Re: USAI Lighting Expansion

Dear Chairman Armistead:

The Town of New Windsor fully supports the expansion of USAI Lighting at 1126 River Road in the Town of New Windsor.

The development of this project will promote both economic development and job creation within the County.

It is our hope that the Orange County Industrial Development Agency will look to provide the requested financial incentives to permit this project to move forward.

Sincerely,

  
Town of New Windsor  
Supervisor
