Re: Mediacom Communications Corporation

Dear Chairman Petro:

The Town of Blooming Grove is in support of the Orange County Industrial Development Agency's 15 year PILOT agreement with Mediacom Communications Corporation and the other incentives offered by the IDA to this company. We understand that over the next five years Mediacom will create approximately 150 jobs and will help develop the property into a more productive ratable for the Town of Blooming Grove.

It is our hope that the Orange County Industrial Development Agency will look to provide the requested financial incentives to permit this project to move forward.

Sincerely,
