RE: Orange County Industrial Development Agency
Leentjes Amusements Corp. (d/b/a The Castle) Project
109-115 Brookside Avenue in the Village and Town of Chester,
Orange County, New York

Dear Mr. Leentjes:

Enclosed is the sales tax exemption letter and related documentation which provides for sales tax exemption for the project referenced above through December 31, 2019. Please review the enclosed package carefully to ensure full compliance with New York State sales tax requirements so they do not jeopardize your Company's benefits. **Please Note: As with the initial sales tax package, if any other entity (i.e., X, LLC, 717 LLC or BAZS, LLC) will be purchasing items or hiring contractors, etc. for the "Project", Leentjes Amusements will need to name those entities, individually, as "Agents" – just like you would when naming a contractor. That is the only way they too will receive sales tax exemption.**

Also enclosed is an invoice for our services. Please remit payment of the enclosed invoice directly to my attention so that I may properly credit your account.

Additionally, please note that contractors and subcontractors not listed on Schedule A to the enclosed Agent Agreement should complete a Form ST-120.1, "Contractor Exempt Purchase Certificate," and present it to vendors for purchases made on a tax-exempt basis. As a reminder, Form ST-120.1 does not cover rentals and in said instances the contractor or subcontractor should be named an agent pursuant to the procedures described in documents attached hereto. Contractors and subcontractors listed on Schedule A may, but are not required to, use a Form ST-120.1.

If you have any questions or need any additional information, please do not hesitate to contact me or Russ Gaenzle at (585) 419-8800.

Very truly yours,

Re: Orange County Industrial Development Agency and Leentjes Amusements Corp. (d/b/a The Castle)

Ladies and Gentlemen:

Pursuant to a resolution duly adopted on April 14, 2016, the **Orange County Industrial Development Agency** (the "Agency") appointed **Leentjes Amusements Corp. (d/b/a The Castle)** (the "Company") the true and lawful agent of the Agency to undertake a certain project (the "Project") consisting of: (A) the acquisition or retention by the Agency of a leasehold interest in a portion of a parcel of land located at 109-115 Brookside Avenue in the Village and Town of Chester, Orange County, New York [TMID #s: Part of 107-2-14.2 and Part of 107-2-15] (collectively, the "Land") and the existing improvements thereon consisting principally of two 18-hole mini-golf courses, go-kart track, climbing wall, arcade, batting cages, a roller skating rink, laser tag area, 200-seat restaurant, rock climbing area and indoor arcade (collectively the "Existing Improvements"); (B)(i) the removal of the existing batting cages to make room for new rides and (ii) the construction on the Land of an approximately 15,000 square-foot addition to the existing building to accommodate new rides, arcade equipment, inflatable bounces, digital billboards and related improvements and equipment in furtherance of the Company's existing amusement park (collectively, the "Improvements"); and (C) the acquisition in and around the Improvements of certain items of equipment, machinery and other tangible personal property (the "Equipment" and, collectively with the Land, the Existing Improvements and the Improvements, the "Facility").

This appointment includes authority to purchase on behalf of the Agency all materials to be incorporated into and made an integral part of the Facility and the following activities as they relate to any construction, erection and completion of any buildings, whether or not any materials, equipment or supplies described below are incorporated into or become an integral part of such buildings: (1) all purchases, leases, rentals and other uses of tools, machinery and equipment in connection with construction and equipping, (2) all purchases, rentals, uses or consumption of supplies, materials, utilities and services of every kind and description used in connection with construction and equipping and (3) all purchases, leases, rentals and uses of equipment, machinery and other tangible personal property (including installation costs), installed or placed in upon or under such building or facility, including all repairs and replacements of such property.

This agency appointment includes the power to delegate such agency, in whole or in part to agents, subagents, contractors, subcontractors, contractors and subcontractors of such agents and subagents, if any, and to such other parties as the Company chooses, as is set forth in the Agent Agreement, dated as of April 28, 2016, by and between the Agency and the Company (the "Agent Agreement"). As further set forth in the Agent Agreement, the Company is required to complete "IDA Appointment of Project Operator or Agent For Sales Tax Purposes" (NYS Form ST-60) for each agent, subagent, contractor, subcontractor, if any, and such other parties as the Company chooses who provide materials, equipment, supplies or services and execute said form as agent for the Agency and forward said form to the New York State ("State") Department of Taxation and Finance within thirty (30) days of appointment.

As further set forth in the Agent Agreement, in order to be entitled to use the exemption from New York State Sales and Use Taxes ("Sales Tax"), the Company, its agents, subagents, contractors and subcontractors, if any, should present to the supplier or vendor of materials for the Project, a completed "IDA Agent or Project Operator Exempt Purchase Certificate" (NYS Form ST-123), to show that the Company, its agents, subagents, contractors and subcontractors are each acting as agent for the Agency in making the purchases of tangible personal property or services for use in the Project, thereby relieving such vendor or seller from the obligation to collect Sales Tax with respect to the construction and installation and equipping of the Facility. In connection therewith, it is necessary for the Company to identify the Project on each bill or invoice and indicate thereon which of the Company, its agents, subagents, contractors and subcontractors acted as agent for the Agency in making the purchases.

As further set forth in the Agent Agreement, the Company is required to file an annual statement with the State Department of Taxation and Finance on "Annual Report of Sales and Use Tax Exemptions" (NYS Form ST-340) regarding the value of sales and use tax exemptions the Company, its agents, consultants or subcontractors have claimed pursuant to the agency conferred on the Company by the Agency with respect to this Project, and the Company is required to provide a copy of same to the Agency within thirty (30) days of each filing; provided, however, in no event later than February 15th of each year.

The agent status conferred on the Company by the Agency is limited to the Project, and will expire on **December 31, 2019**. The Company may apply to extend this agency authority by showing good cause; *provided, however, the exemption for leases executed prior to said date shall continue through the term or extended term of said lease and any acquisition of said leased property.* Should the agency authority be extended beyond such date, the agency created will continue for as long as the period of the Agency resolution approving such extension.

This letter is provided for the sole purpose of describing the exemption from Sales Tax for this Project only. No other principal/agent relationship is intended or may be implied or inferred by this letter.

This letter is being issued pursuant to the Agent Agreement. All agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project should be aware of the Agent Agreement and obtain a copy thereof.

As further set forth in the Agent Agreement, except to the extent of bond proceeds (to the extent bonds are issued by the Agency with respect to the Project), the Agency is not liable, either directly or indirectly or contingently, upon any such contract, agreement, invoice, bill or purchase order in any manner and to any extent whatsoever (including payment or performance obligations), and the Company is the sole party liable thereunder.

Very truly yours,

DEVELOPMENT AGENCY

NOW THEREFORE, in consideration of the covenants herein contained and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, it is mutually agreed as follows:

1. Scope of Agency. The Company hereby agrees to limit its activities as agent for the Agency under the authority of the Resolution to acts reasonably related to the undertaking of the Project. The right of the Company to act as agent of the Agency shall expire on **December**

31, 2017, unless extended as contemplated by the Resolution. The aggregate amount of work performed as Agent for the Agency shall not exceed the amounts described in the Application of the Company in this matter. All contracts entered into by the Company as agent for the Agency shall include the following language:

"This contract is being entered into by **LEENTJES AMUSEMENTS CORP. (D/B/A THE CASTLE)** (the "Agent"), as agent for and on behalf of the **ORANGE COUNTY INDUSTRIAL DEVELOPMENT AGENCY** (the "Agency"), in connection with a certain project of the Agency for the benefit of the Agent consisting in part of the acquisition and installation of certain machinery, equipment and building materials, all for incorporation and installation in certain premises located at 109-115 Brookside Avenue in the Village of Chester, Orange County, New York (being more particularly described as TMID Nos.: Part of 107-2-14.2 and Part of 107-2-15) (collectively, the "Premises"). The machinery, equipment and building materials to be incorporated and installed in the Premises and all services and rentals of equipment related to the acquisition, construction and equipping of the Project shall be exempt from the sales and use taxes levied by the State of New York if the acquisition thereof is effected in accordance with the terms and conditions set forth in the attached sales tax exemption letter of the Agency; and the Agent hereby represents that this contract is in compliance with the terms of the Agent Agreement by and between the Agent and the Agency. This contract is non-recourse to the Agency, and the Agency shall not be directly, indirectly or contingently liable or obligated hereunder in any manner or to any extent whatsoever. By execution or acceptance of this contract, the vendor/contractor hereby acknowledges and agrees to the terms and conditions set forth in this paragraph."

2. Representations and Covenants of the Company. The Company makes the following representations and covenants in order to induce the Agency to proceed with the Project:

(a) The Company is a corporation duly organized and validly existing under the laws of the State of New York (the "State"), has the authority to enter into this Agreement and has duly authorized the execution and delivery of this Agreement.

(b) Neither the execution and delivery of this Agreement, the consummation of the transactions contemplated hereby nor the fulfillment of or compliance with the provisions of this Agreement will conflict with or result in a breach of any of the terms, conditions or provisions of any restriction or any agreement or instrument to which the Company is a party or by which it is bound, or will constitute a default under any of the foregoing, or result in the creation or imposition of any lien of any nature upon any of the property of the Company under the terms of any such instrument or agreement.

(c) The Facility and the operation thereof will conform with all applicable zoning, planning, building and environmental laws and regulations of governmental authorities having jurisdiction over the Facility, and the Company shall defend, indemnify and hold the Agency harmless from any liability or expenses resulting from any failure by the Company to comply with the provisions of this subsection (c).

(d) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body pending or, to the knowledge of the Company, threatened against or affecting the Company, to which the Company is a party, and in which an adverse result would in any way diminish or adversely impact on the Company's ability to fulfill its obligations under this Agreement.

(e) The Company covenants that the Facility will comply in all respects with all environmental laws and regulations, and, except in compliance with environmental laws and regulations, (i) that no pollutants, contaminants, solid wastes, or toxic or hazardous substances will be stored, treated, generated, disposed of, or allowed to exist on the Facility except in compliance with all material applicable laws, (ii) the Company will take all reasonable and prudent steps to prevent an unlawful release of hazardous substances onto the Facility or onto any other property, (iii) that no asbestos will be incorporated into or disposed of on the Facility, (iv) that no underground storage tanks will be located on the Facility, and (v) that no investigation, order, agreement, notice, demand or settlement with respect to any of the above is threatened, anticipated, or in existence. The Company upon receiving any information or notice contrary to the representations contained in this Section shall immediately notify the Agency in writing with full details regarding the same. The Company hereby releases the Agency from liability with respect to, and agrees to defend, indemnify, and hold harmless the Agency, its executive director, directors, members, officers, employees, agents (other than the Company), representatives, successors, and assigns from and against any and all claims, demands, damages, costs, orders, liabilities, penalties, and expenses (including reasonable attorneys' fees) related in any way to any violation of the covenants or failure to be accurate of the representations contained in this Section. In the event the Agency in its reasonable discretion deems it necessary to perform due diligence with respect to any of the above, or to have an environmental audit performed with respect to the Facility, the Company agrees to pay the expenses of same to the Agency upon demand, and agrees that upon failure to do so, its obligation for such expenses shall be deemed to be additional rent.

(f) Any personal property acquired by the Company in the name of the Agency shall be located in the Village of Chester, New York, except for temporary periods during ordinary use.

(g) In accordance with Section 875(3) of the New York General Municipal Law, the Company covenants and agrees that, if it receives New York State and local sales and use tax exemption benefits ("sales and use tax exemption benefits") from the Agency, and it is determined that: (i) the Company is not entitled to the sales and use tax exemption benefits; (ii) the sales and use tax exemption benefits are in excess of the amounts authorized by the Agency to be taken by the Company; (iii) the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or (iv) the sales and use tax exemption benefits are taken in cases where the Company fails to comply with a material term or condition to use property or services in the manner approved by the Agency in connection with the Project, then the Company will (1) cooperate with the Agency in its efforts to recover or recapture any sales and use tax exemption benefits, and (2) promptly pay over any such amounts to the Agency that the Agency demands in connection therewith. The Company further understands and agrees that in the event that the Company fails to pay over such amounts to the Agency, the New York State Tax Commissioner may assess and determine New York State and

local sales and use taxes due from the Company, together with any relevant penalties and interest due on such amounts.

(h) The Company further covenants and agrees that the purchase of goods and services relating to the Project and subject to New York State and local sales and use taxes are estimated in the amount up to **\$2,000,000**, and, therefore, the value of the sales and use tax exemption benefits authorized and approved by the Agency cannot exceed **\$162,500**.

(i) The Company further covenants and agrees to complete "IDA Appointment of Project Operator or Agent For Sales Tax Purposes" (NYS Form ST-60), in the form attached hereto as **Exhibit A**, for each agent, subagent, contractor, subcontractor, if any, contractors or subcontractors of such agents and subagents, if any, and such other parties as the Company chooses who provide materials, equipment, supplies or services and forward said form to the State Department of Taxation and Finance within thirty (30) days of appointment.

(j) The Company further covenants and agrees to file an annual statement with the State Department of Taxation and Finance on "Annual Report of Sales and Use Tax Exemptions" (NYS Form ST-340) regarding the value of sales and use tax exemptions the Company, its agents, subagents, consultants or subcontractors have claimed pursuant to the agency conferred on the Company with respect to the Project in accordance with General Municipal Law Section 874(8). The Company further covenants and agrees that it will, within thirty (30) days of each filing, provide a copy of same to the Agency; provided, however, in no event later than February 15th of each year. The Company understands and agrees that the failure to file such annual statement will result in the removal of the Company's authority to act as agent for the Agency.

(k) The Company acknowledges and agrees that all purchases made in furtherance of the Project shall be made using "IDA Agent or Project Operator Exempt Purchase Certificate" (NYS Form ST-123, a copy of which is attached hereto as **Exhibit B**, and it shall be the responsibility of the Company (and not the Agency) to complete NYS Form ST-123. The Company acknowledges and agrees that it shall identify the Project on each bill and invoice for such purchases and further indicate on such bills or invoices that the Company is making purchases of tangible personal property or services for use in the Project as agent of the Agency. For purposes of indicating who the purchaser is, the Company acknowledges and agrees that the bill of invoice should state, "I, [NAME OF AGENT/SUBAGENT], certify that I am a duly appointed agent of the Orange County Industrial Development Agency and that I am purchasing the tangible personal property or services for use in the following IDA project and that such purchases qualify as exempt from sales and use taxes under my agent agreement with the Orange County Industrial Development Agency." The Company further acknowledges and agrees that the following information shall be used by the Company to identify the Project on each bill and invoice: "Leentjes Amusements Corp. (d/b/a The Castle) Project, 109-115 Brookside Avenue in the Village of Chester, Orange County, New York, and IDA project number 3305-16-01A."

(l) The Company acknowledges and agrees that, except to the extent of bond proceeds (to the extent bonds are issued by the Agency with respect to the Project), the Agency shall not be liable, either directly or indirectly or contingently, upon any such contract, agreement, invoice, bill or purchase order in any manner and to any extent whatsoever (including payment or performance obligations), and the Company shall be the sole party liable thereunder.

(m) The Company covenants and agrees that it has reviewed the Agency's Labor Policy and agrees that at least 85% of the construction workers, as that term is defined in the Labor Policy, shall, pursuant to said policy, reside within one of the following counties in the State of New York: Orange, Dutchess, New York, Putnam, Rockland, Sullivan, Ulster or Westchester, unless the Agency's Executive Director exempts the Company from such requirement.

3. Hold Harmless Provision. The Company hereby releases the Agency from, agrees that the Agency shall not be liable for, and agrees to indemnify, defend and hold the Agency and its executive director, directors, officers, members, employees, agents (except the Company), representatives, successors and assigns harmless from and against any and all (i) liability for loss or damage to property or injury to or death of any and all persons that may be occasioned by any cause whatsoever pertaining to the Facility or arising by reason of or in connection with the occupation or the use thereof or the presence on, in or about the Facility or breach by the Company of this Agent Agreement or (ii) liability arising from or expense incurred by the Agency's financing, acquiring, constructing, equipping, owning and leasing of the Equipment or the Facility, including without limiting the generality of the foregoing, all causes of action and reasonable attorneys' fees and any other expenses incurred in defending any suits or actions which may arise as a result of any of the foregoing. The foregoing indemnities shall apply notwithstanding the fault or negligence on the part of the Agency, or any of its respective members, directors, officers, agents (other than the Company) or employees and irrespective of the breach of a statutory obligation or the application of any rule of comparative or apportioned liability, except that such indemnities will not be applicable with respect to willful misconduct or gross negligence on the part of the Agency or any other person or entity to be indemnified.

4. Insurance Required. Effective as of the date hereof and until the Agency consents in writing to a termination, the Company shall maintain or cause to be maintained insurance against such risks and for such amounts as are customarily insured against by businesses of like size and type and paying, as the same become due and payable, all premiums in respect thereto, including, but not necessarily limited to:

(a) (i) Insurance against loss or damage by fire, lightning and other casualties, with a uniform standard extended coverage endorsement, such insurance to be in an amount not less than the full replacement value of the Facility, exclusive of excavations and foundations, as determined by a recognized appraiser or insurer selected by the Company or (ii) as an alternative to the above requirements (including the requirement of periodic appraisal), the Company may insure the Facility under a blanket insurance policy or policies covering not only the Facility but other properties as well. Such insurance shall have a commercially reasonable deductible.

(b) Workers' compensation insurance, disability benefits insurance, and each other form of insurance which the Agency or the Company is required by law to provide, covering loss resulting from injury, sickness, disability or death of employees of the Company who are located at or assigned to the Facility.

(c) Insurance against loss or losses from liabilities imposed by law or assumed in any written contract and arising from personal injury and death or damage to the property of others caused by any accident or occurrence, with limits of not less than **\$1,000,000** per accident or occurrence on account of personal injury, including death resulting therefrom, and **\$1,000,000**

per accident or occurrence on account of damage to the property of others, excluding liability imposed upon the Company by any applicable workers' compensation law; and a blanket excess liability policy in the amount not less than **\$3,000,000**, protecting the Company against any loss or liability or damage for personal injury or property damage.

5. Additional Provisions Respecting Insurance. (a) All insurance required by Section 4 hereof shall name the Agency as an additional insured, as its interest may appear. All insurance shall be procured and maintained in financially sound and generally recognized responsible insurance companies selected by the Company and authorized to write such insurance in the State. Such insurance may be written with commercially reasonably deductible amounts comparable to those on similar policies carried by other companies engaged in businesses similar in size, character and other respects to those in which the Company is engaged. All policies evidencing such insurance shall provide for (i) payment of the losses of the Company and the Agency as their respective interest may appear, and (ii) at least thirty (30) days prior written notice of the cancellation thereof to the Company and the Agency, except in the event of non-payment, in which at least ten (10) days prior written notice of the cancellation shall be delivered to the Company and the Agency. All insurance requirements in Section 4 may be satisfied by blanket policies subject to the reasonable approval by the Agency; provided, however, that approval or acceptance by a commercial lender (if any) in connection with the financing of the Project shall not require approval by the Agency. All or some of Section 4 insurance requirements may be satisfied by an Owner Controlled Insurance Program ("OCIP") subject to approval by the Agency; provided, however, that approval or acceptance by a commercial lender in connection with the financing of the Project shall not require approval by the Agency.

(b) All such policies of insurance, or a certificate or certificates of insurance that such insurance is in force and effect, shall be deposited with the Agency on the date hereof. Prior to expiration of any such policy, the Company shall furnish evidence to the Agency that the policy has been renewed or replaced or is no longer required by this Agent Agreement.

6. This Agent Agreement may be executed in any number of counterparts each of which shall be deemed an original but which together shall constitute a single instrument.

Instructions**Filing requirements**

An IDA must file this form within 30 days of the date the IDA appoints any project operator or other person as agent of the IDA, for purposes of extending any sales and compensating use tax exemptions.

The IDA must file a separate form for each person it appoints as agent, whether directly or indirectly, and regardless of whether the person is the primary project operator or agent. If the IDA authorizes a project operator or agent to appoint other persons as agent of the IDA, the operator or agent making such an appointment must advise the IDA that it has done so, so that the IDA can file a form within 30 days of the date of the new agent's appointment. The IDA should not file this form for a person hired to work on an IDA project if that person is not appointed as agent of the IDA. The IDA need not file this form if the IDA does not extend any sales or use tax exemption benefits for the project.

If an IDA modifies a project, such as by extending it beyond its original completion date, or by increasing or decreasing the amount of sales and use tax exemption benefits authorized for the project, the IDA must, within 30 days of the change, file a new form with the new information.

If an IDA amends, revokes, or cancels the appointment of an agent, or if an agent's appointment becomes invalid for any reason, the IDA must, within 30 days, send a letter to the address below for filing this form, indicating that the appointment has been amended, revoked, or canceled, or is no longer valid, and the effective date of the change. It should attach to the letter a copy of the form it originally filed. The IDA need not send a letter for a form that is not valid merely because the "Completion date of project" has passed.

Instructions

To the purchaser

You may use Form ST-123 if you:

- have been appointed as an agent or project operator by an industrial development agency (IDA) and
- the purchases qualify for exemption from sales and use tax as described in the IDA contract.

You may use Form ST-123 as a single-purchase certificate or as a blanket certificate covering the first and subsequent purchases qualifying for the project listed.

Agent or project operator sales tax ID number — If you are registered with the Tax Department for sales tax purposes, you must enter your sales tax identification number on this certificate. If you are not required to be registered, enter **N/A**.

Industrial development agencies and authorities (IDAs) are public benefit corporations under General Municipal Law Article 18-A and the Public Authorities Law, for the purpose of promoting, developing, encouraging, and assisting in the acquisition, construction, reconstruction, improvement, maintenance, equipping, and furnishing of industrial, manufacturing, warehousing, commercial, research, and recreational facilities in New York State.

IDAs are exempt from the payment of sales and use tax on their purchases, in accordance with Tax Law section 1116(a)(1). However, IDAs do not normally make direct purchases for projects. Commonly, IDAs instead appoint a business enterprise or developer, contractor, or subcontractor as its agent or project operator. Such purchases made by the agent or project operator, acting within the authority granted by the IDA, are deemed to be made by the IDA and therefore exempt from tax.

Example 1: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment necessary for completion of the project, as agent for the IDA. Contractor X rents a backhoe and a bulldozer for site preparation, purchases concrete and lumber to construct a building, and purchases machinery to be installed in the building. All these purchases by contractor X as agent of the IDA are exempt from tax.

Example 2: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment to be incorporated into the project, as agent for the IDA. Contractor X makes the same purchases as in Example 1. Since the concrete, lumber, and machinery will actually be incorporated into the project, contractor X may purchase these items exempt from tax. However, rental of the backhoe and bulldozer is not exempt since these transactions are normally taxable and the IDA agreement does not authorize contractor X to make such rentals as agent of the IDA.

A contractor or subcontractor not appointed as agent or project operator of an IDA must present suppliers with Form ST-120.1, *Contractor Exempt Purchase Certificate*, when making purchases that are ordinarily exempt from tax in accordance with Tax Law sections 1115(a)(15) and 1115(a)(16). For more information, see Form ST-120.1.

Exempt purchases

To qualify, the purchases must be made within the authority granted by the IDA and used to complete the project (not to operate the completed project).

- Mark box A to indicate you are purchasing tangible personal property and services (other than utility services and motor vehicles or tangible personal property installed in a qualifying motor vehicle) exempt from tax.
- Mark box B to indicate you are purchasing certain consumer utility services used in completing the project exempt from tax. This includes gas, electricity, refrigeration, and steam; and gas, electric, refrigeration, and steam services.
- Mark box C to indicate you are purchasing a motor vehicle or tangible personal property related to a qualifying motor vehicle exempt from tax.

Misuse of this certificate

Misuse of this exemption certificate may subject you to serious civil and criminal sanctions in addition to the payment of any tax and interest due. These include:

- A penalty equal to 100% of the tax due;
- A \$50 penalty for each fraudulent exemption certificate issued;
- Criminal felony prosecution, punishable by a substantial fine and a possible jail sentence; and
- Revocation of your *Certificate of Authority*, if you are required to be registered as a vendor. See TSB-M-09(17)S, *Amendments that Encourage Compliance with the Tax Law and Enhance the Tax Department's Enforcement Ability*, for more information.

To the seller

When making purchases as agent or project operator of an IDA, the purchaser must provide you with this exemption certificate with all entries completed to establish the right to the exemption. You **must** identify the project on each bill and invoice for such purchases and indicate on the bill or invoice that the IDA or agent or project operator of the IDA was the purchaser.

As a New York State registered vendor, you may accept an exemption certificate in lieu of collecting tax and be protected from liability for the tax if the certificate is valid. The certificate will be considered valid if it is:

- accepted in good faith;
- in your possession within 90 days of the transaction; and
- properly completed (all required entries were made).

An exemption certificate is accepted in good faith when you have no knowledge that the exemption certificate is false or is fraudulently given, and you exercise reasonable ordinary due care. If you do not receive a properly completed certificate within 90 days after the delivery of the property or service, you will share with the purchaser the burden of proving the sale was exempt.

You must also maintain a method of associating an invoice (or other source document) for an exempt sale with the exemption certificate you have on file from the purchaser. You must keep this certificate at least three years after the due date of your sales tax return to which it relates, or the date the return was filed, if later.

This information will be used to determine and administer tax liabilities and, when authorized by law, for certain tax offset and exchange of tax information programs as well as for any other lawful purpose.

Instructions

General information

Who must file?

The General Municipal Law (GML) and the Public Authorities Law require the agent/project operator (also known as the *project occupant*) of an Industrial Development Agency or Authority (IDA) to file an annual report with the Tax Department. The agent/project operator required to file this report is the person **directly** appointed by the IDA to act for and to represent the IDA for the project. The agent/project operator is ordinarily the one for whom the IDA project was created.

There is usually only one agent/project operator directly appointed by the IDA for an IDA project. However, if the IDA directly appoints multiple agents/project operators, each agent/project operator must file this form (unless they are related corporations).

Only the agent/project operator(s) directly appointed by the IDA must file Form ST-340. Contractors, subcontractors, consultants, or agents appointed by the agent/project operator(s) should **not** themselves file Form ST-340. However, the agent/project operator(s) must include on Form ST-340 information obtained from such contractors, subcontractors, consultants, and agents, as described below.

What must be reported?

The report must show the **total value of all state and local sales and use taxes exempted** during the calendar year, as a result of the project's designation as an IDA project. This includes:

- the value of the exemptions obtained by the agent/project operator; and
- the value of the exemptions obtained by your contractors, subcontractors, consultants, and others, whether or not appointed as agents of the IDA.

The report requires only the **total combined** exemptions obtained by the above people. A break down of the total is not required. However, since the report must include the value of the exemptions they obtained, the agent/project operator must keep records of the amounts others report to the agent/project operator.

It is important that the agent/project operator make it clear to the contractors, subcontractors, consultants, and others that they must keep accurate tax information and have it available so that the agent/project operator can comply with the annual reporting requirements.

Do not include in this report the amount of any sales and use tax exemptions arising out of other provisions of the Tax Law (for example, manufacturer's production equipment exemption, research and development exemption, or contractor's exemption for tangible personal property incorporated into a project of an exempt organization).

See instructions below for additional information required.

When is the report due?

You must file Form ST-340 on a calendar-year basis. It is due by the last day of February of the following year. The reporting requirement applies to IDA projects started on or after July 21, 1993.

At the top of the form, identify the reporting period by entering the year in the space provided. If an address is required, always include the ZIP code.

Instructions

Only a contractor who has a valid *Certificate of Authority* issued by the Tax Department may use this exempt purchase certificate. The contractor must present a properly completed certificate to the vendor to purchase tangible personal property, or to a subcontractor to purchase services tax exempt. This certificate is not valid unless all entries have been completed.

The contractor may use this certificate to claim an exemption from sales or use tax on tangible personal property or services that will be used in the manner specified in items A through N below. The contractor may not use this certificate to purchase tangible personal property or services tax exempt on the basis that Form ST-124, *Certificate of Capital Improvement*, has been furnished by the project owner to the contractor.

The contractor must use a separate Form ST-120.1, *Contractor Exempt Purchase Certificate*, for each project.

Purchase orders showing an exemption from the sales or use tax based on this certificate must contain the address of the project where the property will be used, as well as the name and address of the project owners (see page 1 of this form). Invoices and sales or delivery slips must also contain this information (name and address of the project for which the exempt purchases will be used or where the exempt services will be rendered, as shown on page 1 of this form).

Use of the certificate

This certificate may be used by a contractor to claim exemption from tax only on purchases of **tangible personal property** that is (**Note:** Unless otherwise stated, the customer must furnish the contractor a properly completed Form ST-121, *Exempt Use Certificate*):

 - Used directly and predominantly in the receiving, initiating, amplifying, processing, transmitting, re-transmitting, switching, or monitoring of switching of telecommunications services for sale, or Internet access service for sale.
 - Machinery, equipment, and other tangible personal property (including parts, tools, and supplies) used by a television or radio broadcaster directly and predominantly in the production and post-production of live or recorded programs used by a broadcaster predominantly for broadcasting by the broadcaster either over-the-air or for transmission through a cable television or direct broadcast satellite system. (Examples of exempt machinery and equipment include cameras, lights, sets, costumes, and sound equipment.) This exemption also includes machinery, equipment, and other tangible personal property used by a broadcaster directly and predominantly to transmit live or recorded programs.
- D. Installed or placed in the project in such a way that it remains tangible personal property after installation. No exemption certificate is required from the customer. However, the contractor must collect tax from its customer when selling such tangible personal property or related services to the customer, unless the customer gives the contractor an appropriate and properly completed exemption certificate.
- E. Used predominantly (more than 50%) either in farm production or in a commercial horse boarding operation, or in both, for which the customer has provided the contractor a completed Form ST-125, *Farmer's and Commercial Horse Boarding Operator's Exemption Certificate*. The exemption is allowed on tangible personal property whether or not the property is incorporated into a building or structure.
- F. Machinery or equipment used directly and predominantly to control, prevent, or abate pollution or contaminants from manufacturing or industrial facilities.
- G. Residential and, beginning January 1, 2013, commercial solar energy systems equipment. *Residential solar energy systems equipment* means an arrangement or combination of components installed in a residence that utilizes solar radiation to produce energy designed to provide heating, cooling, hot water, and/or electricity. *Commercial solar energy systems equipment* means an arrangement or combination of components installed upon nonresidential premises that utilize solar radiation to produce energy designed to provide heating, cooling, hot water, or electricity. The exemption is allowed on the 4% New York State tax rate and where applicable, the $\frac{3}{8}\%$ MCTD rate. The exemption does not apply to local taxes unless the locality specifically enacts the exemption. The customer must furnish the contractor a completed Form ST-121 by completing the box marked *Other (U.)*. For the definition of *residence* and for an exception relating to recreational equipment used for storage, as well as for other pertinent information, see TSB-M-05(11)S, *Sales and Use Tax Exemption for Residential Solar Energy Systems Equipment*. For the definition of *nonresidential premises*, as well as other pertinent information, see TSB-M-12(14)S, *Sales and Use Tax Exemption for the Sales and Installation of Commercial Solar Energy Systems Equipment*.

For purposes of this exemption, the term *TEU* means a unit of volume equivalent to the volume of a twenty-foot container. This exemption does **not** apply to the local tax in New York City.

Note: Purchases of services for resale can occur between prime contractors and subcontractors or between two subcontractors. The retail seller of the services, generally the prime contractor, must charge and collect tax on the contract price, unless the project owner gives the retail seller of the service a properly completed exemption certificate.

- Criminal felony prosecution, punishable by a substantial fine and a possible jail sentence; and
- Revocation of your *Certificate of Authority*, if you are required to be registered as a vendor. See TSB-M-09(17)S, *Amendments that Encourage Compliance with the Tax Law and Enhance the Tax Department's Enforcement Ability*, for more information.

To the seller

Do not accept this Form ST-120.1 unless all entries have been completed. The contractor must give you a properly completed exemption certificate **no later than 90 days after delivery** of the property or service; otherwise, the sale will be deemed to have been taxable at the time the transaction took place. When a certificate is received after the 90-day period, both the seller (vendor) and contractor assume the burden of proving that the sale was exempt, and both may have to provide additional substantiation.

Your failure to collect sales or use tax, as a result of accepting an improperly completed exemption certificate or receiving the certificate more than 90 days after the sale, will make you personally liable for the tax plus any penalty and interest charges due.

You must keep this exemption certificate for at least three years after the due date of the last return to which it relates, or after the date when the return was filed, if later. You must also maintain a method of associating an exempt sale made to a particular customer with the exemption certificate you have on file for that customer.

Caution: You will be subject to additional penalties if you sell tangible personal property or services subject to tax, or purchase or sell tangible personal property for resale, without possessing a valid *Certificate of Authority*. In addition to the criminal penalties imposed under the New York State Tax Law, you will be subject to a penalty of up to \$500 for the first day on which such a sale or purchase is made; plus up to \$200 for each subsequent day on which such a sale or purchase is made, up to the maximum allowed.

To the purchaser

Misuse of this certificate

Misuse of this exemption certificate may subject you to serious civil and criminal sanctions in addition to the payment of any tax and interest due. These include:

- A penalty equal to 100% of the tax due;
- A \$50 penalty for each fraudulent exemption certificate issued;

The IDA must file a separate form for each person it appoints as agent, whether directly or indirectly, and regardless of whether the person is the primary project operator or agent. If the IDA authorizes a project operator or agent to appoint other persons as agent of the IDA, the operator or agent making such an appointment must advise the IDA that it has done so, so that the IDA can file a form within 30 days of the date of the new agent's appointment. The IDA should not file this form for a person hired to work on an IDA project if that person is not appointed as agent of the IDA. The IDA need not file this form if the IDA does not extend any sales or use tax exemption benefits for the project.

If an IDA modifies a project, such as by extending it beyond its original completion date, or by increasing or decreasing the amount of sales and use tax exemption benefits authorized for the project, the IDA must, within 30 days of the change, file a new form with the new information.

If an IDA amends, revokes, or cancels the appointment of an agent, or if an agent's appointment becomes invalid for any reason, the IDA must, within 30 days, send a letter to the address below for filing this form, indicating that the appointment has been amended, revoked, or cancelled, or is no longer valid, and the effective date of the change. It should attach to the letter a copy of the form it originally filed. The IDA need not send a letter for a form that is not valid merely because the "Completion date of project" has passed.
