheduled for March 7, 2022, yet their application on line with your office shows no data regarding the amount of taxes lost to the Town if this P.I.L.O.T. was granted.

While we all support projects that increase the reliability of our energy system, without complete information it is hard to weigh the benefits vs. those costs. It is, therefore, hard for the Town to support this without having done that analysis.

Sincerely,

Michael P. Sweeton  
Town Supervisor
