25	https://www.ocnyida.com. This notice is dated

June 29, 2023. Okay, with that read we're going to get to public comment but first comment will be from our applicant representing OC Hospitality, LLC we have Mr. Chet Patel and we have Shailen Patel. Chet, you're going to be doing a brief presentation?

MR. C. PATEL: Yeah, sure.

MR. FIORAVANTI: Okay, terrific, we have another camera looking right here so you're good right there, exactly.

MR. C. PATEL: Okay, so what we're proposing to do is a 100 room approximately 58,000 square foot Candlewood Suites Hotel creating about 20 permanent jobs, 60 to 80 construction jobs which will generate approximately \$250,000 a year in sales tax revenue and approximately \$300,000 per year in occupancy tax revenue to the county and also the Town of Wallkill. We have worked on prior projects in the town and that project actually has generated since it started over \$4 million in tax revenue sales tax.

MR. FIORAVANTI: Is that the hotel right down at the foot of the hill?

MR. C. PATEL: Correct. And that's roughly 7 or \$800,000 per year that is generated ongoing

as long as it stays open and business stays the way it is. So this is another project that we're looking at now.

MR. FIORAVANTI: Great, terrific. I think that's all we need to know. All of the information I will say to the public on this project as mentioned in the public hearing notice is located in a project file on the active projects page of our website, so you can look at the full application and contact the IDA with any questions about that. Okay, thank you, Mr. Patel. Any other public comment? Please, yes, sir, please come to the podium, state your name, your affiliation and please give us your comment.

MR. GROSS: Good afternoon, I am Steve
Gross, Director of Development for Orange County.
Thanks for having me here today. So hotels and
hospitality are tremendously important sectors of
our economy in Orange County, they're growing
tremendously. And, you know, hotel rooms are
really a key component to that continued growth
of the hotel and tourism hospitality industry in
our county. You know, we're in the middle of
doing a conference center feasibility study and

the need for additional hotel rooms has become
quite evident as a result of that study. People
are coming to Orange County not just for the
major destinations like Legoland, Woodbury
Commons and Angry Orchards but they're coming for
corporate events. So we're trying to really put
a little push into that realm and having
additional hotel rooms are a key component to
that. We have sports tourism doing tremendously
well in our county, the track and field
championships were recently held in the Town of
Wallkill, 78,000 people came to Wallkill for that
event and every hotel room in the area was filled
up. And, you know, all this activity benefits
local businesses, it benefits restaurants,
downtowns, local commerce when people come to our
communities and that's what having those hotel
rooms enables us to do. In addition as was
mentioned, hotel rooms do generate occupancy tax
in Orange County upwards of \$6 million right now
and our tax levies are continuing to grow as a
result of the economic expansion in our county
over the past ten years to the point that the
county executive recently announced a \$7.2
million tax levy reduction in Orange County which

is a good thing, it shows that the investment is really paying off and hopefully we keep the taxes down for the local community. And lastly this applicant, Mr. Patel, has had a tremendous track record in our county of doing positive projects, he's been successful, he's created hundreds of jobs for local residents in our community. We think this would be a good addition. So thank you. I hope you take this under consideration.

MR. FIORAVANTI: Thank you for your comments. Next?

MS. DANA: Hello, I'm Amanda Dana, I'm the Director of Tourism and Film for Orange County and I stand here in full support of Mr. Patel's project, OC Hospitality. It is no shock to people in this area that when we come to Thursday, Friday, Saturday, Sunday we are pretty much at 100 percent occupancy during our season. So our season is growing, our season used to be somewhere from let's say May to October, our season now is from March to November, therefore, we have an influx of tourism coming into this county. And it's not just about tourism, although this will be a big, big source for tourism lodging but it's also about our film

industry that's growing and our corporate retreat industry and our events in general that are growing internally and domestically. We definitely need these rooms, these 101 rooms for this particular project. Mr. Patel has a proven track record of success in this county and I'm here to support both the mortgage tax and the sales and use tax exemptions for him. He will, as he's proven before he will absolutely make this a successful project. Thank you.

MR. FIORAVANTI: Thank you. I don't see anyone else but I'll make a call for any other public comment on this matter. Hearing none, we're going to close this public hearing at 2:09 p.m. again on July 19th. Thank you all for coming, we appreciate it. And again, one last time, if anyone of the public wants to find further information about this project, please go to our website at www.ocnyida.com, go to the active projects page, you'll see this project in a folder under OC Hospitality, full application, even a cost benefit analysis that was performed by our Agency which by the way I will say shows a return on the investment, the investment being the incentives provided of two to one for the

state but locally 14 to 1, so we will have an influx of 14 times the value of the incentives into our local economy. So that and other information is available on the website and contact us any time if you have questions.

Thanks so much for attending everyone, have a great day.

(Proceedings concluded at 2:09 P.M.)
