RE: King Zak Warehouse; 3 Police Drive
IDA Application

The Village Board of the Village of Goshen is in full support of the approved expansion project at King Zak Warehouse. King Zak has been an important part of the Village of Goshen economy for close to 35 years.

The Village supports a PILOT that would enhance the redevelopment of the site, while at the same time providing that the existing real property taxes being received by the Village of Goshen, which are approximately \$69,000.00, are not reduced.

If you have any questions, please feel free to contact me.

Very truly yours,

Michael Nuzzolese
Village of Goshen Mayor
